

OUR CLUB NEEDS YOU!

We're continually looking to develop our club, and there is a wealth of opportunity to improve the pitch side facilities, so we are re-energising our fundraising to support this endeavour!

We're selling advertising space on the side of our pitch and can leverage our social media platforms to promote key sponsors to reach our membership and their network of contacts.

We have an active presence on social media with regular Match Reports, Events and News articles to keep the YHC members connected off the pitch and provide a platform for sponsors, advertisers and club supporters.

Yateley Hockey Club

Our family-oriented community club was established in 1973 and is located at Eversley Sports Association grounds. We have a **brand new** astro pitch to call our very own – a real **must** for any club looking to the future!

Fox Lane, Eversley
RG27 0NQ

Our Mission

We provide hockey to players of all ages and abilities, to develop hockey skills to stretch players to their maximum potential and promote a fantastic club spirit for players, volunteers and supporters both on and off the pitch.

To support our mission we have a Director of Coaching to drive the coaching strategy and support the enthusiastic and dedicated team of volunteer coaches we have across the club.

"I've made loads of friends and there's an emphasis on having fun as well as competing to a good standard"

YHC member 2018

At our heart, we are family-oriented, community club with membership comprising across the generations from 5-70, covering a huge range of abilities and a number of communities, from Bracknell to Hook and many places in between.

We have 5 mens teams and 4 ladies teams playing in Hampshire league Division 1-9 thus catering for players of all abilities.

Members choose our club for, and are delighted by, the welcoming spirit.

We strive to provide hockey across a range of abilities in a nurturing and fun environment. Players of the same family and friendship groups can train, socialise at one of our many events or enjoy playing hockey together.

Our fantastic minis and junior section from 5-16 years, run by volunteer coaches, train every Sunday with many opportunities for games and festivals against local clubs.
