THIS WEEKS' FIXTURES

EDITORIAL

Good afternoon and welcome to Kingys for today's re-arranged Midland Football League Division 1 fixture against Chelmsley Town.

We welcome everyone associated with Chelmsley who have made the journey down, as well as the match officials and any groundhoppers that are with us – we hope you enjoy your visit and have a safe journey home after the game.

A couple more postponements to add to an already busy 2024 schedule mean that over the next two months we have 15 games to play, plus any play-off matches should we finish the season in 2nd – 5th position which is our minimum aim. It is looking to be yet another season when the lads will have to perform miracles, similar to the 2022 campaign when we won automatic promotion

with so many games in a short space of time; nothing is impossible!

Our visitors have had a torrid start to 2024, losing 5 and drawing 1 of their last 6 games, and on the road, with just 2 wins all season, the Saltmen will be clear favourites this afternoon where we have lost just 1 League game on our own patch. Town cannot be taken lightly however, and whilst they have an 11 point cushion above the relegation places but if they can't turn their form around soon then they could face a nery end to the season.

We'd like to welcome our mascots today Droitwich Spa Youth FC Chargers; we hope you all have a great afternoon with us.

Thank-you again for your continued fantastic support. Enjoy today's game and see you next Saturday when we are here again vs StapenhillUp the Spa!

Good afternoon and welcome to Kingy's.

A tough encounter awaits us in the form of Chelmsley who are currently going through a transition period but I'm sure it will be another difficult game to get through.

Again it has been a frustrating period with cancellations as we are just starting to find a bit of form, but on a plus note it helps with certain injuries and players returning to help us push towards the end of season and another successful one at that.

Like other teams, injuries have had a major influence this season and for us to be sitting 3rd with games in hand is a testament to the lads and depth we have as I can't remember a time that I have ever been able to pick from a full strength squad.

It looks like a big month ahead and we will just be ticking off each game as it comes and worry about the next after, in what is going to be an exciting finish to the season with around 7 or 8 teams fighting for the play-offs and trying to catch run away leaders Hinckley.

TODAY'S VISITORS

Chelmsley Town were founded by members of the Christ Church Bible Class in 1927 and played as Christchurch FC until 1968. The club played in the Handsworth League in the early years, and recent research has revealed that the clubs original home ground was Summerfield Park, Ladywood, until the War (when the club continued without a break) then moved to Rookery Park in Erdington. The club soon moved again, spending a 19-year period at Wallace Road, Selly Park before the 1st team moved Chelmsley Hospital, Marston Green. The club played in the Mercian League from the mid-sixties, winning the Premier Division in 1965 & 1967. In 1968 with the building of Birmingham's overspill city 'Chelmsley Wood', club Secretary Len Ward saw it advantageous for the club to change its name to 'Chelmsley Town'. Chelmsley joined the Midland Combination in 1972 and by 1988 had reached the Premier Division. The club also enjoyed a number of high profile friendlies in the 90's, with Birmingham City & Aston Villa visiting the Pavilion ground, where around 3000 spectators were present. In 1975 the club gained entry to the FA Vase for the first time. In 1996 floodlights became necessary to play in the Premier Division, and

despite finishing 11th the club were relegated as floodlights couldn't be installed. By 1999 Chelmsley were relegated to Division 2, with the club in serious danger of extinction. Current first team manager Steve Solomon's association with the club's senior team began here, a former player of the youth & junior section, he returned from a short spell with Coleshill Town's Youth team. In 2002/03, with just two active board/committee members remaining, Steve Solomon was offered the job as player-manager; at the tender age of 23. The club finished bottom of the league for the next 3 seasons, but the new manager had put in place a structure and ethos for the club which still exists to this day. In 2009 Chelmsley collected their first silver wear in 10 years by winning the Fazeley Charity Cup. 2011/12 saw Chelmsley promoted, finishing 3rd in Division 2, and won the Mid Comb Vase. A fire at the clubs home in May 2012, meant Chelmsley returned to Selly Oak for 2012/13, playing home fixtures at Northfield Town. The club returned to Marston Green for 2013/14, and after a couple of seasons of consolidation the club were promoted in 2016 to the Midland League Division One, after an absence of 20 years. The clubs new home is Pack Meadow, Coleshill, and the club have an agreement to play its home fixtures there for the foreseeable future. Well known former players are Ellis & Troy Deeney, the latter moving directly from Chelmsley to Walsall in 2006. He still regularly attends Chelmsley home fixtures.

1

Droitwich Spa earned a second successive home victory after a hard fought battle with mid-table Coventry Copsewood. In a cagey first half it was the visitors who took the lead when on 15 minutes Eden Mukenge broke the offside trap, cut inside and finished well with just Sayer to beat; this being the first effort on goal from either side in a drab opening on a difficult surface. The Saltmen replied when Manuel was equal to Connor Collins' 18th minute effort, but the Copsewood 'keeper could do nothing about a screamer of an equaliser from Josh Hurdman on 23 minutes. Spa's playmaker picked the ball up, took a touch and from 30-yards hit a sublime effort into the top corner to draw the home side level.

The first half continued in the same fashion, with the only effort of note being a long range Nathan Binner effort which narrowly missed the target.

what prove to be the winning goal just 2 minutes before the half time kick from the half way line was flicked on by Collins, and a defensive lapse

allowed Perry Moss all the time in the world to stroke home into the far corner from close range. The second half was much more entertaining as both sides created numerous opportunities to add to the scoreline; the first chance fell to Hurdman on 46 minutes who fired over after some neat build-up play between Collins, Moss and Binner. Just 2 minutes later though Copsewood should have drawn level as Harvey Wells' powerful effort from yards out was somehow kept out by Ollie Sayer. Copsewood spurned further excellent chances for Mukenge and Ellis but some wayward finishing ultimately cost the visitors at least a share of the spoils.

Droitwich managed the game well and could have extended their lead through free kick's from Brighton and Binner, as well opportunities for Cory Rudd, Alex Dugmore, Herdsman, Moss & Woodall. The Saltmen did have the ball in the net for a 3rd time deep into injury time after Copsewood committed all men forward (including 'keeper Manuel) and Dugmore broke away, but after squaring to Hurdman to tap into an empty net, after deliberation the linesman flagged for offside.

A very positive couple of weeks for the development sides.

The under 21's got back to winning ways in the MFL with a 1-0 away victory over Leicester F&E Academy, the all-important strike coming from Will Dallaway.

Following that up with an impressive demolition of Diamond Academy, 6-1, thanks to goals from Hawkett (2), Athey, Tierney, Ofori & Barnes.

The MJPL U18's had probably the best win of the three teams by beating a very strong Rugby Borough outfit 5-1 at Kingys. Goals from Jake Tew (3) & Jesse Assomougha (2) wrapping up the three points, but unfortunately going down a week later at Atherstone Rangers to undo all their good work from the Rugby game.

The Floodlit U18's had a comfortable passage into the Semi Final of the Hereford Giant Killers Cup beating Cheltenham Saracens 4-0. Goals from Liam Livesey, Harry Griffiths, Dan Barnes & Jesse Asomougha sealing the win.

A visit to Redditch United on Friday night saw the lads go top of the MFYL Southern Division in their debut season with a hard fought 2-1 victory. Goals from Kyle Shaw & Ben Taylor.

At the weekend the Under 18's are in County Cup action at home to Crowle Searchers (ko 10.30am) and the Under 21's have a week off.

Big season defining games coming up, any support would be appreciated.

DEVELOPMENT UPDATE

MFL DIVISION 1 REVIEW

Rhys Beardmore for
www.midlandfootballleague.co.uk

AFC Bridgnorth 3-3 Heather St John's

The hosts were on a run of five consecutive losses coming into this match, so a draw is a welcome result to build some confidence.

Heather St John's had to come back from behind twice to get a point at Bridgnorth, leaving the Leicester side 4 points off the play offs with a positive goal difference of plus 18.

Hinckley AFC 4-0 Coventry Copsewood

Hinckley extended their lead at the top of the table with a convincing win against Coventry Copsewood at Kirkby Road. An excellent crowd of 390 supporters turned up to watch Hinckley's 10th home win of the season; a club record attendance. The win creates a 15-point gap over Ingles in 2nd who had their match postponed at the weekend.

The hosts took a 1-0 lead thanks to a goal from Isa Abrahamu on the 19th minute. Then three second half goals from Lewis Rankin, Kyron Green & Jack Edwards sealed a 4-0 win. From a Coventry Copsewood perspective, despite being comfortably in mid table, they could have a big say on

the play offs with upcoming fixtures with Allscott Heath & Wednesfield.

Paget Rangers 1-2 Bilston Town

Bilston got a crucial win against Paget Rangers at Coles Lane at the weekend to keep their play-off push on track. The win leaves the Steelmen in 6th.

The visitors started the match well and took a 2-0 lead thanks to first half efforts from Soms Sibanda and Adam Nazir. Paget got a goal back to set up a nervy finish, but the Steelmen held on for the three points. Paget were close to getting something from this match which offers them hope before a huge match against Wolves Sporting.

Smethwick Rangers 3-2 Nuneaton Griff

Smethwick got an fine win against Nuneaton Griff in front of 44 supporters for the 3rd home win of the season. They are 8 points off Wolves Sporting in 17th.

A brace from Callum North and an effort by Jake Wilkes gave Smethwick the three points. It's been a tough month for The Heartlanders, but they are comfortable in mid table with a 13-point gap over the bottom three.
