

BELPER TOWN FOOTBALL CLUB

RESTRICTIONS ON THE SALE OF ALCOHOLIC DRINKS

Please read carefully

Government legislation requires all alcoholic drinks to be served only to people occupying seats in indoor or outdoor locations.

This means that we will only be able to serve people who are occupying a table in the main club room or those seated in the outside Fan Zone area.

For people in the main club room, a table ordering service will be in place for cash and contactless payment. In addition, we are operating the new NQ app which allows customers to order and pay for their drinks on their mobile phone from their table.

We are today offering a drinks service to the new Fan Zone for people using the NQ app **(Please see separate leaflet showing how to download the app)**. No cash or contactless payments can be made from the Fan Zone.

Please indicate on the NQ app, the Table Number where you are and your drinks will be brought out to you, the server will quote the order number which was sent to you by text)

Some key things to note:

- DO NOT ORDER ALCOHOLIC DRINKS UNLESS YOU ARE SEATED IN THE MAIN CLUB ROOM OR AT A TABLE IN THE FAN ZONE (WE WILL NOT BE OPERATING A COLLECTION SERVICE FOR DRINKS FROM THE MAIN CLUB ROOM)
- MAXIMUM OF SIX PEOPLE AT ONE TABLE
- DO NOT MOVE TO, OR STAND IN OTHER PARTS OF THE STADIUM WHILST CONSUMING ALCOHOLIC DRINKS.

Non-alcoholic drinks and food served from the main kitchen outlet and from the Millside Café are currently operating on a takeaway service and are unaffected by the above restrictions.

Please bear with us as we work our way through the new rules.
