THIS WEEKS' FIXTURES

EDITORIAL

Welcome one and all to Kingys for tonight's Moldwel Products Midland Football League Cup 1st Round tie with Smethwick Rangers.

To everyone associated with Smethwick, as well the match officials & any groundhoppers that are with us – we hope you enjoy your visit and have a safe journey home after the game.

Rangers have had a difficult start to the season however their away record, with 3 wins, is better than their stats at home....the nomadic club have moved from Tividale to the Castle Vale Stadium, and as from November will be playing from Boldmere. However Smethwick are on a poor run of 6 straight League defeats despite winning the last Cup game, and currently sit bottom of the League table. With a new Manager installed in former Football League

player Francino Francis, Rangers will be hoping for a change in fortunes. Last season, we played out an entertaining 3-3 draw here at Kingy's, and in this League Cup competition we both exited at the 2nd round against MFL Premier division opposition.

With differing objectives in the League, no doubt we will both be looking to progress further in the League Cup this season. We meet again in 6 weeks' time in the League when we visit Rangers at their new Boldmere base.

With no game on Saturday due Ingles FA Vase involvement, we now have 7 consecutive home games! The next of which is on Saturday 4th November (ko 3pm) when we welcome Chelmsley Town in the MFL Division 1.....Up the Spa!

Good evening and welcome to the start of the League Cup campaign down at Kingys. In what has been an excellent start to the League we look to progress in the League Cup against a Smethwick side that have just had new management appointed.

I'm sure this will be another big test for the squad as a lot of changes will be made to give valuable minutes to players, and also blood some of the youngsters through.

It has been an great start for all the teams and that will show tonight, as no fewer than 6 of the Under-21s and 18s will be included in the squad.

Here's to another good night at Kingys showing the talent throughout the 3 sides.

TONIGHT'S VISITORS

The club first joined the West Midlands (Regional) League in 1996 under the name Smethwick Rangers, initially playing in Division One South. In their 2nd season they were champions & promoted to the Premier Division, where they remained until 2006. In 2000 the club changed its name to Warley Rangers after signing a sponsorship deal with Warley Accident Repair Centre. In 2001 they reverted to their former name, but a year later they changed their name again, this time to Smethwick Sikh Temple. As a predominantly Asian team, they have competed in the UK Asian Football Championships, and in 1994 they played at Villa Park in the final of the Aston Villa Cup, a tournament for local teams hosted by the Premier League club. In 2005 they reverted to the name Smethwick Rangers. After dropping out of the league in 2006 they re-surfaced in the Midland Football Combination in 2008 under the name Smethwick Town, and were subsequently known as AFC Internazionale and AFC Smethwick before reverting to their present name in 2013. In 2010 they switched back to the West Midlands (Regional) League and won promotion twice in three seasons to return to the Premier Division. In 2015 Smethwick Rangers were crowned UK Asian Champions after beating IGFC Singh Sabha Hounslow at Ibrox. In the 2015-16 season Smethwick won the West Midlands (Regional) League Premier Division Cup, beating Wolverhampton Sporting Community 1-0 in the final at Long Lane Park.

In the 2016-17 season Smethwick finished runners-up in the same Cup, losing to league winners Haughmond 1-0. For the 2017-18 season the club changed its name once more, this time to Smethwick to establish themselves as the number one club from the area. On 9 September 2017 Smethwick won their first ever game in the FA Vase beating Malvern Town 4-1. At the end of the 2020-21 season the club were transferred to Division One of the Midland League. In 2021, the club was once again renamed, this time to its current name, Smethwick Khalsa Football Federation. The team finished the 2021/22 season in 13th position, only losing 3 games from January 2022 onwards.

A year later, in summer 2022, the club reverted to the name Smethwick Rangers

With Droitwich's closest rivals at the top of the table not in action on Saturday, the Saltmen took full advantage as they put in a competent display to dispatch lowly Paget Rangers. Droitwich started the game well and kept possession on a difficult surface, and on 18 minutes Luke Molloy broke the deadlock, then 6 minutes later Connor Collins netted his 101st Spa goal after a good finish at the far post.

The Bears did well to lock the door for the remainder of the first period, the closest Spa came to a 3rd was when Perry Moss's 20-yard drive was deflected over before Scott Braiden-Smith's powerful header was well saved by Paget's on loan Walsall goalkeeper George Barrett

Droitwich continued the 2nd half where they left off from the first with the match at their discretion, and it wasn't long before the lead was extended as Barrett turned from hero to villain.

After receiving a back-pass the Bears stopper dribbled around Collins, but his 2nd touch was too heavy and Spa Captain

James Lemon was there to nick the ball away for a simple finish tapping into an empty net.

Alex Dugmore then fired over before Perry Moss added a 4th for Droitwich on 62 minutes as he latched onto a precise through ball then kept his cool to finish well passed Barrett.

Paget offered little attacking intent with Chadwick not being forced into any save of note, but the Birmingham side reduced the arrears on 70-minutes after the Spa defence switched off, Dejon Miles's low cross provided a simple tap in for Tobias Marshall from yards out.

Just two minutes later however the home sides' 4-goal lead was restored as Molloy's corner was headed back across goal by Dugmore and Callum Green was on hand to head in from close range for his 2nd of the season.

Droitwich could have further extended their lead through Collins and Josh Hurdman who narrowly missed the target, before Barrett produced two more fine saves in stoppage time to deny Jamie Lucas, but Droitwich deservedly claimed all three points in a dominant display.

The U18's continued their impressive run of form in the MJPL last Saturday beating Pershore Town 4-3 in an entertaining encounter on the 3G at Kingy's. At 3-1 down with ten minutes to play (and not looking like scoring!) a dramatic finale shone a light on the teams character, drawing level with two quick fire goals , before, you guessed it, the goal machine Jesse Asoumogha tapped in from close range in the ninetieth minute after Harry Griffiths effort had come back off the post to win us all three points. Wednesdays game against Alvechurch in the MFYL was postponed, and on Saturday we performed another fantastic turnaround from 4-2 down to win 5-4 late on against League leaders and previously undefeated Beaumont Park. Tomorrow night (Wednesday 25th) we entertain Lichfield City in the League Cup at Kingys, 19:45 kick off.
