

Following this evening's Hertfordshire Girls Football Partnership League Committee meeting, the league wish to clarify that fixtures will go ahead this weekend as scheduled unless:

- Both teams agree to postpone the fixture - if this is a competitive age group fixture, it will then be rearranged. Child-friendly fixtures will not be rearranged.
- One team wishes to postpone the fixture - if this is a competitive age group fixture, it will then be rearranged. Child-friendly fixtures will not be rearranged.
- If both teams agree the fixture is to go ahead, the fixture will be played, following the league rules.

If a fixture is being postponed, both teams must email the relevant fixtures secretary by Wednesday 8pm at the latest.

The FA's guidance, recirculated this afternoon, states that crossed-tier travel is exempt from restrictions, despite some areas in Hertfordshire moving to Tier 3. The decision by the league to put the decision-making onus back on the clubs is so each can evaluate their circumstances on a team by team basis, have the safest Christmas they possibly can and resume football for as much of January as we can.
