## OFFICIAL PROGRAMME 1 / -

To all football followers . . .

Our entry this season into the Surrey Senior League, coupled with our acceptance by the County F.A. as a Senior Club, marks another step forward in our policy to bring to the Arena the best Amateur football.

At Tudor Park we never wavered in our belief that not only was this possible, but also essential to the football enthusiasts within the district.

Given the support necessary, we feel sure that Feltham Football Club can bring the same distinction and honours to our area that has already been achieved by our near neighbours — Hounslow Town.

THE COMMITTEE

SURREY SENIOR LEAGUE

FELTHAM v HAMPTON

Wednesday 28th August - Kick Off 6.30.p.m.

Good evening everybody,

It is with great pleasure we introduce you to the old club - Tudor Park - under it's new title of Feltham F.C. and we hope the introduction is going to prove a long and enjoyable association.

Much water has flowed under London Bridge since we first toyed with the idea of establishing Senior football in Feltham and the achievement is the result of a tremendous amount of hard work which has gone on behind the scenes over several years.

Your unstinted support will ensure that this work will not go unrewarded.

Many newcomers to our ranks - although in several cases they will already be known to you individually - have strengthened our playing staff and our Team Managers - Allen Batsford and Stan Meadams to the Senior and Reserve teams respectively - have had a morale boosting effect which has already re-acted on the field of play.

It is too early to assess the value of our 2-2 draw at Chobham on Saturday but our 2-1 win over Addlestone in an away friendly last Wednesday may indicate more forcefully the improved strength of our Team since Addlestone convincingly won their opening League game with Bracknell Town 5-1.

Our Reserves got away to a "Flier" at the Arena last Saturday when they crushed Chobham's Res. 5-0 and, on this showing, are going to be difficult to hold.

Tonight, we extend a very warm welcome to our near neighbours - Hampton - who have enjoyed a fair measure of success since joining the Surrey Senior League in 1959/60.

In a friendly match 3 years ago our Lads went down by 5 clear goals so this evening we may be able to assess the relative improvements or otherwise of both Teams.

One thing is assured, a good game between two good sides played in the best spirit. C.J.W.
