Welcome to the Cublington Cricket Club Newsletter 2020 – the Covid -19 edition!

# Welcome to the Cublington Cricket Club Newsletter 2020 – the Covid-19 edition!

## Note from Michael Reilly, Chairman Cublington Cricket Club

We know cricket has been recorded as having been played at Cublington since 1863 (see inside for more on that). The sport of cricket has a known history beginning in the late 16th century. Having originated in south-east England, it became the country's national sport in the 18th century and has developed globally in the 19th and 20th centuries. International matches have been played since 1844 and Test cricket began, retrospectively recognised, in 1877. The pandemic is a painful reminder of our vulnerability but also of our community spirit and determination & spirit. Whilst many grass roots clubs for many different sports will cease or decline – Cublington Cricket Club will thrive and continue in our mission to provide boys, girls and adults an outlet for their sporting ambitions.

2020 proved to be challenging for us all and lockdown restrictions prevented league cricket during the Summer and indoor nets during the Winter. No games, no teas, no match fees and mostly no annual subscriptions (some kind members and ex overseas paid subs – thank you sincerely!). But we fought back and used all our resources to make considerable improvements to the ground, in part due to receiving £3,000 from the English Cricket Board and £2,000 from the Orchard Ground Committee through their successful grant application to Buckinghamshire County Council.

Almost all these monies are being spent repairing equipment, Orchard Ground field maintenance, drainage and aeration and tackling a contagion of poa grass, which if we didn't control would render large parts of the outfield dead and unplayable!

## This Newsletter is about keeping the Club engaged with members.

We have gone into our archives and found some photographs and press cuttings that reflect our history and shows good times and strange times. Cricket reveals what is within. The players (we were all young once!), the short tours, the achievements on the field and above all else the camaraderie and friendship. This Newsletter is a short homage to both the game of cricket – those who play, do the ground, make the teas, score, manage, coach, parent and administrate. All of these people involved truly reveal what is within – generosity, kindred spirit, humour and fun! We are planning for 2021 and we want to see all our members back – training, playing and supporting.

***I hope you enjoy the Newsletter, keep safe and see you all in 2021.***

## Cublington Cricket Club are an ECB Clubmark Club.

ECB Clubmark is an accreditation scheme for cricket clubs shows that a club is sustainable, well run and provides the right environment for its members. Clubmark accreditation also means your club is recognised as a safe, rewarding and fulfilling place for participants of all ages, as well as assuring parents and carers that they are choosing the right option for their young people. The requirements for Clubs to be accredited include having a Club Development Plan, for all officials to be DBS checked and to have the relevant qualifications for their role and a site visit from a Bucks Cricket officer to see that the Club runs safe and engaging coaching for junior cricketers. Clubs are required to complete an annual self-assessment and update of documents and undergo a full reaccreditation process every 3 years,

# The Tours

For many years CCC had short tours to Devon, Worcestershire, Cornwall – even Cyprus! In the post pandemic world it would be great to tour again. But here are some memories of the Cublington tours. We will tour again and it usually is an experience you never forget.

We were all young once! Who do you spot here? The match was against Stanton CC. The year about 2005, special mention for two members who have passed away since this photo was taken – Sean Arman and the legend that was Terry Jones. In other photos, we remember Niall Mackay. The pictures below are between 2007 and 2013, mostly at Sidmouth CC

CCC Tour Cyprus >

## Junior Section News for 2021

**CCC have entered the Bucks League in three age categories - under 11, 13 and 15.**

We want all the young people of Cublington and surrounding areas to be involved - **BOYS AND GIRLS!** Regardless of ability or experience of cricket get active, get involved. We also have great social events throughout the year. Lets make 2021 a year to remember - for fun, sport and fitness!

**PARENTS** - do you want to get involved and support your local cricket club? Coach? Play? Manage an age group? Great fun, and we have great facilities in Cublington.

**Contact** Nick Webb [nick@pwwpl.com](mailto:nick@pwwpl.com) or myself Michael Reilly on [mtcreilly@aol.com](mailto:mtcreilly@aol.com).

Tom Gadsby shaping up nicely - oh wait, it's a YAHOO!

## Sunday XI report 2020

### By Our Man in the Stands

We never thought this might happen when everything was cancelled in March, but we actually played some cricket this year. The season restarted in July the day after the Four Counties League decided to cancel league cricket for the season. We could have played half a season. Oh well, never mind. The upside was that we played lots of friendly cricket. Competitive, but friendly, which everyone rather seemed to enjoy.

We were allowed back in the nets from May with the result that many enthusiastic Cublington cricketers were properly in the groove by the time the season started. The most avid netters were Jack Gotzheim, Harry Gadsby, Harvey Knights and James Taylor (see league table below). There were many sightings of the Bailey family, Middleton family and team Gregory. Also the occasional Ollie Fairhurst (well, once) and Kit Gordon-Stuart. I'd like to say that net practice translated into form in the middle. In Jack's case it did. He bowled quick and accurate left arm seamers all year and is now definitely the quickest bowler in the club (Ollie who?). Harry Gadsby, however, couldn't buy a run until the end of August when he hit consecutive 50s.

Harry, the new Sunday skipper, didn't lose a toss all year. The one game for which Bainesy stepped up to lead he made a shocking mess of the toss. Can't remember what happened in the game, but Bainesy, we give you ONE job...

Nick Clarke and Jack Gotzheim both got 3-fers against Wooburne Narkovians who were rolled over for 120. Easy win for Cubs. Nick Clarke also got 20 runs for a solid man-of-the-match performance. Alec Howe had figures of 2 for 9 off 7.4 overs opening the bowling.

*A fine effort from the main cricketing Gadsby in notching up 25 net sessions over the summer with honourable mentions for anyone else in double figures. The Gregory family (featuring Martin Palmer) were the most regular family group to attend. Could you play a few games next year too, please? And how on earth did the Bullock family, permanently injured and mainly held together with sticky tape and string manage six appearances? Or was that just Ness?*

Tom Gadsby and Martin Middleton opened the batting against Hyde Heath for a partnership 60 off 10 overs in a game that almost didn't happen as we went to their place and they came to ours. Many thanks to the Hyde Heath groundsman for getting the game on with 30 minutes notice

Gus Macleod smacked 56 against Haddenham, while Harry Gadsby nurdled 53, although not enough to secure the win.

We had a good game against the Prince of Wales' XI (Prince Charles couldn't make the game himself). Cubs batted first knocking up 182 with 67 from Venables and 36 from KGS. A good shift from Harvey Knights opening with 29. Harvey also got either a 3- or 4-fer (blame the myopic scorer for the lack of certainty) as we bowled them out for 138.

A big shout out to Adam Bosompen who opened the bowling in pretty much every game he played and picked up useful wickets in pretty much every game. Worth noting that he always bowled against the oppo's best bowlers. Also to the Middletons (Martin and Ferdy) with the bat and Oscar with many wickets with his off spin.

How great to be out there playing cricket and spending time with mates, revelling in their triumphs and disasters, as ever. Enough cricket was played to fill the off season with plenty of banter fodder.

### Can't wait for 2021.

# The Eccentric Ways of Cricket

It has to be said that our Club has had some eccentric members in the past, and the present. Who can ever forget Tom Gadsby's efforts to "get the game on". The players were ordered home for towels to soak up the rain. Legend!

Below the annual Posh versus Tosh cricket match (captained by Tom Gadsby and Adam Farr respectively, with Ollie Fairhurst and Steve Mackie also pictured).

# The History - Cublington and Cricket

We have had some famous players at Cublington. Pictured is the legend Adam Farr and some other bloke who played for the Club! Yes he did!

This great image is from 1905 and relatives of the Beckett family are still living in the village today. >>>>>

Moving on to 1954 another great image. But a Club's success is based on developing quality coaching for our young players. How many can you spot from this archive collections below?

### Young Cubs roar to victory in Bucks final

CUBLINGTON Under 12s achieved a superb victory in a group with the Bucks County Cup Final.

At a small, but festive, the final, the village side, led by Steve Daniel Williams, the Cublington victory was an extraordinary feat. In fact, in every way to have a convincing victory.

The tempo for the game was set from the first few overs, as the spinners brutally dispatched the opposition with a pace bowling, as the match was tied to a draw, both bowling lines and fast placing in the picturesque scene.

The spinners continued to press at a rapid pace; Bill Burton found his feet and led his half-century shortly after.

A miserly spell from Sam George immediately pushed the run rate up. However, an extraordinary piece of fielding from Chris Kimpton at cover broke a developing partnership as he threw down the stumps.

Cublington dominated on; Pip Webb bowled tight lines and Tim Tubes rattled through the batting order.

Cublington spinners came on and closed out victory for the village outfit.

Celebrations carried on into the night and this capped off a superb season for the youngsters, many of whom have played key roles in the senior sides in the Four Counties League.

Coach Steve George was understandably delighted.

Producing a disciplined and positive showing, having so many promising young cricketers for the future, this is a very exciting time for Cublington Clubs.

The team would like to thank Steve for the dedication and hard work he has put in throughout the players' time at the club as he has brought many through the youth ranks.

Orchard and Wood added her two runs each.

Jan Lawson's singles and a few runs at the end of the match.

Buckingham's reply was fast paced.

At nine overs, they were 49-3 with Tim Kingston bowling well. He ended up with 4-12.

Buckingham closed out the match in the 16th over with 74-6 and winning by four wickets.

Gas Orchard (Under 12 manager) and Steve George (Cublington CC chairman) were very proud of the boys being the first Cublington side to make it to a Bucks County Board Final and were also impressed with the boys' excellent performances which took them to the final. The club is very proud of the boys' week for youngsters' week between July 31 and August 5. Contact Steve George on 07836 310881 for more.

### Village cricketers make club history in Bucks final

CUBLINGTON Under 12s made club history by being the first youth team from the village to make it to the Bucks County Cup Final.

Playing the twenty/20 format, they met Buckingham in the final after being unbeaten in their group matches.

They then beat Chertsey and Luton by 14 runs in the semi-final.

In the final, Cublington got off to a flying start with openers Johnnie Black and Will Simmons' aggressive stroke play taking 10 runs off the first over and batting well until the first wicket fell in the ninth over with the score on 43.

An unfortunate run out of Tom Wallace and change of bowlers completely swung the match in favour of the village side.

Tim Kingston's tight line and length bowling put the opposition in a squeeze on Kingston's middle order and a trick in his third over as Kingston found themselves closed at 73-8.

Buckingham's reply was fast paced.

At nine overs, they were 49-3 with Tim Kingston bowling well. He ended up with 4-12.

Buckingham closed out the match in the 16th over with 74-6 and winning by four wickets.

Gas Orchard (Under 12 manager) and Steve George (Cublington CC chairman) were very proud of the boys being the first Cublington side to make it to a Bucks County Board Final and were also impressed with the boys' excellent performances which took them to the final. The club is very proud of the boys' week for youngsters' week between July 31 and August 5. Contact Steve George on 07836 310881 for more.

# The History - Cublington and Cricket

A series of 3 matches played between Cublington and Swanbourne in the summer of 1863.

## SWANBOURNE.

CRICKET.—CUBLINGTON v SWANBOURNE.—A friendly match at cricket was played at Swanbourne, on Wednesday last, between the elevens of these two villages. The weather was all that could be wished for. Swanbourne won the toss, and sent Cublington to the wickets, to the bowling of Phillips and Walker, jun. Phillips's slows and Walker's round handers made it rather teasing and they went out pretty quick, till J. White began to get use to the slows, and met them. Young Walker bowled excellently, although only 15 years of age, and under the disadvantage of a great rise to his wickets. He is a very promising bowler, very few runs being made from his balls. Grace made a fine hit for 4. It was rather a strange coincidence that the first innings should result in a tie, thus leaving the game to be won by the second innings, which kept it the more alive. T. Biggs commenced the 2nd innings for Cublington, and made some capital hits, 5 fours, 1 three, 3 twos, &c. Seaton was put on to bowling, but he could do no better; Biggs was at last caught by Gates. Phillips made one of the best hits of the day, —to the leg for 4. T. Biggs, sen., played deadily upon the "timber-yards," his balls being all upon the ground, but the loop-stop (T. Biggs, jun.) threw over to the far wicket, and out went Gates. This showed very bad play, as the ball should never be thrown at the wicket, but always to the wicket-keeper. "Duck's eggs" were very plentiful, 17 being scored altogether. The score at the end of the match stood as under:—

CUBLINGTON.		2nd inn.	
1st inn.		6	c Gates..... 24
T. Biggs, jun., lb w.....	1	b Phillips.....	6
J. Hedges, c Gates.....	0	ditto.....	4

The return match will be played at Cublington on Friday, the 29th.

## CUBLINGTON

CRICKET.—The return match between Cublington and Swanbourne, was played at Cublington, on Friday last, and resulted in favour of the latter. Cublington was sent in first to the bowling of Walker and Phillips. As usual young Walker bowled very well, knocking down three wickets in the first innings, and allowing some very fine drives from Phillip's balls. J. Biggs made for 5 was a capital hit. The bowling of Hedges, on the Cublington side, was excellent in the first innings, on the second innings—two only requiring two balls. In the second innings a change in the bowling took place, rather to the advantage of Swanbourne. Seaton bowled well, taking 4 wickets; Simmons was well caught by North. The Cublington side having become accustomed to Phillips's slows seemed rather puzzled at Seaton's bowling on the Cublington side was a very bad one—Brazier's slows being just the thing for Grace, who made some good hits, and brought the score up well. Young Walker too made one or two good hits, but was caught at last by Halsey, at long-field. Both sides played much better the second innings. The fielding was good. Swanbourne winning this time, making it one and one, caused in a great measure by Cublington changing the bowling. The following is the score:—

CUBLINGTON.		2nd inn.	
1st inn.		2	b Walker..... 2
J. Hedges, lb w.....	5	b ditto.....	2
T. Biggs, run out.....	4	b Seaton.....	12
Brazier, b Walker.....	2	ditto.....	0
Simmons, c White.....	2	c North.....	1
Halsey, run out.....	4	lb w.....	1
T. Biggs, sen., b Walker.....	7	b Seaton.....	1
B. Halsey, b Phillips.....	0	c Walker.....	6

Gates, c Clark.....	1		
Wides, &c.....	6		
	36		44

CRICKET.—SWANBOURNE v CUBLINGTON.—On Thursday last, at Swanbourne, a third cricket match was played to determine upon which side victory should remain (in other words, who were the best cricketers), as on the two previous occasions the above villagers won and lost alternately. However, this time it was soon decided in favour of Cublington, as will be seen by the following score:—

SWANBOURNE.		2nd Innings.	
1st Innings.		5	b Hedges..... 0
E. White, c Biggs, junr.....	6	b Biggs, senr.....	1
G. Walker, c Jos. Biggs.....	0	b Biggs, junr.....	0

Cublington victorious!

Celebrating our 150th Anniversary — a 2 day match versus Swanbourne followed by a black tie supper.

## A Note from our 1st Team Captain Owen Venables

It was slightly disappointing that the notification of the resumption of cricket came 3 days after the league had been abandoned and that nothing was put in place in that respect. However, we tried to make the most of the opportunities by playing as many fixtures as we could. It was a really good opportunity for some of the younger players to gain experience in some lower stakes games. This was certainly the case in the game against Great Brickhill when the whole bowling attack was entirely under 18.

We started with a fixture just down the road against Whitchurch which was the first showing of what the younger players could do, with Matthew Sparke scoring his first senior century and we ended up comfortable winners. Our second match against Great Brickhill, played at the second time of asking, following a rained off game the previous week, was a high scoring affair with Great Brickhill chasing 270 in their 40 overs. As mentioned earlier this match was notable for the age of the bowling attack, the standout performance coming from Jack Gotzheim who bowled with pace and accuracy, to end up with 4 wickets. Buckland & Aston Clinton provided the next opposition and were allowed to get too many runs courtesy of extras and we fell 50 short chasing 214. The less said about the (unscheduled 2) games against IAS the better, which unfortunately ended up being the last Saturday game to complete, as the rain ended the game at Eaton Bray when it was delicately poised and the opposition cried off the final game.

It was fantastic that we were able to play the games we did on a Saturday, when in May it looked like we would not be able to play at all, although frustrating that the rain prevented 3 and another one was cancelled. It was great to see many of the younger players performing in senior cricket alongside some of the more experienced heads. A huge thank you must go to the grounds team for getting the Orchard Ground ready to play, especially the outfield repairs.

We look forward to, hopefully, resuming the League next season with the future looking bright in terms of quality.

## The Game being played

We are looking forward to 2021, and we want to see all our members back on the field of play. Get your bats and kit together. Never too early to get the linseed oil on the bat, change the grip and check your boots. Let's banish 2020 to history – onward and upward.

## Tennis is the perfect sport for all fitness, health & wellbeing.

Especially at this difficult time. New members always very welcome.  
Or why not have a game while the kids are playing cricket?!

- Social and competitive tennis
- Free floodlights
- New season begins May 1st

# Cublington CC Financial Report for 2020

As we are close to the year end, the situation I can report now will very likely be what we carry over into 2021 and it is good news!

Our bank accounts hold a total of just over £5000 and, although we have some expensive outfield repair work to fund in the Spring, we have more than sufficient funds to see us through the early months until our main income streams of membership subscriptions and match fees come on line.

We should be very grateful to our sponsors, Malvern Garden Buildings and Jonathan Marsh, who have remained fully supportive during this unusual year. Thanks must also go to our Chairman, ably assisted by Martyn Waters, in securing various valuable grants together with important contributions from the Orchard Ground Committee. Generous Vice Presidents contributed over £500 to Club funds and many members paid part or full subscriptions totalling over £1100.

As always our main expenditure relates to preparing, maintaining and improving our ground and facilities and we have been very fortunate to have an enthusiastic and dedicated group of volunteers led by Tim Taylor, who have helped considerably to reduce our usual outgoings in this area

**Chris Scott, Treasurer**

## CCC Ladies/Girls

CCC Ladies/Girls have entered the Home Counties Women's League and will be in the Super 8s competition. If you would like to be involved in our growing Girls/Ladies section, regardless of age or experience, contact Sophie O'Toole via email on [sophieshopping@live.co.uk](mailto:sophieshopping@live.co.uk).

Get active, have fun and lets make 2021 a year to remember! Competitions start on Sunday May 2.

## The Social side

Everyone in 2020 has missed out on social gatherings – the match, the tea, the beer with the opposition and fun days like Posh versus Tosh, the VP day, the Annual Dinner and Awards.

**We will be back in 2021 – see your friends, play the game and make merry.**

*The Ground  
the Ground*

Cricket has two obsessions – the stats and the ground. To maintain the ground to a quality standard costs about £8,000 a year. Seed, loam, rolling, top soil, spraying, cutting and equipment maintenance. It takes a huge volunteer effort and 2020 has seen major challenges – due to wet weather, poa grass contagion, degrading drainage. All of the above requiring investment of money and time. Special mention for Tim Taylor, Ryan Bullock, James Taylor, Dennis Allen and Howard Gregory. Special mention also goes to Mick Farr who has rolled the square for many years but has now retired from this critical role. Thankyou Mick for your service to the Club. The ground also benefits from an annual "Ground Force Day" where volunteers gather to open the ground for a new season and close the ground for the Winter. Great effort by all.
