## EDITORIAL

Good afternoon & welcome to Kingys for today's Midland Football League Division 1 fixture with Coton Green.

We extend a warm welcome to everyone associated with our visitors as well as the match officials and any groundhoppers who are with us.

After two disappointing defeats against leaders Hinckley and play-off rivals Wednesfield, we bounced back in style with excellent wins against Bilston Town and Shawbury United; two sides in-form with outside chances of reaching the play-offs, and with results also going our way, a 2<sup>nd</sup> place finish (which guarantees home games in play-offs – a major advantage!) is in our own hands.

The four play-off places now look to be contested between 7 sides (Ingles, Spa, Wednesfield, Allscott, DJM, Heather and Cradley) whilst at the other end of the table,

Wolves Sporting need just one more win to consign all of Paget, Smethwick and Bridgnorth to relegation to Division 2, which seems like a formality now, as does the automatic promotion spot which will go to Hinckley.

This afternoon's visitors spent half of the season languishing in the relegation zone, however a change in management & playing personnel has had the desired effect and the Green Army have secured safety for another season at Step 6 with some excellent results of late and a decent defensive record.

Last season, Coton claimed all 3 points here at Kingy's in a 0-2 win, however when we visited New Mill Lane earlier in September, we ran out 3-1 victors having played most of the contest with 10-men. Thank-you again for your continued excellent support; we hope to see you again on Thursday night! ....Up the Spa!

Good afternoon and welcome to Kingy's for the start of a very busy 2 weeks to complete the season.

With postponements still taking place, the games are mounting up and the lads are going to have a big test to push for a place in the playoffs.

Today we face a rejuvenated Coton Green who have a lot of experience in the current group and will be a tough test for the lads today.

With injuries and suspensions the group is going to be stretched over the next couple of weeks but the depth we have has shown throughout the season and everyone has stepped up when called upon.

I am sure it will be no different in the next couple of weeks.

Let's hope for another successful game and another 3 points at home, with the crowd getting behind the lads during this important time of the season.

Thankyou for your continued support

*Andy Crowther, DSFC Manager*

## TODAY'S VISITORS

Coton Green FC was formed as a junior under 13's team in June 1982 by founder members Brian Pearce, Sheila Scott, Dave Henderson, John Price, Mike Morton, Allan Davies and Eileen Henderson – all parents of the lads wanting to play football. The team joined the Tamworth Junior League, finishing runner's-up in their first season.

The original home ground was Whittington Barracks up until 1988 when, due to an increase in team numbers, Dosthill Park became home to Coton Green FC for the next 5 years.

In 1993 the club moved to New Mill Lane, hiring the ground from Fazeley Swifts but sadly, in 1995, the changing rooms were burnt down and Fazeley Swifts folded. Soon after, the club agreed a 21 year lease with Fazeley Charity and temporary changing rooms were built, then work began to improve the pitches and facilities with a vision to create the best privately owned junior football facilities in Tamworth.

The next few years saw a steady increase in junior teams and the first Youth Team was formed in 1997, joining the Tamworth & District

Sunday league in 1998. The Youth Team gained promotion every year before winning the 1st Division in 2003/4.

Coton Green achieved FA Charter Standard status in March 2002 and Development Charter Standard status in December 2002, then Community Charter Status in June 2003 when the club formed close links with Tamworth Ladies FC. As proud owners of new modern changing facilities, two 11 'A' side pitches and 1 small sided pitch, team numbers continued to increase with. 2006/07 saw our Midland Combination 1st team promoted to the 1st Division.

In 2015 we secured the highest accolade in grassroots football when we became a Charter Standard Community Club, one of only 3 in Tamworth, and the club extended its car park & installed floodlights, with investments continually being made to improve the both the building and the playing surfaces at New Mill Lane.

Coton Green v Hinckley AFC

## MATCH REPORT

4

2

Droitwich Spa completed a successful Easter week-end with back to back wins as they got the better of in-form Shawbury United,

Droitwich started the game well, and within 3 minutes the referee had pointed to the penalty spot as Charlie Tilley was brought down in the area and Connor Collins converted the penalty kick.

It was a tight opening, and the next opportunity fell to the visitors when Jack Howse's free kick tested Sayer and the ball was hacked to safety.

Spa responded as Collins fed Tilley, but his effort from the edge of the box was deflected wide. From the resulting corner Luke Molloy's overhead kick from close range was well held by visiting 'keeper Max Williams.

Shawbury then spurned a great opportunity as former Spa player Reece Jacobs beat the offside trap but put his effort wide, and just 5 minutes later they were rueing that miss as hustling from Tilley & Lemon to win possession on the half way line provided a through ball which Ben Jones should have dealt with, but Perry Moss nicked the ball from under him, rounded Williams and tapped into an empty net on 34 minutes for 2-0

It was 3-0 before the half time whistle when Jeff Agyeman mis-controlled an attempted clearance, Luke Molloy took full advantage as he raced clear and

squared for the onrushing Collins to complete a simple tap-in, but there was still time for United to reply when Howse fired a powerful low drive from distance into the far corner to make it 3-1 at the break.

Within 5 minutes of the restart, Lemon beat Williams to a through ball; the Shawbury 'keeper bringing him down for a 2nd penalty of the afternoon which Collins scored, completing his hat-trick.

On the hour mark Shawbury registered the goal of the game when Eric Mensah dribbled his way into a shooting position and fired a thunderbolt in off the post, giving Sayer no chance for 4-2.

The visitors enjoyed plenty of possession, but a mature performance from the Saltmen earned them a win.

## DEVELOPMENT UPDATE

A quiet week for the development teams; the Under 21's beat Brooke House International 5-0 at Kingys on the 3G after hastily switching the fixture from the grass pitch due to the incessant amount of rain put the game in doubt.

A hat-trick from Danny Barnes and one each from Woody Hawkett and Sebi Fyfield saw the game out comfortably to cement our fourth place in the league with games in hand. A big shout out to Beau Ballard who donned the gloves due to keeper unavailability and made two fine saves to keep a well-deserved clean sheet.

After the Easter calm this coming week sees a glut of fixtures.

Saturday the 21's travel to Coventry to face Coventry United, followed up on Tuesday with a Challenge Bowl Cup game away at Kidderminster Harriers.

The Under-18's play their penultimate MJPL fixture versus Allscott Heath on Saturday, then on Wednesday entertain Stourport Swifts in the MFYL; another huge game as we chase the Southern League title.

Finally a mention for Joe Clayton who has stepped up and started the last two first team games, Joe has been a consistent performer all year and thoroughly deserves this opportunity, in the nicest possible way it would be nice not to see him back.

*John Neeson, DSFC Under 21 Manager*

# MATCH REPORT

Droitwich started the game brightly and with just 3 minutes played the Saltmen thought they had taken the lead as Collins tapped home from close range, which was disallowed for offside. Then, Collins's scuffed effort forced Gilbert into a save and from the resulting corner, Cory Rudd's thumping header was denied by the woodwork.

The Steelmen replied when Sawyers beat the offside trap, crossing for Dan Danks, whose effort was cleared off the line by Lewis Phillips, with Sayer beaten.

The hosts didn't have to wait long to break the deadlock, as a free kick was spilled by Sayer and Sam Yankson was on hand to stab home from close range on 13 minutes.

Within 5 minutes, parity was restored as Angelo Franco miscued a clearance and James Lemon hit a fantastic first time effort from the edge of the box in to Gilbert's top corner. Droitwich created numerous other chances before the break as Gilbert acrobatically denied Lemon, Moss & Collins whilst Tilley's overhead kick nestled into the bottom corner only for another offside decision to deny him a 14th goal of the campaign.

Bilston enjoyed some good possession throughout the contest but with a shoot on sight tactic, failed to hit the target and rarely tested Sayer, and within 3 minutes of the 2nd half whistle, the hosts were really up against it as Lee Wood's 2-footed challenge on Rudd saw the referee produce a straight red card.

Spa came close on a number of occasions, most notably through Moss & Collins before taking the lead when Alex Dugmore headed home from a corner.

There were further half chances for substitute Josh Hurdman and Moss, but Spa were happy to sit back, allow Bilston to keep possession and defend their lead for another important 3-points
