Supporting Wetherby RUFC

JONATHAN HIRST

Welcome to Harrogate Pythons RUFC and their committee, and to all of our sponsors who are joining us today for a pre match dinner.

To the visitors first and a club who find themselves towards the bottom of the table despite putting up a good fight early in the match back at the Jim Saynor Ground in November. Their pre-match meal was however a winner on the day and we're hoping to get a similar outcome on both fronts today! They are clearly a well run club and after the finance lesson I received from Peter Jesper, their Commercial Chair, we have plenty to learn off the pitch from them.

Back on to 1st team matters and Wetherby ran out convincing winners at Wensleydale last time out, leaving us in 3rd place in a congested top end of the table. With a number of players returning from injury or suspension every point counts for us and the visitors and so I am sure both teams will throw 100% in to this game. The forecast looks promising and the pitches are in fabulous condition thanks to the hard work of Ian Arundel and Martin Henry, our ever-suffering groundsmen who do a fantastic job.

And so on to our other volunteers, welcome today. The many people who freely give their time and efforts to support teams from micro through to our 1st team. With 300 young people playing rugby at Wetherby I know only too well the challenge of maintaining a high level of coaching and balancing that with a focus on enjoyment for the players. But you all seem to deliver one of the best club experiences in the region and for that the committee is incredibly appreciative. The work that has gone on to support the transition of players from Colts to seniors has been the best yet in my time at the club. With typically 13+ players home grown in each senior team, it's fundamental to our ethos as a club and future success that we focus on this process.

And finally, we could not achieve any of this without the support of our sponsors. Funding in any sports club is a persistent challenge and the sponsorship we receive enables us not only to keep the lights on but also to provide the best possible experience for everyone who comes to Grange Park. We are eternally grateful and hope we can continue our commercial arrangement in to the future.

Best of luck to both teams today, and please respect the referee.

Jonathan

Major Fundraiser for Grange Park, Wetherby Beer

Festival returns

We are getting ready to blow the doors off Grange Park with another great weekend of Beer, Music and fun times with family and friends on May 3rd & 4th with the return of the hugely successful Wetherby Beer Festival. Without this fundraiser we simply could not run WRUFC and Grange Park without a significant increase in member subs so please support us.

MEMBER TICKET NOW ON SALE

Members enjoy a generous 20%-50% off tickets and you can buy as many tickets as you wish so please get some for your non-member

friends and family. These tickets are limited and will be sold on a first come first served basis.

FRIDAY EVENING - 50% SAVING - Member Price: £5

SATURDAY FAMILY ALL DAY & EVENING - Member Price: £10 per youth/adult

Up to two Kids aged 12 and under go free with each paying adult. Each child will need their own free ticket which can be collected from the bar when you buy your adult tickets.

SATURDAY EVENING member Price: £5 - For entry after 6.30pm

SIGN UP TO BE A FESTIVAL VOLUNTEER

Can you help for a few hours to serve beer, check tickets, wash glasses, steward and anything else it takes to make the Festival a success? **Complete the form online**
<http://www.Wetherbybeerfest.com/volunteers> to be part of it.

WHERE DO THE PROFITS GO?

The event is organised and run by club volunteers & supported of many generous sponsors so **all** profits do good!

The 2023 funds have be used for

- Installation of the solar panels on the clubhouse - to reduce energy costs
- new pathway at pitch side
- new fencing
- WRUFC scoreboard
- A range of small clubhouse maintenance jobs and repairs
- Keeping club subs below inflation

In 2024, 90% of profit will go to the Grange Park development fund & the clubs and 10% of the profits to other community projects/charities - including Martin House and hopefully another project soon to be announced.

Further info

Thank you for your support. If you have any questions, or if you run a business and are interested in sponsorship please get in touch:

MYLES OATES

Good afternoon all and welcome back to Grange Park!

A particular welcome, and thank you, to our sponsors and volunteers, who are attending a lunch today to thank them for all of their support this season.

After what feels like an age, we finally have a first XV home game again!

Today we host Harrogate Pythons, who we last played back in November and achieved an 8-45 victory. Since then, despite finding themselves towards the bottom end of the table, Harrogate have been on the wrong end of a few narrow results, and have pushed some of the top teams in the league very close.

We will be looking to continue our unbeaten 2024, having won all six games played this year. We have also had some very close games, meaning we haven't picked up the bonus points we would have hoped for.

As a result of the above, and a couple of upsets elsewhere in the league, the top of the table is tighter than ever. We are currently in third place, but only point behind the league leaders Bradford Salem. With only four league games remaining, we are certainly set for a thrilling end to the season!

We will be hoping that our home crowd, boosted by our sponsors and volunteers lunch, will be able to provide the requisite support to enable us to continue the try scoring form we saw in our last outing against Wensleydale and ensure that we can keep the pressure firmly on at the top of the table.

Myles

SOLAR PV INSTALLATION

WWW.WETHERBYROOFING.CO.UK

GREEN ENERGY AT GRANGE PARK

Grange Park sports club are delighted to announce that the Installation & Commissioning of the new Solar PV array at Grange Park has been completed. The system, installed by Rugby Club sponsors Local Renewable Services Ltd, would not have been possible without the invaluable assistance of the Leeds City Councilors for the Wetherby Ward, Leeds City Community Committee and the superb efforts of the Wetherby Beer Festival.

Leeds City Council & the Community Committee have generously awarded Grange Park a £12,500 grant for the scheme. We give our thanks to Councilors Norma Harrington and Penny Stables for this and particular thanks go to Councilor Alan Lamb.

After a number of unsuccessful Grant Applications, Councillor Lamb made the club aware of this stream of funding and was extremely supportive throughout the process. For very good reasons, there is a high degree of scrutiny with public funding so it was hugely helpful to have someone of Alan's experience able to guide us through this ultimately successful process.

It is a hugely exciting time for Grange Park. Any visitors on a Sunday morning will see the success of both Kirk Deighton FC & Wetherby RUFC Juniors in bringing the benefits of sport to a wide range of the local young population. This was a key factor in the award of the Grant. Councillor Lamb said

"The volunteers that run our sports clubs, such as Grange Park, do an amazing job. When they approached me to try and help find the funds to complete the solar PV project I was delighted to be able to help. This is an innovative and vital scheme that will help the club's sustainability, both environmentally and financially."

The system will deliver over 25% of the overall power requirement of Grange Park for an expected 25-year lifetime. The Grant also allowed for the ongoing maintenance of the system.

Wetherby Rugby Club Chairman Jonathan Hirst said, "After 18 months of searching and applying for grants we were absolutely delighted that Alan and the other Leeds City Councilors for the Wetherby Ward supported us in gaining this critical grant. The club has been rocked financially by extreme running cost increases over the past 3 years as many grass roots clubs have. It's a massive benefit to have the energy generated from our own Solar PV system for our financial stability and it also cuts our Carbon Footprint. The Wetherby Beer Festival, staffed entirely by volunteers, has created new funds that enables us to complete these critical projects. We would also like to thank the community of our great town, Wetherby, for supporting the Beer and Family Festival and look forward to welcoming everyone back on the 3rd and 4th of May 2024 with a brilliant new format and fantastic live entertainment."

MARCUS LI

The 2XV have a much deserved rest week this weekend having had a gruelling fixture list since Christmas.

We have picked up some good wins against Morley and Old Brodleians, but had a disappointing result away at Selby.

We still sit 2nd in the league and look to go into the final 4 games of the season on a high.

Hopefully better weather will allow us to play a bit more expansive free flowing rugby which was shown at the beginning of the season, but we have some difficult fixtures with four away games on the bounce at Doncaster Phoenix, Moortown, Pontefract and Cleckheaton.

COUNTIES YORKSHIRE ONE - ROUND 16

2:15PM - SATURDAY 3RD FEBRUARY

WAGON LANE, BINGLEY

The Wetherby faithful travelled to Wagon Lane for many, their first visit to the Bees ground. The Bees are a club with a great history but have fallen on tougher times recently. However their committee are one of the most accommodating in the league and a testament to what rugby is all about. Indeed, the pork, julienne potatoes and fine green beans set up yours truly for a good afternoon and we were lucky to make the kick off.

It was a good job we did as Wetherby started fast and Yates took on the back line of Bradford and broke through which set up a very promising attack for Wetherby Little flying down the wing and drawing the Bradford defence across. A lovely ball back in to Elliott Reid saw him make more progress in the Bees 22, who took the contact and recycled the ball out to Gilbert who then offloaded to Charlie Yates to score. Lovely flowing rugby from the lads.
Converted by Yates 0-7

From the kickoff Bees forced a knock on from Gilbert and they immediately took advantage driving the play into the Wetherby 22, but even with usual solid defence from Wetherby, they somehow managed to get over the line and score.
7-7 and we were only 4 minutes in!

As the first half started so quickly, the forwards decided to slow it down with the first scrum going to Bradford. Wetherby's now regular front row of Woodworth, Hoather and Kitchen held comfortably, and managed to turn over the ball at the first breakdown. Yates cleared the Wetherby lines to halfway with a big kick in to the wind and pushed Bees back. The following phases of play saw a great turnover by Josh Draper, set up a very promising attack for Wetherby with Little again finding space in front of him on the wing. Will Blakey was being very industrious in the rucks but couldn't quite get his hands legally on the ball which gave Bees a chance of a pressure relieving kick from Bradford.

Despite the start to the game Wetherby weren't having things their own way and found themselves under significant pressure in the 22, but managed to gain possession back from a kick through that Briggs gladly gathered. As is his usual style he bowled over two tacklers and jinked through the remaining back line although Bees were then quick to close him down. But who should be on his shoulder but Kitching to take the offload and "sprinted" up to the halfway line and towards the final line of defence. Unfortunately his legendary pace wasn't enough to evade all tackles and he was brought down in the Bees half.

Redmond was having a very likely lively start to the game and seemed involved in everything. Wetherby gained a penalty from another rolling maul and yet again Yates punted the ball into touch well in the Bradford 22. Hoather threw in and Wetherby start the drive forward to the Bees line, dragging in the Bees defence. The ball came out to Kay and he passed onto Adair, and then onto Yates, who almost refuses to pass, but does eventually and Moses dives over the line to score Wetherby's second try.
Converted by Yates 14-7

From the restart Bees seemed to target Gilbert again hoping he might fumble twice but he had calculated the wind differential on the ball flight correctly this time and set up a brilliant attack from Wetherby, riding four or five tackles eventually offloading to Kaye, who, then found himself in the Bradford half surrounded by Bradford players, with the regular shout from coach Brown to "use it", he flung a pass over to Little, and no one was going to catch him as he cruised down the line to score for Wetherby
19-7

Whilst somewhat disorganised, Wetherby were putting on the style and from the restart Little combined with Briggs to take the ball into the Bradford 22, and in true "thinking man's forward" style Hoather had decided to remain on the opposite touchline, just in case the ball was passed back across, which it was, of course. And there are very few wingers in the amateur or professional game who will stop Hoather at pace from 10 yards, and he scored
24-7

[e. sales@kirbybuildersmerchants.co.uk](mailto:e_sales@kirbybuildersmerchants.co.uk)

But this game was not over by a long shot and Wetherby were almost immediately under big pressure in their own 22. Woodworth and Kitching managed to hold the ball up and Yates cleared the Weth lines. Weth quickly regained position and Harry Kay, somehow found his way through the Bradford defence, but he seems to have lead in his boots and even their prop managed to catch him up eventually. Despite supporting runners of Little Yates, Briggs, Adair, Beeson, Draper and basically the other 14 lads he failed to find a pass and got bundle to the ground. But the momentum he'd created saw Wetherby in the Bees 22 again, Kaye orchestrating some brilliant passes out to his old mate, Adair who saw Little free on the wing and put a beautiful chip over the Bees defence that Little scored.
29-7

As the game progressed to half time (phew!) , the Wetherby lineout was purring again with Hoather hitting every target. This set up an impressive run for Adair into the Bradford 22 with Redmond the only supporting runner who accepted the pass but got tackled and with little support the ball was turned over.

As the first half heads towards its conclusion, Gilbert is demonstrating his usual assertive tackling style and leaving Bees bodies all over the pitch, Wetherby were definitely on the front foot. Or so we thought until, in a bizarre mix up in defence, Bradford score in the corner and get the conversion
29-14

With the start of the second half Harry Kay continues to have a field day in the middle of the pitch, making another break through the Bradford defence, and despite the shouts from the crowd to pass it, he continues to plough on somewhat like an old Shire horse, yet evading all tackles until the 10 meter line. With the Bradford defence in disarray, the ball was quickly recycled through the backs left an easy try for Little.
Converted by Yates 36-14

Adair and Draper off, Goodall and Ward on.

Wetherby were seemingly now in control in the Bees half and from a line out the usual exit kick was coming but the Bees defence were on it quickly and blocked the kick which fell fortuitously to their player who gathered up the ball and bundled it over the line for their third try.
36-21

This game was being played at a frenetic pace and Yates was confounding the opposition with his evasive running style and accurate kicks. He gained yet another break through the Bradford defence, off loaded to Little, and with a shout from Adair who was on the sidelines because he was a bit tired, "He hasn't got the gas", Little proved him wrong and won the footrace and scored Wetherby's 6th try.

Converted by you know who
43-21

Gilbert received a yellow card whilst valiantly defending the Wetherby line and they succumbed to another Bradford try.
43-28

With coach Woodworth, having put in a good shift, he was subbed for the Evergreen, Greenwood and Gilbert came back on after his 10 minute rest. With Goodall carded shortly before the end of the game, both players were probably ready to call it a day. A really entertaining end to end rugby match with Wetherby coming out rightful victors!

MINI & JUNIOR SPOTLIGHT

The MJ Section at Wetherby RUFC has around 300 girls and boys aged from 4 to 18 in playing rugby most Sundays throughout the season. Many of them also take the opportunity to train midweek and in the off-season, too ... and some of them might even appear on future 1st XV programmes as home-grown Senior players one day...

The MJ section is supported by more than 90 volunteers across 12 age-groups and, without these, we simply couldn't exist. Hundreds of hours of free time given up, every week, to support the players in the MJ section in becoming the best they can be, having some fun with their mates and living up to Rugby's Core Values of Teamwork, Respect, Enjoyment, Discipline and Sportsmanship.

Spotlight: Wetherby RUFC U9s

For each of our 1st XV home fixtures, we've decided to share a report from one of the teams in our Minis / Juniors (MJ) Section. This week, the focus is on our U15s.

U15'S

Squad

The u15's squad is made up of 31 lads of different levels of ability and experience. Some boys have been here since the very start at micros (from age 5!!) and others only starting in the past few seasons.

What are the rules?

- 15 players
- 2 x 30 minute halves
- pushing and contested 8 man scrums
- lifting but uncontested lineouts

More about us

On a normal Sunday game everyone will get a game, this really keeps all the boys keen for the big Yorkshire cup games, where a squad is selected based Attendance, Attitude & Ability. We train once a week, on a Thursday night, no matter the weather normally. The lads couldn't play to our very best on a Sunday & usually get the result without our amazing team of coaches, medics and management, who volunteer hundreds of hours for the boys.

Season 2023-4

We had a rude awakening with our first game against Durham in September – back to rugby with a bang! Our normally resolute defence, was taken apart by some strong running, bearded (!) 14 year olds from Durham. However, we recovered our composure in the next & subsequent game to secure wins against Bradford & Bingley 52-0 and Harrogate (last year's Yorkshire cup winners) 29-7.

In round one of the Yorkshire cup we lost to Sandal 29-10. I believe they had the advantage in the first half but 5 minutes either side of half time I felt like we could have taken the game but just fell short. The bounce of the ball went their way, as it can do in rugby.

However, we have put the work in, in training and finished the year on a 5 game winning streak having beat Old Rishworthians 29-27, a very strong Huddersfield team 39-17, Ilkley 31-7, in round two of the yorkshire cup Moortown 83-0 & York 12-7.

We went into the Moortown game with a mindset that we had to win. Having been frustrated with ourselves about the result of the Sandal game it took us 52 seconds to spread the ball wide to one of our many lightning wingers and dot the ball down. By the end we had whipped up a whopping 13 tries. We are looking forward to 2024 and seeing how we can develop further.

Tom Gregory
Captain Wetherby Warlords U15s

WAVERLEY WRIGGLESWORTH

8

Waverley Wigglesworth

Bishop Burton
Wetherby RUFC

Waverley Wigglesworth of our Colts and Bishop Burton represented the North of England in their 2 games over the past couple of weekends.

The North drew 31 all with the South West, but lost 36-12 to the Midlands in their final match.

All at Wetherby RUFC are immensely proud of Waverley.

Formed in 2005, Harrogate Pythons RUFC is now an RFU Accredited Club promoting rugby participation across our community and providing fellowship and involvement for our players, supporters and club sponsors alike.

The Jim Saynor Ground at Station View has been our home since 2017 and for the 2022/23 season, we are fielding 3 teams: Our 1st XV playing in the RFU Northern Division Yorkshire 2, our 2nd XV playing in the YRFU Championship B League and our 3rd XV playing social rugby.

We share our clubhouse facility here at Station View with Harrogate Railway Athletic FC and we invite you to enjoy our hospitality during the fixture and then to join us at the bar for the usual post-match analysis and friendly debate. Our venue is also available for hire on match day for pre-match lunches and also for private functions at other times too.
