EDITORIAL

Good afternoon and welcome to Kingys for today's Midland Football League Division 1 fixture with OJM Black Country.

We welcome everyone associated with today's visitors, as well as the match officials and any groundhoppers that are with us – we hope you enjoy your visit and have a safe journey home after the game.

After three straight wins at home, the last of which being in particularly impressive fashion, coupled with several players returning from injury and debuts for two new signings, confidence around the club feels like it is up once again. The play-off picture is as tight as can be, as Allscott won at Ingles mid-week to go level on 52 points, then just 6 points separate the next 8 teams!

We are going to have a busy and decisive March with our

next 4 games all against direct play-off opposition!

OJM have been the best side we have played all season, and we were fortunate to come away from the Triplex with a point earlier in the year. They were impressive 1-3 winners at leaders Hinckley last week-end, and unfortunately lost on penalties at Premier Division side Stone OA in the League Cup on Tuesday. OJM look a good bet to be in the Play-offs for the 2nd season in a row, having lost just 2 of their last 18 games, so we know we will be in for a difficult afternoon.

We have two testing away games this week; on Tuesday we travel to Leicestershire to face 2nd placed Ingles (ko 7.45pm) and next Saturday the short trip to Cradley Town, who are 9th (ko 3pm) before on Tuesday 12th back at Kingy's against Allscott (ko 7.45pm). We hope to see you again soon....Up the Spa!

Good afternoon and welcome to Kingy's for what promises to be a very tough encounter against DJM, even more so after their big win last week away at leaders Hinckley.

They have been on an amazing run away from home in the league not losing since the end of August last year so potentially we have a cracking game on our hands especially after the reverse fixture finished 3-3.

Again the weather has played its part in another cancellation last weekend which has been frustrating and now we have a massive month ahead of us, playing every team in and around us so this will definitely map out where we are going to be come the end of the season. *Andy Crowther* DSFC Manager

MATCH REPORT

Spa started the game quickly and could have been 2-goals up in the opening 5 minutes. Nathan Binner's free kick was millimetres from being headed in by Cory Rudd then Josh Hurdman found the side-netting from close range. It was the visitors however who took the lead when a hopeful ball hoisted forward found Town's top scorer Oliver Jeeves who capitalised on a ricochet off the on-rushing Sayer to tap in to an empty net.

The lead lasted just 3 minutes as Binner was felled in the visitors' penalty area and Connor Collins stepped up to score from the penalty spot with just 8 minutes on the clock.

Cory Rudd then struck a trademark thunderbolt wide from 20-yards, but on 13 minutes the same player scored an uncharacteristic header from Binner's kick for his 2nd goal of the season.

Charlie Tilley's curling effort finished just the wrong side of the post before Chelmsley 'keeper Liam Moss brilliantly denied Binner by tipping on to the cross-bar, and again 2 minutes later when he turned Spa's Perry Moss's effort around the post.

It was one way traffic, and on 29 minutes Josh Hurdman scored the goal of the game for a 3-1 lead. Collins then scored his second of the afternoon after Perry Moss's incursion and cross gave him a simple tap-in. Just before half time Moss came to the rescue again to deny Collins when through one on one.

After the re-start Collins netted his hat-trick with another close range tap-in. Chelmsley were then reduced to 10-men when Harry Manton was shown a straight red card for dissent. Debutant Richard Smith almost made an instant impact when setting Hurdman through, then Moss produced a fine one-handed save to deny him a debut goal. From the resulting corner, Dugmore connected to give Droitwich a 6-1 lead on 67 minutes.

Smith was again frustrated by Moss, twice, and Hurdman couldn't find the target after good work from another new signing, Lucas Edmonds, down the right. Both new signings could have got their names on the score-sheet on the 79th minute, as Edmonds hit the cross-bar from close range, Moss saved Smith's follow up and Hurdman blazed over the bar. Chelmsley did manage a second goal through Chatwin on 85minutes, but there was still time for Droitwich to spurn three more good chances for Edmonds (twice) and Hurdman.

DEVELOPMENT UPDATE

Another positive week on the grass for the U18's. On the back of reaching the semi final of Herefordshire County Cup the lads have booked two more semi-final spots.

Firstly the Saturday Worcestershire County Cup with a smooth passage past Crowle Searchers, and the Worcestershire Floodlit County Cup beating Malvern 4-3 on penalties in the Quarter Finals after a hard fought 2-2 draw in normal time.

On Monday we made the short trip to Worcester City in the MFYL coming away with a well-deserved 3-1 victory putting us four points clear at the top of the table, goals from Barnes (2) and Kyle Shaw.

By far our biggest game of the season was on Thursday when we visited Southern Premier Division outfit Inkberrow in the semi-final of the Giant Killers Cup. Unfortunately the contest was lost 4-1, however we are punching well above our weight; Inkberrow being in a superior Division and they certainly did not have an easy evening with the scoreline flattering them.

The U21's travel to Brooke House in Lutterworth in the MFL looking to build on back to back league victories, and the Under 18's hosted Sporting Khalsa this morning in the MJPL.

John Neeson, DSFC Under 21 Manager
