THIS WEEKS' FIXTURES

MFL DIVISION 1

Chelmsley Town v OJM Black Country

Shawbury United v Coton Green

EDITORIAL

Good evening and welcome to Kingy's for this Midland Football League Division I fixture with Cradley Town.

We would like to take this opportunity to welcome everybody associated with "The Hammers" to Worcestershire this evening, as well as tonight's match officials, our own supporters and any groundhoppers who may be visiting us; we hope you all enjoy your time with us and have a safe journey back after the game.

It has been a difficult couple of weeks for us off the pitch, however the players and management team have done really well to not let this (visibly) affect them.

We endured a very tough fixture last Wednesday at a vastly improved AFC Bridgnorth, who provided us a stern opposition; in my opinion at a ground where not many sides will come away with maximum points this season. We could be pleased to come away with a draw, which was probably a fair reflection of the proceedings.

On Saturday, and after 15-years of following the Saltmen, I have never witnessed such a dominant I-D victory for us which came at Paget Rangers; a side that we have always struggled against on the road.

We dominated the game with so many chances and thoroughly deserved all three points. Cory Rudd, Scott Braiden-Smith, Sam Hurdman and James Lemon are now returning to something like full fitness after holidays / injuries / suspensions, yet we still have three players on the treatment table in Jack Davies, Dom Rogerson and Niall Doherty – the latter is yet to make a competitive appearance for us yet, but we wish them all a speedy recovery & hope to see them back soon.

This evenings' visitors have made an excellent start to the campaign, but were surprisingly defeated at newly promoted Allscott Heath on Saturday (3-1). With three wins from four so far, Manager Paul Madders has done a fantastic job since coming in towards the end of last season; firstly he steered Cradley to safety having been marooned at the bottom, and this season their early season form sees them as contenders for the play-offs.... May the best team win!

On Saturday, we are at home again in a momentous occasion – it will be the first time that Droitwich Spa has hosted an FA Vase game! We welcome Bilston Town to Kingys in the 1st Qualifying Round (ko 3pm) and we hope to see you all there! Up the Spa!

NAME ANY FIVE PEOPLE YOU WOULD INVITE ROUND FOR A MEAL:

Bukayo Saka, Thierry Henry, Mikel Arteta, Pep Guardiola, Lionel Messi

FROM THE DUGOUT

Good evening and welcome to Kingys for another tough encounter.

After what has been an emotional and tough couple of weeks, the lads have got back on track and picked up a big 3 points away at Paget on Saturday.

Tonight we welcome a Cradley team who have had an impressive start, picking up from where they finished off last season.

We haven't hit the heights of pre season yet but with important & experienced players starting to return, you can see it will only be a matter of time before the clogs start ticking.

I hope everyone enjoys what will be another exciting game here at Kingys.

Andy Crowther, DSFC Manager

TODAYS' VISITORS

Cradley Town was formed as a result of a merger between Albion Rovers and Haden Rangers in 1970. These two clubs had a history dating back to 1944. Albion Rovers had put in some hard work at the private Beeches View Ground in Cradley and this, combined with Rangers ability to attract quality players, provided the platform for immediate success. The original name was Albion Haden United, but this was soon changed to Cradley Town.

The first Season 1970/71 saw the Club win the Premier Division of the Metropolitan League, with Bobby Beasley and Jim Nugent scoring 85 goals between them.

The Club was elected to the Midland Combination in 1971 and they stayed there for 12 seasons winning the Division Two title in 1972/73 and finishing runner up in 1975/76 and 1977/78. They won the Presidents Cup 2 seasons running.

The Club was frustrated in their attempts to get into the Premier Division because the pitch was too narrow. Much time and effort went into widening the pitch, Erecting a bar & stand, enabling the Club to take its place in the Midland Combination Premier Division in 1980.

In 1983 Cradley moved to the West Midlands (Regional) League Premier, finishing bottom in the first season relegated. They spent the next 7 seasons in Division One before they won the championship in 1990/91 and were promoted to the Premier Division.

Despite the return, it seemed the Club might fold when the owners quit mid way through the season 1991/92, but a share of the transfer fee for John Williams (the Football League sprint champion) made the Club solvent again. Cradley have had a number of players who have progressed to the Football League including the tragic Alan Nicholls (Plymouth Argyle), John Williams, Jon Ford, Andy McFarlane (all Swansea City) and Duane Darby (Torquay United). The Hammers enjoyed nationwide media attention when the then Chairman and Under 16s manager Kevin Cullis sensationally sold the Club in 1996 to take over as manager at Swansea City. His reign lasted seven days. Current Chairman Trevor Thomas then took over the running of the The Hammers and in 1998/99 decided to manage the first team as well. Cradley subsequently enjoyed its best ever season, gaining promotion from the West Midlands (Regional) League to the Midland Football Alliance and reaching the final of the Banks' League Cup. The Hammers spent 11 years in the Midland Alliance, but were eventually relegated after the 2009/10 season. Back in the West Midlands (Regional) League Premier Division for 11 seasons, Cradley enjoyed reasonable success, finishing 8th on four occasions. The club won the Premier Division League Cup in 2014-15 against Wellington FC. After a lateral move to the Midland Football League Cradley finished 15th and 16th so will hope to improve on that this season under the joint managership of Aaron Morris and Andrew Thompson who stepped in to save the club from relegation half way through last season.

MATCH REPORT

2

2

The Saltmen came away from Crown Meadow with a point on a fine Wednesday evening in Shropshire, from a cagey affair against an Bridgnorth

The hosts started the game quicker; within 2 minutes Matt Dean came close after an incursion down the right hand side.

The Saltmen gradually got in to the game and had a spell of 20 minute dominance, however were unable to create any clear cut chances.

Alex Dugmore came closest with a near post header that went narrowly wide whilst Collins tested Ryan Cheshire in the home goal and Perry Mass had his goal ruled out for offside.

The momentum swung back to the home side though, and Dean's long range effort went narrowly wide having found Chadwick off his line, then Captain Charlie Swingwood's effort hit the crossbar after a deep corner before Bridgnorths' most dangerous player on the night, Luke Morris, broke the offside trap but was denied by the feet of Joel Chadwick.

The deadlock was broken by the Shropshire side on 42 minutes when the ball fell kindly for Morris after some hesitant defending with Spa pushed high up the pitch. The winger brought the ball forward before releasing a tidy finish in to the bottom corner.

Droitwich started the second half on the front foot, and Perry Mass almost evened up the score-line on 48 minutes, however just 3 minutes later Connor Collins out-muscled his marker to run on to a through ball which he got to just ahead of the onrushing Cheshire to stab in to the top corner to equalise.

Substitute Roland Krol made an almost instant impact when his effort forced a diving save from Cheshire, and from the follow up Charlie Tilley's low drive narrowly went the wrong side of the post.

Luke Morris then had a great opportunity to re-take the lead for his side when through one-on-one, but his early effort went wide of the mark.

Then Charlie Tilley's effort was well saved again by Chadwick, but on recuperating the loose ball, the Spa midfielder was clumsily taken down and the match official pointed to the penalty spot. Connor Collins made no mistake to give Spa the lead for the first time of the evening with 15-minutes remaining.

Unsurprisingly Bridgnorth pushed for an equaliser and they didn't have to wait long to get it; a hopeful ball hoofed forward was mis-judged by Chadwick, Morris crossed into the area and in a desperate attempt to clear the ball, Lewis Phillips fouled in the area and the referee once again awarded a spot kick.

Veteran Mark Danks stepped up and made no mistake sending Chadwick the wrong way on 80 minutes.

UNDER 18 UPDATE

It is a big commitment by Droitwich Spa Football Club to take a young development side under their wing, as well as bringing the hugely successful Under 21's under the stewardship of the first team; a number of last season's U16's Trojans have made their Under 21's debuts already this season which is testimony to the talent coming through this fantastic football club and the generosity and forward thinking of Wayne Oliver, Rob Lamb and Mark Bowen.

On the eve of a new season, a lot has happened behind the scenes for last year's successful Under 16's Trojans,

Assistant Manager Paul Levy has stepped down after 8 mostly successful years and Nick Dolphin and Pete Shaw have joined the coaching team as the newly formed U18's

start a two-pronged campaign for the 23/24 season,

The Under 18's will be playing on Saturdays in the MJPL and mid-week in the Midland Youth Floodlit League.

The first midweek fixture is at Kingys tomorrow night (Wednesday) against Worcester City (19:45 kick off), it would be great if you could show your support for the young Saltmen.

On the playing front we bowed out of the FA Youth Cup last Monday losing 3-2 in a closely contested away game against Bedworth United, and after the midweek home game against Worcester City the team travel to Pack Meadow home of Coleshill Town on Friday night to take on Sutton Coldfield Town in the MJPL Charity Shield. *John Neeson, DSFC Under 18's Manager*
