Message from the President . . .

After the euphoria of the World Cup it's back to the grindstone for grass roots clubs like Tynedale and our visitors. National sides depend upon the strength of County and Club to produce the goods at international level. Success depends ultimately on an energetic youth policy established by the Clubs, supported and nurtured by the great number of coaches, referees and helpers giving time to assist on the field and in the Clubhouse.

The Club 1st XV is the cutting edge of success. Their results are important for maintaining pride in the Community and to ensure continued sponsorship from companies hit by the recession. Last season Tynedale just failed in their bid for promotion. This season the portents for ultimate success are established — the 1st XV deserves a place in the higher league. Close-season work will surely pay-off and Tynedale will reap their reward.

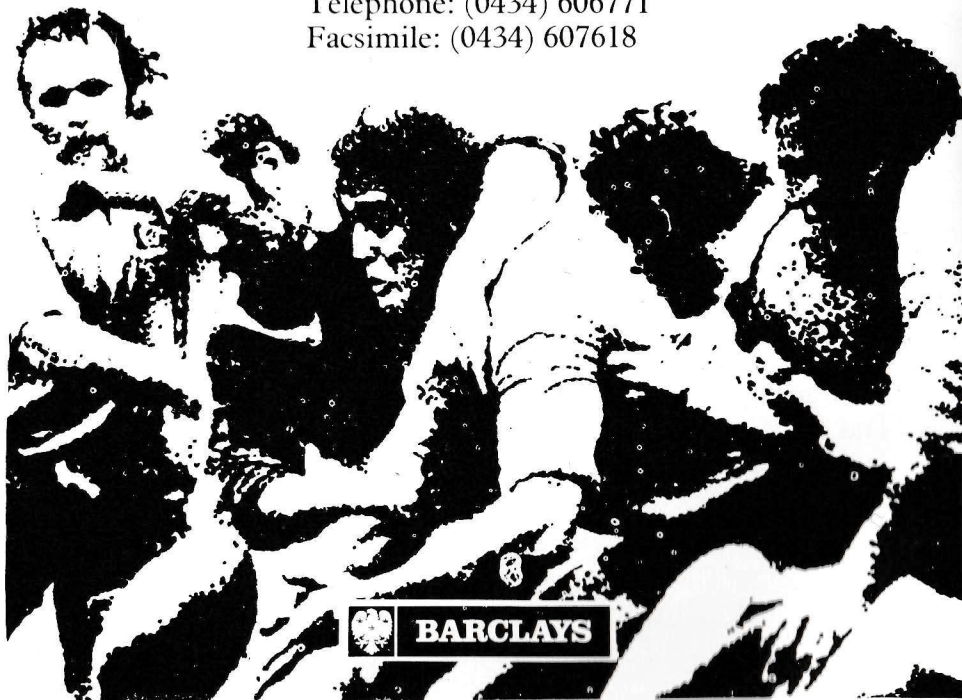

Visiting teams, their officials and supporters may be assured of a hospitable welcome and a hard-fought game. The Club is delighted to welcome old and new friends to Tynedale Park and continue the long tradition of Rugby at Tynedale in Northumberland.

JOHN SAUNDERS,
President, Tynedale R.F.C.

WELCOME!

Today we welcome back to Tynedale Park, Lymm, a newly promoted Cheshire club we had the pleasure of entertaining back in 1985 on a glorious September day, in the then "John Player Cup".

Only two players survive in the Tynedale side from that day, John Rutherford and Mickey Lee.

Lymm will well remember Mickey Lee who surprised all, with previously hidden football skills, by dribbling over to supply the "killer" try.

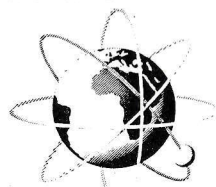

Gary Taylor, now laid off with a back injury, kicked four penalties and a goal with Fred "where is he now?" Dickinson scoring the only other try.

Hoping for fewer penalties today our supporters should enjoy a running game. Lymm are handily placed mid-table with points differential over Hull, Sandal, Vale and Northern.

Countless Guests have commented on the "Cracking Day", when the R.F.U. President opened our new stand and thanks are due to the Ladies, W.A. Dinning, his Ground Committee, and Tony Curtis for their efforts.

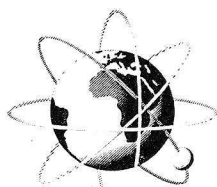

Congratulations to John Fletcher, selected for the North Squad to play in Wales next week, couldn't happen to a nicer bloke, eh Stumpie and Uncle Harry will be proud!

EDWARD ROBSON,
Chairman.
