THIS WEEKS' FIXTURES

EDITORIAL

Good afternoon and welcome to Kingys for today's Midland Football League Division 1 fixture with Paget Rangers.

We welcome everyone associated with Paget, as well as today's match officials and any groundhoppers that are with us – we hope you enjoy your visit and have a safe journey home after the game.

We are on a great run of 5 straight wins and find ourselves top of the League, thanks to last Saturday's excellent come-back win over Heather .

This afternoon presents us with a great opportunity to extend that margin with Hinckley & Ingles in FA Vase action, and Allscott have a tricky home fixture with Sutton United.

Today's visitors have had a difficult start, are the

Divisions' lowest scorers and have struggled on the road where their only win came on Monday night at Chelmsley Town in the Cup.

Last season, Spa ran out 5-1 winners here at Kingy's, and in August we were victorious (0-1) at Paget, so we hope for a similar outcome today!

Tuesday evening's Cup win over Bewdley gives us further confidence, and we are back at Kingys again on Tuesday (ko 7.45pm) in the League Cup against Smethwick Rangers.

We will host Worcester City in the WSC 2nd round on Tuesday 14 November (ko 7.45pm). Keep your eyes peeled for more news on this exciting local derby!

Finally, we'd like to welcome today's mascots; Droitwich Spa Tigers Under-10s.

We hope you all have an enjoyable afternoon.....Up the Spa!

Good afternoon and welcome to Kingys for our 3rd straight home game. We hope to continue our good form and cement our place at the top of the league after moving there last Saturday.

It's been another good week with a lot of players getting valuable minutes on Tuesday which also saw us progress to the next round. We will again meet Worcester City at home.

Another tough game against Paget today, who pushed us all the way in August at their ground.

With a lot of players returning from injury, selection is turning into a good headache, but all the players are showing why they deserve to be in & around the group.

We have a couple of injuries with Sam looking like his season is done with his ACL; I'm sure he'll come back stronger. Lewis is out for around 3 weeks with ankle ligament damage.

Their main Sponsor is Leanai LTD and second sponsor Goldclad LTD.

TODAYS' VISITORS

The club was established in 1938 by pupils of Paget Road School in Erdington, Birmingham and was accepted into the Intermediate Division of the Birmingham Juvenile Organisation Committee. In their first two seasons Paget enjoyed instant success, winning the league title on both occasions; however the outbreak of the 2nd World War brought a halt to progress. Following the outbreak of peace, Paget joined the Birmingham Youth and Old Boys AFA, before moving to the Central Amateur League in 1949, then Worcestershire Combination in 1950.

In 1951 Paget Rangers purchased a site on Springfield Road in Walmley which was to be Paget's home for the next 42 years.

In 1960 Paget won the Midland Combination, The League Cup, Birmingham Junior Cup & Sutton Charity Cup to claim a quadruple of silverware! Paget retained the league title in 1961. Further success followed in 1967 when Paget Rangers defeated Alvechurch to win the League cup. In 1970 Paget won the Midland Combination Premier Division for the 3rd time, following that success with a 2nd-place finish in 1971. Paget Rangers won their 5th Midland Combination League Cup in 1986, earning Paget Rangers a place in the Southern League for the first time. A mass exodus of players following the departure of manager Eddie Gaulfield undermined the club's progress & after 1 season in the Southern League the club was relegated to the West Midland League.

In 1993 Paget Rangers sold their Springfield Road ground for housing development and Paget Rangers began a groundshare with local rivals Sutton Coldfield Town.

In 1994, following league restructuring, Paget were elected as founder members of the new Midland Football Alliance. Paget won the inaugural championship in 1994/95 by a twelve points to achieve promotion to the Southern League Midland Division, won the Birmingham Charity Cup, finished runners-up in the Staffordshire Senior Cup and reached the semi-final of the Birmingham Senior Cup.

The first season in the Southern League was an instant success, with a 5th-place finish, and after 5 seasons ground sharing with Sutton Coldfield Town, Paget moved to their new home at Vale Stadium in 1998. This move proved to be a disaster and the team struggled. The Club continued to battle on valiantly for two more seasons before relegation in 2001. The club folded at the end of the following season.

In 2011 lifelong Paget Rangers supporter Matthew Dainty set about reforming the club and the Bears joined the Birmingham AFA in Division 2. Paget enjoyed instant success winning the Birmingham & District AFA Senior Cup, also finishing top of the League.

In 2013/14 Paget joined the Midland Combination in Division 3 where they finished 3rd and gained promotion to Division 2. Paget were promoted to Division 1 in 2017 & won the Les James Challenge Cup

UNDER 18 UPDATE

The U18's continued their impressive run of form in the MJPL last Saturday beating Pershore Town 4-3 in an entertaining encounter on the 3G at Kingy's.

At 3-1 down with ten minutes to play (and not looking like scoring!) a dramatic finale shone a light on the teams character, drawing level with two quick fire goals, before, you guessed it, the goal machine Jesse Asoumogha tapped in from close range in the ninetieth minute after Harry Griffiths effort had come back off the post to win us all three points.

Wednesdays game against Alvechurch in the MFYL fell foul of the weather and was postponed on the night.

This coming week sees two more games, starting with Leicester outfit Beaumont Park in the MJPL on the 3G at Kingys 11:30 kick off. Beaumont have started the season well winning all five of their league games.

Then on Wednesday 25th we entertain Lichfield City in the League Cup at Kingys 19:45 kick off. It would be great to see you there to support the young Saltmen.....UP THE SPA

Newland
Hurst

Newland Hurst is a charity founded in 1978 by a group of parents of young people with learning disabilities.

Our aim is to offer our residents security, support, care, warmth, and fellowship, as well as the opportunity to learn and develop through experience, all while being active and visible members of the local community.

Our residents can often be seen in the stands at home games (come and say hi!). You may also see us holding a woodcraft stall at the local charter market on Fridays.

We all live and work in a large property just out on the Tagwell Road and have a hall for hire at very reasonable rates for local people. Please see the below contact details if you would like to know more.

Many of the residents and staff team love sport generally, but are most passionate about football. We're honoured to be able to sponsor Droitwich Spa FC and 3 young players.

All at Newland Hurst have the upmost respect and love for what the club is doing for the game, all the young people taking part on the pitches and the local community as a whole. Come on you Salt men/women!

16/10/2023 by Rhys Beardmore

Coton Green 5-1 Paget Rangers A crowd of 60 supporters were at New Mill Lane to watch Coton Green get a huge win. The win moves Coton closer to safety and only 2 points off AFC Bridgnorth in 17th. Paget started brightly with Chevron Channer scoring in the 13th minute to give the Bears the lead. Coton responded & equalised a few minutes later with Sahel Yessen scoring to make it 1-1 at half time. The Green army were excellent throughout the second half with Callum Thorpe scoring early on to give the Tamworth based club the lead. Sahel Yessen completed his hat-trick for the hosts in the second half and a further goal from Kyle Crawford gave them a confidence building win for the weeks ahead.

Coventry Copsewood 1-3 Ingles Ingles got an excellent away win at Copsewood to continue their fine form & push for the play offs. It's been an excellent start to from a club that can go a bit under the radar. Copsewood started the match well & went into the half time break with a 1-0 lead in search of their first home win of the season. Bryan Kohyrelon put them ahead.

All the visitor's goals came late on; substitute Oliver Unwin scored in the 90th minute before Aaron Windram scored in the 94th minute. Copsewood were caught on the counter attack deep as Unwin scoring in the 98th minute to make it 3-1. It's a tough result for Coventry Copsewood.

Charlie Tilley scored in the 47th minute before Connor Collins scored from the penalty spot to make it 2-2 near the hour mark. The hosts took the lead in the 68th minute through a long-range effort from Perry Moss. Kyle Jardine had a chance to equalise but headed wide. Droitwich showed a lot of character to come back against good opposition & results like this could be huge come the end of the season.
