 Sutton United v Coton Green
 Wolves Sporting v Stapenhill

THIS WEEKS' FIXTURES

EDITORIAL

Good afternoon and welcome to Kingys for today's Midland Football League Division 1 fixture with Wolverhampton Sporting Community.

We would like to take this opportunity to welcome everyone connected with the Wolves as well as today's match officials and any groundhoppers that are with us – we hope you enjoy your visit and have a safe journey home after the game.

Our last two home games have ended in defeat after disappointing performances, proof that you can't afford to have "off-days" at any level.

Last season, our opponents this afternoon were the only side remaining in the Division who we failed to defeat in 2022-23, having drawn twice. So far this term, Sporting have just 2 wins from their opening 10 League games, and have 2 points from 4 away games.

Our recent away form has been excellent however, and coming away from Stapenhill with a clean sheet and all three points was a fantastic result. We have a busy October ahead, with four successive home games after next week-end's trip to Nuneaton Griff (ko 3pm) and as ever we hope we can rely on your continued fantastic support – please help us spread the word!

Finally, we would like to welcome our mascots today; Droitwich Spa Hawks Under-12s. We hope you have an enjoyable afternoon!Up the Spa!

TOP HOLIDAY DESTINATION: Cyprus

FAVOURITE FOOD: Thai

NAME ANY THREE PEOPLE YOU WOULD INVITE ROUND FOR A MEAL:

Kevin Hart, Freddie Flintoff, Scarlett Johannson

Good afternoon and welcome back to Kingysit seems like ages since the last time we played at home, which was one to forget!

Since the last home game the lads put in an excellent display away at Stapenhill picking up 3 points and also a clean sheet which was pleasing all round.

Having a break has also given a few players time to recover & the squad is starting to get to the depth that I want to push on this season, with maybe a signing or two on the horizon to improve what is already a very good squad.

Onto today's game and Wolves Sporting who gave us tough games home & away last season so today will be no different, but we look to put the last home game to bed and put in a good performance for the fans and pick up a much needed 3 points to keep the pressure on the top. *Andy Crowther* DSFC Manager

FROM THE DUGOUT...

TODAY'S MASCOTS

Everyone at Droitwich Spa FC would like to welcome today's mascots, Droitwich Spa Hawks Under-12s, who are into their 6th season together.

Paul Morris has been coaching since the beginning and Carl Grice came on board last year to support.

Hawks have flitted between the A and B pools in the Mercian league, and are placed in Division One in their first competitive season.

After a strong pre-season they're finding Division One tough, having lost their opening two fixtures, but have shown huge improvement & character and hope to kick on. The Hawks would like to thank their sponsors; Fletcher Homes.

TODAYS' VISITORS

Formerly known as Chubb Sports F.C we lost our home club and pitches due to the Chubb lock and safe factory closing down and being sold for housing.

Our new name of Heath Town Rangers was chosen by the existing players who also designed the clubs badge in 2001.

After much success competing in the Bilston Partnership Youth Football League until under17's we entered the West Midland Regional League in 2005-2006 competing in the youth league. The following season we entered our first team into Division 2 and in the 2006-2007 season we won the Division 2 title and also claimed the Youth League title.

In the 2007-2008 season we entered our reserve team into Division 2 and our first team gained promotion from Division 1 into the Premiership and also won the Staffs Challenge Cup. In our first season in the premier division of the West Midland Regional League 2008-2009 we finished 8th and reached the final of the league cup which was postponed much to our disappointment.

During the 2010-2011 season we decided to change our name from HeathTown Rangers to Wolverhampton Sporting Community Football Club because we have achieved what we originally set out to achieve under the name Heath Town Rangers and for us to push further up the footballing ladder we needed to change our name.

In the 2012-2013 season the club finished 10th placed finish in the West Midland Regional Premier League which is our highest finish since 2008-2009.

In May 2014 Sporting have finally found their own home after years of searching, moving to the Old Great Wyrley FC ground on Hazel Lane. Work has begun to develop the ground so that it can be graded for step 5 football and so the club can start to get the local community of Great Wyrley involved in the club.

UNDER 18 UPDATE

An eventful start to the season for the young Saltmen their games are anything but dull.

A mixed bag of results really; the floodlit campaign is stuttering with results not really reflecting the performances and dominance.

Losing out in a nine goal Thriller away against Kidderminster Harriers and showing our naivety when we entertained Malvern Town, the team is coming together and the spirit is definitely growing in the group.

The Saturday MJPL side have started to find their form after a slow start and have recorded back to back wins against Aylestone Park and Atherstone Rangers.

We are starting to be able to reintroduce our identity after thinning the squad down. and training will start to have a more game specific look to it and hopefully we will see this on match days.

The incentive to do well and keep developing is progression, already this season Danny Barnes, Woody Hawkett and Cian Sheehan have had First Team recognition whilst a number of the squad have been playing in the U21's.

Jesse Asomougha is just one player who has been rewarded for his performances scoring nine goals in nine games so far, earning an Under 21's call up, Jesse doing what he does best, scoring a brace off the bench against Stafford Rangers.

One last thing; the support both on and off the pitch for the midweek floodlit team match-days is off the scale with attendances of over eighty spectators at home games!

This is actually mind blowing and will hopefully continue throughout the season.

The amount of selfless work and dedication that goes on behind the scenes by a small group of volunteers is both vital and priceless in the continued success of the Development set up.

Thank you everyone for your support.

John Neeson DSFC Under 18's Manager
