EDITORIAL

Good afternoon and welcome to Kingys for today's Midland Football League Division 1 fixture with Shawbury United, we hope that you are having an enjoyable Easter! We extend a warm welcome to everyone associated with our visitors as well as the match officials and any groundhoppers who are with us.

Our excellent run of 6 games without defeat was ended against Hinckley 10 days ago in frustrating fashion, conceding twice late on when in total control of the contest. Since then we suffered another 3-2 defeat at Wednesfield on Tuesday evening, when the hosts played for over an hour with 10-men.

In-between we should have also visited Bilston Town on Saturday; another side with play-off aspirations....due to printing deadlines this programme has been produced

before then, but we hope to have registered a positive result!

Today will certainly be no walkover; Shawbury have had a much improved season this time around and sit in mid-table, having registered some excellent results over the course of the campaign. Last time out, we drew 3-3 on Boxing Day in Shrewsbury where the visitors netted a late equaliser to gain a point.

We are back at home on Thursday night (yes, Thursday) when surprise package Allscott Heath are the visitors (ko 7.45pm) in another hugely important game in the hustle to reach the play-offs, and finish in the top 3 to ensure a home draw. Our away form has really let us down; before Saturday we have won just twice on the road in the last 10 so needless to say a home draw, in front of our fantastic supporters, will be a huge positive if we are set on promotion!Up the Spa!

NEXT HOME GAME...
THURSDAY 4TH APRIL, KO 7.45PM
vs ALLSCOTT HEATH
MIDLAND FOOTBALL LEAGUE DIVISION 1
£6 ADULTS / £4 CONCESSION

TODAY'S VISITORS

Shawbury United are one of the newer clubs in the West Midlands region, having been formed in 1992.

They started out playing in the Shrewsbury and Shropshire Alliance Division Two. They swiftly progressed up the divisions, winning a number of local cups along the way, and in 1999-00 the club were rewarded with admission to the West Midlands (Regional) League Division One North.

In 2000-01 they were promoted to the Premier Division, and then to the Midland Football League in 2016, where they remain to this day.

In 2007-08 with Shawbury paying players for the first time, manager Delwyn Humphreys was able to steer the club into the higher reaches of the division and a run to the last 32 of the F.A. Vase (a club record).

In what was to be a dramatic and bizarre ending to the season, Humphreys resigned as the season entered its final weeks. Paul Mellings took over the reins and helped Shawbury to equal their best finish of 2nd.

In June 2012 Chris Kirkup was instated as the new Chairman of the club., and Shawbury returned to FA Cup action for the first time since the 2009-10. United won the West Midlands League Premier Division title in 2015/16.

The club embarked on their first season in the Midland League Premier Division, and whilst enjoying memorable results, battled relegation until the final day, ultimately surviving 19th place.

Shawbury suffered some off the field woes towards the end of the season, with them leaving their home of over twenty years, the Butler Sports Ground in Wem, and having to relocate to Ludlow Football Stadium.

The club found its second season at Step 5 challenging, finishing 21st, 9 points from safety, and were relegated back to the Midlands Regional Premier Division.

For the 2021-22 season the club were transferred to Division One of the Midland League.

In September 2014, the club submitted planning proposals to Shropshire Council for their new ground situated off of the A53. Planning permission was granted in December 2014 then in January 2020 the club announced that land had been secured for the project following a donation from land owner Gerard Verdino. The club have signed a 99 year lease for the land.

Work is yet to begin, but in 2023 United reached an agreement with Shrewsbury Town, allowing the club to play home games at the Community 4G pitch at New Meadow.

MATCH REPORT

2

3

The Saltmen suffered their second home League defeat of the season against leaders Hinckley AFC at Kingy's. The game summed up Droitwich's season so far, with enforced changes due to injuries and individual errors which cost Spa taking something from this encounter, and the chances of claiming automatic promotion further reduced. The visitors started brightly and within two minutes a tidy move down the left hand side culminated in a low cross which Jack Edwards' first time effort came back off the crossbar and cleared to safety. However, with four minutes on the clock a Tom Weale free kick evaded everyone, hit the post and Kyron Green couldn't miss from close range as he tapped in the rebound. Edwards had another great chance on 6 minutes to add to the visitors' lead but he put a close range header straight in to Ollie Sayers' arms. Droitwich started to settle and get in to the game, and on 14 minutes Alex Dugmore thought he'd equalised with a trademark header from a corner but the match official disallowed the goal for a presumed foul. The Saltmen didn't have to wait long for an equaliser as Charlie Tilley

was on hand to turn the ball in from close range on 19 minutes, and just 3 minutes later the Spa midfielder was brought down in the box and Connor Collins made not mistake from the penalty spot. The rest of the encounter was a cagey affair after an all action opening 20-minutes; the only chances of note fell to the visitors where Edwards was again guilty of missing a decent chance when, before Sayer made a fine save low-down just before the break. The second half followed a similar pattern, and Droitwich defended well to frustrate Hinckley. The first opportunity came on the hour mark for Edwards but Sayer again saved well to deny him. Droitwich posed no real threat going forward in the second half, both Connor Collins and Perry Moss were replaced in quick succession after picking up knocks, replacement Lucas Edmonds having the best opportunity but he headed wide when well positioned. Captain Daniel Fraser should have equalised, but he blazed his effort over with just Sayer to beat. As the game looked to be petering out, a hopeful ball into the box from 35 yards out by substitute Brady Middleton looked to be a routine catch for Sayer, but the ball slipped through his hands and into the net on 84 minutes, and another substitute Declan Somel settled the contest just 2 minutes later with another close range tap in to give the visitors all three points.

As the season wears on weary legs and injuries are starting to take its toll as a number of the development lads have an interest in the 18's, 21's and the first team.

It's difficult to manage their game time as they all want to play all of the time.

With a semi-final for the MJPL side coming up at home against TDMS and a Cup final against Inkberrow for the Floodlit side there is still a lot to play for.

We still have a decent outside chance of winning the floodlit Southern Division, our early season form may have cost us however as we're unbeaten in the League since September so now every League game is a Cup Final as the old cliché goes!

The Under 21's had a disappointing reverse against title chasing Boldmere St Michaels going down 4-0 last weekend but do have one last fling at silverware when we travel to Kidderminster Harriers in the U21 Challenge Bowl.

John Neeson, DSFC Under 21 Manager
