

AYLESBURY HOCKEY CLUB

Parent & Spectator Rules

• DO points

- ✓ • Read & follow the club's policies & requirements.
- ✓ • Focus on improved social, physical and technical skills, and not just the outcome of your child's game/match.
- ✓ • Get interested in your child's sport. Learn the rules and attend some meetings, practices and competitions.
- ✓ • Set a good example by recognising fair play and applauding good performances of all.
- ✓ • Encourage non-sport activities so sport is only part of your child's life.
- ✓ • Inform your child's coach of any injury, medical condition, illness or special needs that may affect their participations.
- ✓ • Volunteer and support your club 😊.

• DON'T points

- ✗ • Don't allow your child to train/play when injured, however important a particular game, match or training session seems.
- ✗ • Don't allow the situation to develop where your child is frightened of making mistakes or losing because of the way you respond.
- ✗ • Don't coach from the side-lines — players need to be independent and think for themselves.
- ✗ • Don't manage or criticise any players or officials from the side-lines.
- ✗ • Don't turn a blind eye to bad behaviour, cheating or bad manners.
- ✗ • Don't attend every training session or competition — your child may become over reliant on parental presence or advice.

Fair Play – Enjoyment -- Respect

We are all responsible for making hockey enjoyable, fun and safe. Make sure you're supporting the Fair Play values to enjoy respect.

• Enjoy

- Hockey is your sport so enjoy it, love the game
- Be a good sport when you win, lose and watch matches
- Be a role model, behave as you expect others to
- Create a safe, fun and fair hockey environment

• Respect

- Hockey is a game for everyone, respect others
- Take responsibility for your actions
- Learn and follow the rules and the Fair Play values
- Leave it to the officials to manage the matches, training situations and resolve problems.
