THIS WEEKS' FIXTURES

EDITORIAL

Good afternoon and welcome to Kingys for today's Midland Football League Division 1 fixture with Heather St. John's.

We would like to take this opportunity to welcome everyone associated with Heather who are making their first ever visit to Droitwich, as well as today's match officials and any groundhoppers that are with us – we hope you enjoy your visit and have a safe journey home after the game.

We made it 3 straight wins last weekend with an amazing 0-6 victory at Nuneaton Griff, which exceeded everybody's expectations from a tough away day at an in-form side. Other results went our way meaning that a decent gap is opening up between ourselves and 6th, whilst being just 1 point off the top.

Our visitors today are back in the Midland League after 2 seasons in the United Counties League. Last season Heather finished 2nd bottom and were relegated and moved back across. After a promising start winning their first 3, they have been in and out of form, last weekend losing 1-4 to OJM Black Country at St Johns Park. They will provide strong opposition for us no doubt, and top scorer Kyle Jardine who also has experience higher up the pyramid has netted 9 goals in 10 appearances!

Finally, we would like to welcome our mascots today; Droitwich Spa Raiders Under-11s. We hope you, and everyone in attendance have an enjoyable afternoon and may the best team winUp the Spa!

Good afternoon and welcome to Kingys for the first of 4 games at home.

The lads are hoping to continue their good form especially after last week's big result at Nuneaton Griff which isn't an easy place to go to.

We controlled the game from start to finish and to score 6 and not concede was very pleasing. It was the first performance this season where we put a full 90 in and reap the benefits.

With players missing it also showed that the strength in depth we have this season is a force. What is even more pleasing is seeing a couple of the U18s stepping up when needed and not looking out of the place at all. The future is looking very bright for Droitwich Spa FC.

Onto today's opponents who have had a mixed start but have shown they can mix it with the best in this league on their day so it will be another tough game.

I'm hoping the lads can carry on their form and keep the points at home to keep the pressure on Hinckley.

FROM THE DUGOUT...

TODAY'S MASCOTS

Everyone at Droitwich Spa FC would like to welcome today's mascots, Droitwich Spa Raiders Under-11s, managed by Roger Dale

Roger has been coaching with the Boys & Girls club since 2009, and since the redevelopment of Kingys his enthusiasm for coaching has propelled further and says that he feels lucky to have the access to such great facilities. He is a regular at 1st team home games and enjoyed many great performances over the last season. Raiders play in the 9v9 Mercian League which is challenging but enjoyable. All of the coaches are present this afternoon along with the squad of 14 players who are very keen to learn. They look forward to a great afternoon and a Spa win!

TODAYS' VISITORS

The club was established in 1949, with the name taken from a local church. They joined the Coalville & District League, and were promoted to Division One after winning Division Two in 1955-56. The club went on to win the Division One title the following season. They were league champions again in 1965-66, 1969-70 and 1970-71. In 1973 the club moved up to Division Two of the Leicester & District League, and were promoted to Division One in their first season in the league. They then became a yo-yo club; relegation to Division Two at the end of the 1976-77 season was followed by promotion back to Division One in 1980. The club were relegated again in 1980-81, promoted back to Division One the following season, and then relegated back to Division Two again at the end of the 1983-84 season. Heather were promoted again in 1986-87, only to be relegated in 1989-90. Although they were promoted back to Division One at the first attempt, they were relegated again in 1995. Following promotion to Division One in 1996-97, the club were promoted to the Premier Division for the first time at the end of the 2000-01 season. They went on to finish as Premier Division runners-up in 2001-02. After finishing second the following season, the club were promoted to Division Two of the Midland Combination & changed name to Heather Athletic. Despite finishing 5th i, the club were promoted to Division One.

In 2006-07 they finished sixth in Division One and were promoted to the Premier Division; at the end of the season they reverted to their original name. The club were Premier Division runners-up in 2009-10, also winning the Leicestershire and Rutland Senior Cup (with a 1-0 win against Thurmaston Town in the final) and the Tony Alden Memorial Trophy. After retaining the Senior Cup and winning the Premier Division the following season they were promoted to the Midland Alliance.

The club finished bottom of the league in 2013-14, and as the league merged with the Midland Combination to form the Midland League, they were placed in Division One for the 2014-15 season.

Heather St Johns won the Leicestershire and Rutland Senior Cup for a third time in 2018-19, defeating Melton Town on penalties in the final.

The season also saw them win the Division One title, earning promotion to the Premier Division.

At the end of the 2020-21 season the club were transferred to the Premier Division North of the United Counties League.

In 2022-23 they finished second-from-bottom of the Premier Division North and were relegated to Division One of the Midland League.

UNDER 18 UPDATE

Two weeks is a long time in youth football.

The U18's have progressed into the second round of the MFYL league cup with a home victory against Tividale beat a technically very good Alvechurch on their own patch in the Hereford Giant Killers Cup whilst sandwiching in victories against Belper Town and Enville Athletic in the MJPL add to that Stourport Swifts in the MFYL. Scoring 22 goals in the process.

We have managed a couple of training sessions now after the madness of early season and whilst there is a lot of work to do you can see the direction we want to go in regarding our identity and style of play, the most ominous thing is that we will get better as a group.

Danny Barnes has had more minutes for the first team whilst Woody Hawkett made his senior debut in the impressive demolition of Nuneaton Griff last weekend.

Jesse Asomougha has been scoring for fun with 17 goals in 14 appearances in all competitions and he is currently top scorer in the MFYL Southern division with 8 goals.

Joe Neeson, Cian Sheehan along with Danny & Woody are regulars in the U21's set up with more to follow I'm sure after some impressive displays.

The lads are currently on a seven game winning streak which is testimony to the squad depth especially having three games in four days last weekend, every single player has contributed to this incredible run.

We entertain Pershore today (Saturday) in the MJPL and our next MFYL home game is on the 18th October v Alvechurch Juniors 19:45 ko.

Come and have peek into the future and lend your support to the young Saltmen. You won't be disappointed.

UNDER 21 UPDATE

The Under 21's have enjoyed a great start to the season and currently sit 3rd.

Spa have lost just 1 game so far this season and currently are 6 games unbeaten with 3 games left of October. The only defeat came by the hands of Kidderminster Harriers U21's elite group in early August in what has been our toughest test so far. I've been really pleased with how we have started the season both with results and performances. At this level it is all about the performance and development of players but without having that winning mentality that will not happen so it is vital we have a squad of players that are able to compete against the likes of Kidderminster, Boldmere and Stourbridge. It has been a massive transition with the squad this season which is why I am so pleased we have started as well as we have, last Saturdays game against Stourbridge saw just 2 players that started in our Champions Play Off victory against Loughborough University with players moving on or progressing through to the first team, which shows what we are doing is working. It's been important to get the balance right over the past few weeks to ensure we don't over-flood the team with too many new players.

The under 18's so far have been a great addition to helping with that as it has created a pool of talented players to pick from.

Our current situation with a fantastically strong team at under 21's followed by our ever improving Floodlit & MJPL Under 18's sides will be at the envy of many clubs in the local area. It's now our job to continue the success and produce even more players ready to make an impact for the first team.

This season has already seen debuts at first team level from Danny Barnes and Woody Hawkett who have both impressed at Under 21's. Hopefully many more can progress through over the next 12 months and success will continue.
