#### **Masterclasses –**

We are exploring running some Masterclasses for our older Juniors (U12 upwards). These would also be led by James Parslow but we are hoping that our home grown Middlesex CCC contracted players will take part i.e. Ethan Bamber (seam bowling), Luke Hollman (leg spin and batting), Joe Cracknell (Batting and keeping) and Max Harris (fast bowling).

These classes are likely to be run in late July and August. More information will be released in due course.
