

Harvesters Football Club

Oaklands Lane, Smallford, St Albans, AL4 0HR - www.harvestersfc.co.uk

Grass Pitches

- * Only players and coaches are permitted on the field of play inside the respect rails.
- * Do not sit or jump on the pitch side barriers, they are not built to take excess weight.
- * NO warming up on pitches especially goal area, there are warm up areas by every pitch.
- * Managers/Coaches please stay in your technical area.
- * All goals must be sanitized/wiped down after use and locked up.

Respect

- Spectators must remain behind respect barriers at all times
- Do NOT climb on the barriers
- Always respect the match officials decisions
- Never engage in, or tolerate, offensive, insulting or abusive language or behaviour
- Applaud effort and good play as well as success
- Remember children play for FUN

No dogs

**NO SMOKING
OR VAPING**

No Spitting

**NO WARM UPS
IN GOAL
AREAS**

COVID - Opposition Information (Team and spectators)

Please share this information with your players parents / guardians ahead of arriving at the ground.

- All parents / guardians to carry out self assessment for players health to ensure no COVID related symptoms
- One spectator per player, this will be the same guidance for the Home and Away team. We understand in certain cases this may not be possible and there may be a need to bring siblings; but appreciate if this can be adhered to where possible.
- There will be QR codes across the site and we ask all parents to scan as part of the track and trace solution* (Please make sure you log out after you have scanned)
- The Home team will appoint a COVID delegate who will ensure that the ball, goal posts and corner flags are sanitized.
