Message from the President . . .

After the euphoria of the World Cup it's back to the grindstone for grass roots clubs like Tynedale and our visitors. National sides depend upon the strength of County and Club to produce the goods at international level. Success depends ultimately on an energetic youth policy established by the Clubs, supported and nurtured by the great number of coaches, referees and helpers giving time to assist on the field and in the Clubhouse.

The Club 1st XV is the cutting edge of success. Their results are important for maintaining pride in the Community and to ensure continued sponsorship from companies hit by the recession. Last season Tynedale just failed in their bid for promotion. This season the portents for ultimate success are established — the 1st XV deserves a place in the higher league. Close-season work will surely pay-off and Tynedale will reap their reward.

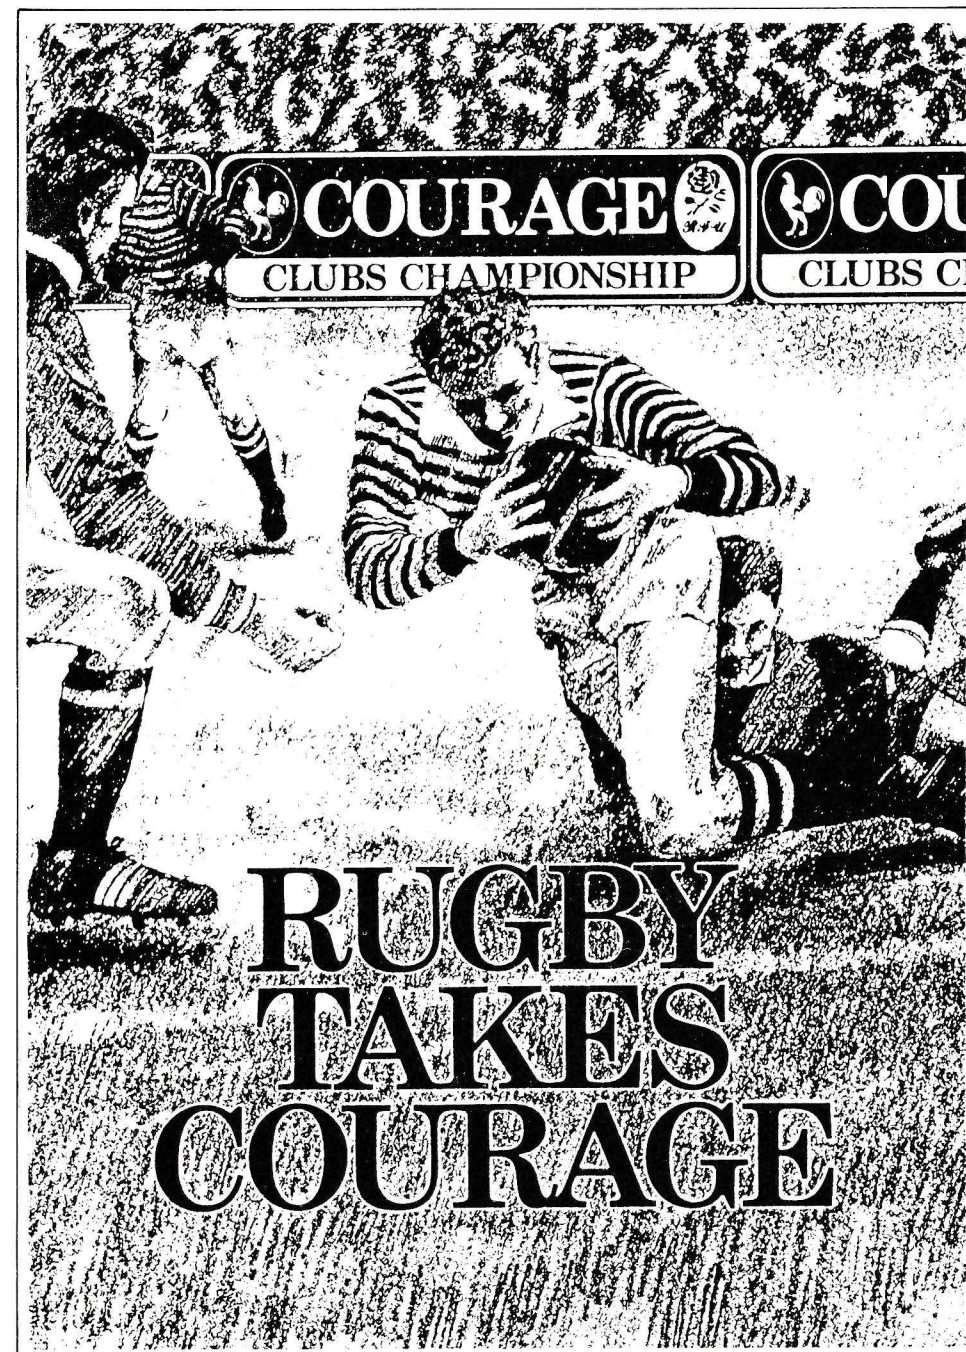

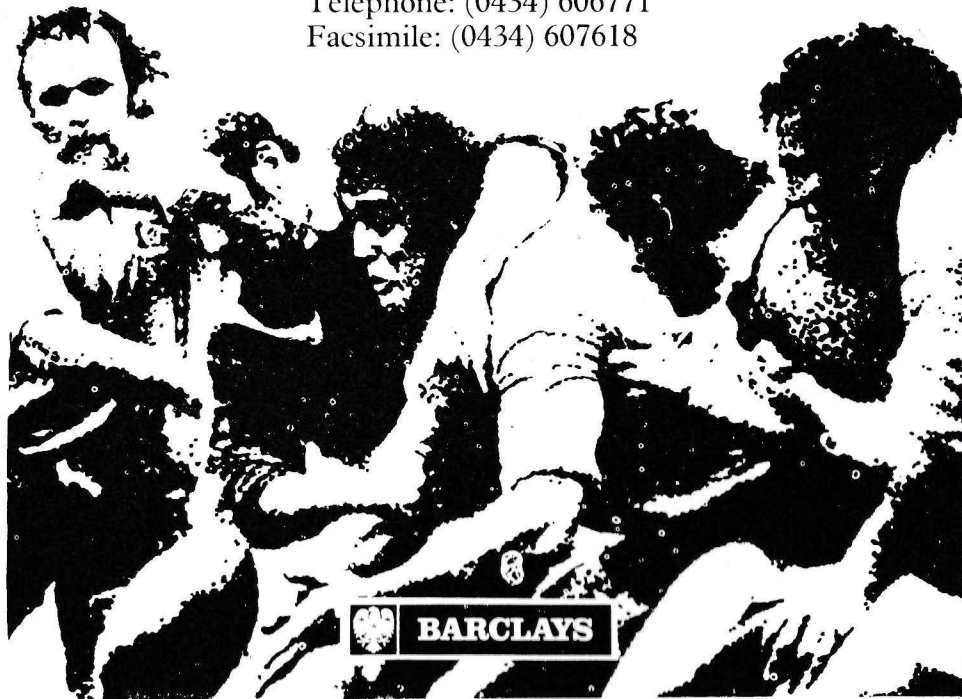

Visiting teams, their officials and supporters may be assured of a hospitable welcome and a hard-fought game. The Club is delighted to welcome old and new friends to Tynedale Park and continue the long tradition of Rugby at Tynedale in Northumberland.

JOHN SAUNDERS,
President, Tynedale R.F.C.

WELCOME!

One hundred and sixteen years ago Tynedale took the field, in Hexham, for their very first Match, the opponents were Elswick Northern.

How fitting that on this Special Day, graced by the President, The Rugby Football Union, Danie Serfontein, our first Courage Clubs' Championship match of the season, should be against Northern.

The match itself is a first, never having played the McCracken Park club in the League, while we aspired to join them above, sadly the reverse happened.

Always worthy opponents in Club games, both sides having competed in many Northumberland Cup Finals, Northern fourteen times and Tynedale eleven.

Strangely, the Clubs have actually met in only six Finals, Tynedale winning four, with Northern upsetting the appiecart for their second, in 1989, after a replay.

Many friendships will be rekindled today by those who played with, or against, our "Chief" guest, names like Dai Hopkins, Colin Fox, Ken Bell, Harry Fletcher, Bill Dinning, Douglas Hamilton, Peter Langley, Kettle Thompson, Jack Kent, Yours Truly, David Barker, Phil Stonehouse, John Ward, Richard Appleby, Walter Ritchie, John Elders, Arthur Storey and our Match Sponsor Rodney Mann, who donned both shirts to effect.

Grateful mention must be made of our sponsors today, R.K. Mann of Sale, Gloucester, Northern and Tynedale, "Godfather" of John Shotton and a powerful second row I packed down with on many occasions, on the field and in the "Click."

Andrew Philpotts, a mild Staffordshire County Fullback, brought rudely down to earth as the last line of defence for Tynedale.

Lastly, poor Walter Scott, the only non-player and probably the sanest, who must wonder if he is the Financial Director of AGMA plc, or Chairman of a Tynedale Charity.

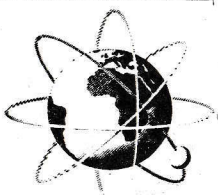

Gentlemen, few will ever know how much we owe but we do appreciate.

To all Supporters and Sponsors who have contributed to the Grandstand and this Special Day - Welcome!

Thank you all, and good sport.

EDWARD ROBSON, Chairman.

Dear Member/Supporter,

WOULD YOU BE PREPARED TO LEND TYNE DALE RUGBY CLUB £100 ?

I know you will be aware that running any organisation requires substantial funding and because of the enjoyment we get from Rugby Football we are prepared to support the various fund raising events which inevitably means dipping our hands into our pockets and for which we expect little return.

The success of the Club relies on both successful playing results and having accommodation of an acceptable standard.

The Committee have recently been discussing, among others, two major schemes -one the provision of a scrummaging machine and two the refurbishment of the lounge - both of which will cost thousands of pounds.

This is where I hope you can help at little cost to yourselves.

A Scheme has been proposed whereby we ask Club Members/Supporters to provide an interest free loan to the Club of £100 (i.e. 1 Unit with more Units being offered if you feel particularly generous). It is hoped that at least 100 Units would be obtained resulting in the Club having the sum of £10,000 immediately available.

These loans (Units) would then be repayable on a monthly draw basis commencing 6 months after the establishment of the scheme. Consequently you can see that **your** loan **could** be repaid to you after 6 months if your number is the first to be drawn. Even if you were unlucky enough to be the last person to be repaid the interest you would have lost on your £100 would only be a nominal amount!

Alistair Orman has agreed to administer this Scheme and if you are able to support Tyndale RFC please complete the attached form and send it to Alistair together with your remittance and he will acknowledge receipt and let you know your Unit(s) draw number(s).

Please accept the Clubs grateful thanks in anticipation of your continued support.

Yours sincerely,

J.H.G. Saunders President, Tyndale RFC

TYNE DALE RFC INTEREST FREE LOAN SCHEME

I enclose my remittance for £ () Unit(s) by way of Interest Free Loan to Tyndale RFC. I acknowledge that this loan will only be repayable by way of a monthly draw (one Unit Draw Number per month) commencing 6 months after the Scheme has been established or to my estate in the event of my death and that the Club may use the funds for any purpose the Committee deems to be appropriate.
