## THIS WEEKS' FIXTURES

## EDITORIAL

Good evening and welcome to Kingys for tonight's Worcestershire Senior Cup 2<sup>nd</sup> Round fixture with Worcester City.

We welcome everyone associated with tonight's visitors who have made the short trip up the A38, as well as the match officials & any groundhoppers – we hope you enjoy your visit and have a safe journey home.

After a forgettable 2022-23 campaign, this season City have excelled since their move to the Hellenic League Premier Division, and after substantial investments and improvements our near neighbours have suffered just two defeats in all competitions (both of them coming at Claines Lane), having just qualified to the next round of the Isuzu FA Vase with a 1-3 win at MFL Premier Division side Wolves Casuals. That was their 11<sup>th</sup> straight win! Needless to say we have to be at our best to get anything from this evening's Cup tie; our biggest test to date, to be in with a chance of being pitted against another of our Counties' big names in the next round.

After almost 3 weeks off, we looked a bit rusty on Saturday against a well-organised Nuneaton Griff, but we didn't play badly and can be satisfied with a draw even if the result did knock us off top spot in the League. Looking at the positives, we extended our run to 8 games unbeaten, with 7 wins. It's still in our own hands as we have a game in hand on Hinckley, but the games don't get any easier; next we visit in-form Coventry Copsewood for our first away game since 7<sup>th</sup> October! We've been given a tough away draw at Cradley Town or Highgate United in the League Cup, whilst the Chelmsley Town game will be played on 5<sup>th</sup> December (ko 7.45pm) here at Kingy's, being our next home game....meanwhile we are still awaiting a date to be confirmed for our re-arranged trip to Ingles We hope to see an entertaining match this evening and may the best team win. And to Worcester City, after tonight, all the best for the rest of the season; we hope to see you up in Step 4 in 2024! .....Up the Spa!

## SALTMEN WORLDWIDE!

A few weeks ago, a group of students from Droitwich Spa High School visited the Ramjas International School in Puram, India, and during their stay donated a DSFC Flag to the school which will be on permanent display!

Until now, our online club shop has sold items as far afield as Australia and South Africa, there are several clubs scarves at various bars around Europe, and this evening we expect to have in attendance a visitor from the United States of America, who will also be attending his first ever football (soccer!) match!

Good evening and welcome to Kingys for another tough game for the Spa.

Saturday just gone was a difficult game against a Nuneaton Griff team who stuck to their game plan and made it difficult for us.

You can see that having 2 weeks off didn't help, as we looked sluggish and our normal high tempo was missing, but in the end we blew away the cobwebs and gained a valuable point to keep the unbeaten run going.

On to tonight in what is going to be our toughest game so far this season against a very strong Worcester City team who are sitting top of their league and on a very good run of results.

We are going to need to be at our best tonight to get anything out of the game but I'm sure the lads will put in a shift.

## TONIGHTS' VISITORS

Worcester City Football Club was formed on 9th September 1902 when another Worcester-based club, Berwick Rangers, went into liquidation. The Birmingham League agreed to let City take over Rangers' fixtures, and the Club moved to St. George's Lane in 1905.

City's first honour was the Worcestershire Senior Cup, which was won for 6 successive seasons; 1908 - 1914, and in the final season before World War I a Birmingham League and Senior Cup double was achieved. City began to attract some quality players and surprised everybody by winning a second Birmingham League title in 1924/25.

For 1928/29 City appointed Frank Womack & clinched the title with ten wins out of their last eleven matches. Joe Smith, an ex-England and West Bromwich Albion player took over for 1929/30 and won the title again, City scoring an incredible 153 goals in 34 games. Billy Boswell scored 6 goals in 1 game; a club record he still shares.

Although crowds flocked to the Lane when football returned after the war, there was little success until 1957/58, when under player-manager Roy Paul, City took Aldershot to a second replay in the F.A. Cup First Round, going out at St. Andrews, Birmingham in front of a crowd of 22,926 - a record for a City game. The following year, City defeated Liverpool in the FA Cup at the Lane before losing to Sheffield United in

front of a record home crowd of 17,042 in Round 4.

City nearly went out of business in the early sixties, but in 1976/77 the Southern League Division I North was won, with City gaining 69 points from a possible 76 and losing only one League match - the final one!

Two years later, the Southern League Premier Division title was won for the first time. City's biggest home crowd in the Southern League since 1966 - 7,386 - turned up against Kettering to see City win the championship & for a short while City were regarded by many as the best non-league club in the country.

In 2004 City became founder members of the Conference North and in 2005/06, City reached the second round of the F.A. Cup, losing 1-0 to Huddersfield Town at the Lane in a game televised live on the BBC.

27th April 2013 was the final match at St Georges Lane, against Chester FC in front of 4,027.

Worcester City FC ground shared at Aggborough for 3 seasons during which time City defeated a Football League Club away from home for the first time; a 1-2 win at The Ricoh Arena v Coventry City.

The club then moved to Bromsgrove Sporting. On the Pitch, they were relegated from the Vanarama Conference North but the Club dropped down 3 Leagues as the Board opted to resign from the League.

Planning Permission for a ground at Perdiswell was refused, but City moved back to Worcester, at Claines Lane in 2020. After several years in the MFL Premier Division, City now play in the Hellenic Premier League.

## UNDER 18 UPDATE

At the time of writing, a trip to Malvern Town (Monday, yesterday) in the MFYL was on the horizon, the second game in three days after picking up a creditable 3-3 draw away at high flying Rushall Olympic in the MJPL.

Two goals from Liam Livesey and one from Kyle Shaw keeping us in second place in the league.

The biggest dilemma facing a grass roots coach with such a short turn around between games isn't the fitness of players or availability due to work commitments it's whether or not the kit can be washed and dried in time!

The young Saltmen have some huge season defining games coming up over the next couple of weeks.

Our next game is at Nunnery Wood at Home in the County Cup this coming Saturday on the 3G here at Kingy's (11:30 ka).

Then we face Pershore Town, who are the current leaders of the MFYL next Wednesday 22<sup>nd</sup> November (19:45ka)

This is then followed by a visit to current MJPL leaders Telford United on the 25<sup>th</sup>; Bring them on!

All support would be welcomed and entry to our Saturday home games is free.

Droitwich Spa fought back to claim a point against a very well organised Nuneaton Griff at Kingy's on Saturday, to make it 8 games unbeaten.

Most of the Saltmen XI aligned for the fixture hadn't played for 3 weeks, however the first chance fell to Perry Moss in a when on 9 minutes he fired over from the edge of the box. Two minutes later, a quickly taken free kick down the left saw Tilley's drilled low cross narrowly evaded the onrushing James Lemon.

The visitors replied shortly after as leading scorer Nathan McGarrity's attempted chip didn't fool Chadwick. On 20 minutes the Spa stopper somehow tipped Archie Gallagher's close range corner bound effort around the post.

Droitwich then felt they had a good claim for a penalty but Nathan Binner was shown a yellow card for simulation. The Heartlanders' keeper Dale O'Donnell was called into Making his only noteworthy save of the game, as Lemon teed up Molloy, whose drive from the edge of the area was palmed wide. **Half time 0-0**

Griff took the lead on 53 minutes as the Droitwich defence seemingly switched off, the ball found its way to Dan Edmonds who burst into the box with just Chadwick to beat, and he made no mistake to roll the ball into the bottom corner.

Edmonds could have doubled the guests' advantage just 3 minutes later but Alex Dugmore was there to scramble the ball off the line.

Droitwich spurned numerous chances from promising positions as Lemon, Binner and Moss were all off target as the Saltmen turned the screw, but Spa failed to break down an almost unflappable defence, despite winning against the same opposition 0-6 just over a month ago!

Spa drew level when a corner was flicked on to the back post and Charlie Tilley was there to stab home with 13 minutes remaining.

From the next attack, Droitwich were indebted to Chadwick again who produced an unbelievable save to deny Edmonds' powerful close-range drive by tipping on to the cross-bar which ensured that the two teams were made to share the spoils.

Newland  
Hurst

Newland Hurst is a charity founded in 1978 by a group of parents of young people with learning disabilities.

Our aim is to offer our residents security, support, care, warmth, and fellowship, as well as the opportunity to learn and develop through experience, all while being active and visible members of the local community.

Our residents can often be seen in the stands at home games (come and say hi!). You may also see us holding a woodcraft stall at the local charter market on Fridays.

We all live and work in a large property just out on the Tagwell Road and have a hall for hire at very reasonable rates for local people. Please see the below contact details if you would like to know more.

Many of the residents and staff team love sport generally, but are most passionate about football. We're honoured to be able to sponsor Droitwich Spa FC and 3 young players.

All at Newland Hurst have the upmost respect and love for what the club is doing for the game, all the young people taking part on the pitches and the local community as a whole. Come on you Salt men/women!
