## THIS WEEKS' FIXTURES

## EDITORIAL

Good afternoon and welcome to Kingys for this historic occasion in Droitwich Spa – the first time that our town has hosted an Isuzu FA Vase fixture.

Today's visitors Bilston Town (to whom we would like to welcome everyone connected with "the Steelmen") ,have in the 1992-93 season reached the Quarter Final of the Vase; their best performance to date. They lost out to Canvey Island, but in recent years haven't progressed past the 2<sup>nd</sup> Qualifying Round.

As for ourselves, this will be our 4<sup>th</sup> foray in the competition, but our first involvement since 2019-20, when we reached the 2<sup>nd</sup> Round proper. Back then we were tenants at Stourport Swifts.

We last met Bilston 10 days ago, and in an entertaining

League fixture, Spa ran out 5-3 winners. Since then the Saltmen have recorded 2 wins and a draw and have looked a lot more settled defensively. Meanwhile the Steelmen have won their last two games having lost their first 3, and both clubs should be full of confidence coming in to this encounter.

Today's winner faces an away trip to Ashby Ivanhoe in the 2<sup>nd</sup> qualifying round. The Knights have had a great start at step 5 and haven't lost a game yet.

Our next game is on Bank Holiday Monday at Coton Green (ko 3pm). We are next at Kingys on Saturday 9 September when newly promoted Sutton United are the visitors. Enjoy the game today and .....Up the Spa!

The **Football Association Challenge Vase**, usually referred to as the **FA Vase**, is an annual football competition for teams playing in Steps 5 and 6 of the English National League System (or equivalently, tier 9 or 10 of the overall English football league system). With two qualifying rounds preceding 7 proper rounds, semi-finals (played over two legs) and the final is played at Wembley Stadium.

The holder are Ascot United, who beat then reigning champions Newport Pagnell Town 1-0 at Wembley Stadium.

In 1974, the Football Association abolished the the FA Vase for the majority of clubs who had previously played in the competition. Well over 200 clubs entered in the first season, 1974-75, when Huddesdon Town of the Spartan League beat Epsom & Ewell of the Surrey Senior League 2-1 in the final at Wembley Stadium before a crowd of 9,000.

In September 2021 Hinckley AFC set a new record score in the competition, beating St Martins 18-0.

## TODAYS' VISITORS

The Club was founded in 1894, when Bilston Wanderers and Bilston Rovers amalgamated to form Bilston United FC, and played their home games at Prouds Lane playing fields.

In 1921 the Club moved to its present 'home' at Queen Street, the first ever game there being against Tamworth Castle.

Six years later the Club went bankrupt, with the ground being sold to the local education committee, with the proviso that as long as there was a Town team, they would be allowed to use Queen Street. The ground is now owned by Wolverhampton Council.

Less than a year later the Club was reformed as Bilston FC and returned to Queen Street, playing in the Walsall Senior League.

In 1931 the Club changed its name to Bilston Borough, but in 1949, after the end of the War, reverted back to the name of Bilston FC, and entered into a rich period of success, winning the Walsall League & Senior Cup twice, the Walsall Challenge Cup and the Express & Star Cup.

The early 60's was one of the most successful periods in Bilstons' history, winning the Staffs Senior Cup & Walsall Senior Cup for 3 consecutive years. In 1968 Bilston reached the First Round of the FA Cup, losing 1-3 at home, to Halifax, with 4,300 packed inside Queen Street.

In 1972-73 Bilston won the West Midlands League & Cup double, reaching the 2nd Round of the FA Cup, losing 0-1 at home to Barnet after a 1-1 draw away.

In the early 80's, when the Club won the Wednesbury Charity Cup four times in five seasons. In 1983 they changed their name to Bilston Town FC and in 1985 gained promotion to the Southern League Midland Division.

In 2001 the Club missed out on promotion to the Conference South by a single solitary point to Tiverton, and following that disappointment entered into a downward spiral of fortunes that eventually saw them go out of business in 2005, due to debt & vandalism at the ground the Club was unable to complete the 2005 season and in theory ceased to exist.

The Club was reformed in 2007 and entered into the West Midlands League Division Two, playing 'home' games at Bantock Park while Queen Street was refurbished, returning in 2008 having won promotion to Division One.

In 2012-13 the Club won promotion back to the Premier Division. In 2013/14, the club won the Smedley Crooke Memorial Challenge Cup

In 2015/16 the club just escaped relegation after a torrid end of season run with a number of first team players refusing to turn up for the club and it was left to the youth team to step in and ensure the fixtures were completed.

Fortunes improved in 2016/17, finishing 15th, while beating Port Vale's Academy side in the Staffs Senior Cup.

In 2017 the club received the Queen's Award for Voluntary Service, and are rightly proud of all those who work behind the scenes to keep the club and its community work at the forefront.

The club kicked off the 2021/22 season in the Midland Football League Division One and finished 7<sup>th</sup>, followed by a 6<sup>th</sup> placed finish in 2022-23.

## UNDER 18 UPDATE

### MATCH REPORT

#### Droitwich Spa U18's 7 Worcester City 0

A comfortable opener for the 18's in their first outing in the Floodlit League against local rivals Worcester City in front of 76 spectators at Kingys.

Controlling the game from the start the only thing missing was a goal, some tentative finishing from excellent service saw us huff and puff with no reward.

The opener when it came was exactly as we would have liked, Skipper Nest overlapping onto a through ball and rifling a low cross for Cian to fire home it was no more than we deserved and we never really looked back.

An own goal two minutes later from a Jack Carter cross gave the half time teamtalk a different look and the message was about not being complacent, the next goal would be important.

The third goal on the hour killed the game as a contest, another full back involvement as Shelton fired across the keeper after a delightful through ball from Barnesy.

Our last four goals were all individual efforts, Kyle Shaw firing home from close range after Cian's deflected shot came back off the bat; Jake with the goal of the game after a cut inside and an absolute rocket into the bins. Our last two were put away by Jesse who only seems to score in pairs, the first was a solo run and cool finish and the second of his two was similar in its execution.

**"I couldn't have wished for a better start to the Midland Floodlit Campaign.**

**Four full back involvements in the goals, which is a reflection of how we set our game plan up and all of our second half goals came from the bench. The injury to Charlie Williams took the gloss off the evening and we all wish him the very best and hope he's back on the grass as quickly as possible.**

**Thanks to everyone who supported the boys tonight both on and off the pitch.**

**The Football Club deserves a lot of praise for the help behind the scenes to enable these games to take place."**

*John Neeson, DSFC Under 18 Manager*

We've had a solid start to the season so far in the Under 21's.

Two decent home wins against Diamonds Academy and Sutton United gives us 6 points from our opening 3 games.

The only disappointment came in the way of a defeat away to current league leaders Kidderminster Harriers who have been victorious in all of their opening 3 fixtures.

We've had some stand out performances across the 3 early fixtures and there's a lot of encouraging signs so far.

*Jamie Wall, DSFC Under 21 Manager*
