FROM THE BOARD

Welcome back to everyone for the first home league game of the season. I can't believe we are a year on from returning, so much has happened.

Last season is in the past, and the teams success has now raised expectations, and we want to be challenging again for promotion which will be no mean feat. We are not the new boys anymore, and opponents will know what to expect. What we do know however is we are certainly good enough at this level.

As a board we try to create an environment where the players enjoy being part of this club, and the volunteers, staff and helpers all feel part of the team.

One aspect that speaks volumes for the management is the number of players that have stayed and re- signed. In addition the new players including some Droitwich lads have joined.

We have also drawn the u18's and u21's to work much closer with the first team, and we can already see a pathway to the

First team side. This is now a place players want to play football.

Off the pitch we always strive for improvement. More volunteers have put themselves forward, which is a great help. Improvements are under way and work has been done on the pitch, with the weather being more kind to us than last summer.

Our sponsors have again come forward and like the players, have almost all renewed. Look out for some new advertising boards this time too, as we welcome new sponsors to our family.

Anyway, we don't know what the season holds, optimism is a plenty and we all wish Andy and the lads a fantastic season ahead.

Rob Lamb Director, DSFC

Good evening and welcome to our first home game at Kingy's this season.

After the disappointment of Saturday, we are hoping to keep the three points at home tonight.

Regarding Saturday, the less said the better as the squad did not perform anywhere near what they are capable of.

Yes, you can give excuses of players missing but with the strength and depth of our squad this season, this squad should cope with the expectations of the management team and players.

Andy Crowther, DSFC Manager

TODAYS' VISITORS

The Club was founded in 1894, when Bilston Wanderers and Bilston Rovers amalgamated to form Bilston United FC, and played their home games at Prouds Lane playing fields.

In 1921 the Club moved to its present 'home' at Queen Street, the first ever game there being against Tamworth Castle.

Six years later the Club went bankrupt, with the ground being sold to the local education committee, with the proviso that as long as there was a Town team, they would be allowed to use Queen Street. The ground is now owned by Wolverhampton Council.

Less than a year later the Club was reformed as Bilston FC and returned to Queen Street, playing in the Walsall Senior League.

In 1931 the Club changed its name to Bilston Borough, but in 1949, after the end of the War, reverted back to the name of Bilston FC, and entered into a rich period of success, winning the Walsall League & Senior Cup twice, the Walsall Challenge Cup and the Express & Star Cup.

The early 60's was one of the most successful periods in Bilstons' history, winning the Staffs Senior Cup & Walsall Senior Cup for 3 consecutive years. In 1968 Bilston reached the First Round of the FA Cup, losing 1-3 at home, to Halifax, with 4,300 packed inside Queen Street.

In 1972-73 Bilston won the West Midlands League & Cup double, reaching the 2nd Round of the FA Cup, losing 0-1 at home to Barnet after a 1-1 draw away.

In the early 80's, when the Club won the Wednesbury Charity Cup four times in five seasons. In 1983 they changed their name to Bilston Town FC and in 1985 gained promotion to the Southern League Midland Division.

In 2001 the Club missed out on promotion to the Conference South by a single solitary point to Tiverton, and following that disappointment entered into a downward spiral of fortunes that eventually saw them go out of business in 2005, due to debt & vandalism at the ground the Club was unable to complete the 2005 season and in theory ceased to exist.

The Club was reformed in 2007 and entered into the West Midlands League Division Two, playing 'home' games at Bantock Park while Queen Street was refurbished, returning in 2008 having won promotion to Division One.

In 2012-13 the Club won promotion back to the Premier Division. In 2013/14, the club won the Smedley Crooke Memorial Challenge Cup

In 2015/16 the club just escaped relegation after a torrid end of season run with a number of first team players refusing to turn up for the club and it was left to the youth team to step in and ensure the fixtures were completed.

Fortunes improved in 2016/17, finishing 15th, while beating Port Vale's Academy side in the Staffs Senior Cup.

In 2017 the club received the Queen's Award for Voluntary Service, and are rightly proud of all those who work behind the scenes to keep the club and its community work at the forefront.

The club kicked off the 2021/22 season in the Midland Football League Division One and finished 7th, followed by a 6th placed finish in 2022-23.

UNDER 18 UPDATE

As has been well documented recently, Droitwich Spa FC are delighted to welcome under our banner The Under 18's, managed by John Neeson.

Last season, at Under 16 level, the side won a silverware double and we are all very excited about the future and potential of these players.

There are two Under 18 teams; an MJPL Floodlit side (playing mid-week) and another MJPL Saturday side.

The Under 18's will be the first mens' footballing side ever from Droitwich Spa to take part in an FA Cup competition. This historic occasion will take place on Monday 14th August (ko 8pm) with a trip to Bedworth United.

There is a coach organised for this fixture, so anyone who wishes to support the lads please contact John on 07966442098 to book your seat (£9).

UNDER 21 UPDATE

After a highly successful 2022-23 season which saw the Under 21 side promote numerous young talent to the first team, Jamie Wall continues in his managerial role for 2023-24, with the side now completely part of Droitwich Spa Football Club. This forms a clear pathway for all players from Under 18 level, through to the 21's and then the first team, and is seen as a positive move by all.

Previously, these sides were known as Droitwich Spa FC Development

With a pleasing pre-season campaign under the belts and despite losing several of last seasons' squad mainly due to University commitments, the Under 21's got off to a flyer on Saturday with a comprehensive 7-0 win over Diamonds FC at Kingy's in their opening fixture in the MFL Under 21 Division – a competition that the Droitwich Spa Development Under 21's won last season on the final day, on goal difference! Spa goalscorers were: Connor Baker (2), Louis Mitchell (2), Haydon Leek, Will Moore and new signing Harry Griffiths.

That result wasn't sufficient to get the young Saltmen to the top of the table early doors however, as Kidderminster Harriers U21 defeated Stafford Town U21 12-3!

Next up for the Under 21's is a tough looking trip to the same Kidderminster Harriers Under 21 on Saturday (ko 10.30am).

For 2023-24, the format of the Division has change. Instead of two Regional Leagues, the Under 21 Division has been unified and is made up of 14 teams.
