

# Harvesters FC Sponsorship Guide 2023 to 2025 Seasons

## About Harvesters FC

Harvesters FC is a 3 Star England Accredited Club based in St Albans and our aim is to unite and inspire our community

Established in 1987 it's one of the largest and most respected youth football clubs in the country with over 600 players across over 40 teams

Harvesters FC is proud to deliver an incredible football experience for the local community and build lasting memories for all our players and members

As a registered charity and in order to operate, Harvesters FC relies on revenue from memberships, funding and sponsorship. This guide sets out the various sponsorship and advertising options available

# Smallford

The home of Harvesters FC is Smallford. Here we have an excellent 3G All Weather Pitch, 5 grass pitches, a club house and Kiosk with club shop.

Our teams train at Smallford throughout the week and on Saturday mornings in sessions run by qualified FA coaches, including UEFA qualified coaches.

Matches are generally played on Sundays for boys and Saturdays for girls. We host the league finals tournaments in May and hold our annual presentation event in June

Along with private hire events and play as you go bookings, each year over 10,000 players and parents visit Smallford

## Why Sponsor Harvesters FC?

Sponsoring Harvesters FC is an opportunity to promote your brand or business whilst joining in supporting us to help unite and inspire the local community

We can provide a range of sponsorship opportunities from pitch side banners, team shirts, website space as well as other opportunities. Packages start from as low as £250 (see the following page for details)

We are always looking for new innovative and creative ways to work with our sponsors and build lasting partnerships as well –so if you've got an idea, get in touch!

The background of the slide features a blue banner with the Nike logo and the text "NIKE PARTNER CLUB" in white. In the foreground, a colorful soccer ball with a black Nike swoosh is resting on a green grass field. A dark diagonal overlay covers the left side of the image, where the text is placed.
