

## Information for away teams travelling to Keswick Rugby Club

Keswick Rugby Club, Davidson Park, Crow Park Road, Keswick CA12 5EG

We look forward to seeing you during your upcoming fixture at Keswick. Below is some information to assist, please ensure it is passed on to travelling players and supporters.

1. If you are arriving by coach please let us know the week prior so that we can put cones out and reserve your place.
2. Match day parking is on the large gravel area shown on the map below with the red cross hatchings, not on the tarmac carpark adjacent to the clubhouse.
3. Our car park operates on a Number Plate Recognition System or ANPR and therefore all parked vehicles that don't follow the steps below will receive a fine through the post.
4. Players, coaches, first aid, supporters and coach drivers are invited to use the terminal in the clubhouse, next to the bar. Here you can enter your car registration number and obtain a free day pass meaning that you don't have to pay on departure and will not receive a fine.
5. Unfortunately, it is out of Keswick Rugby Club's hands if people fail to follow the steps above and receive a fine.
6. Any legitimate challenges to a fine received should be directed to Park With Ease by email using the correspondence details on the fine letter.

Keswick Rugby Club wish to point out that this parking system is aimed at increasing our revenue through non-rugby related visitors. Please help us by sharing this information prior to the match and ensuring that no-one associated with your rugby club receives an unnecessary fine.

Many thanks and see you on Match Day!

Martin Relph  
Chairman  
Keswick Rugby Club
