## THE OXTED AND LIMPSFIELD CRICKET CLUB "100 STYLE" FUND RAISING SCHEME (a Small Society lottery)

### PURPOSE AND PRINCIPLES (April 2021)

The scheme will be known as "The Oxted and Limpsfield Cricket Club (OLCC) 100 Club Fund Raising Scheme", and its purpose, unsurprisingly, is to raise funds for the Cricket Club.

Members and Associates are invited to participate by depositing £5 each month into the Club's bank account. By making such a deposit then for the purposes of this scheme, it is deemed that you have accepted and will adhere to the rules below.

The scheme year will commence on 1<sup>st</sup> June each year.

50% of the money raised will be used to help meet club running costs for both junior and adult sections including maintaining the cricket grounds, pavilions, machinery, tools, training gear and playing kit. The remaining 50% of the money raised will be returned to winning participants as prize money.

During the course of a calendar year, there will be three draws at four monthly intervals, at or around the end of September, January and May. Assuming the minimum of 20 entries is reached, the top prize in each draw will be £100, second £50, third £30 and fourth £20. Should the minimum of 20 entries not partake in any particular draw, then the fourth, third and second prizes will be reduced proportionately in that order. There must be a minimum of 11 entries for a draw to be held.

Participants may opt out (or in) at the conclusion/commencement of each four monthly period.

Should there be an average of more than 21 entries subscribing over the three draws of any scheme year resulting in an excess within the prize fund at the end of the scheme's year, there would be a "Bumper Annual Draw" immediately after the May draw (for example, 50 participants @ £60 per annum = £3,000 raised, divided equally £1,500 for club, £1,500 for prize fund. 3 draws at £200 prizes = £600 awarded in prizes during the scheme year. This would leave £900 with half as first prize, a quarter as second, 15% as third and 10% as fourth). **Only people who have entered for all 3 draws will be eligible for the Bumper Annual Draw.**

- 7.** In the event of an average of more than 21 entries subscribing over the three draws of any scheme year resulting in an excess within the prize fund at the end of the scheme's year, there would be a "Bumper Annual Draw" immediately after the May draw (for example, 50 participants @ £60 per annum = £3,000 raised, divided equally £1,500 for club, £1,500 for prize fund. 3 draws at £200 prizes = £600 awarded in prizes during the scheme year. - 8.** Should, at any four monthly draw there not be a minimum of twenty (20) qualifying entries, then 2<sup>nd</sup>, 3<sup>rd</sup> and 4<sup>th</sup> prize values will be reduced proportionately, at the same time ensuring the value of prizes remains at 50% of the subscriptions paid, with a top prize of £100.

- 12.** The draw shall be made by Officers of the Club at the end of every fourth month, ie end of September, January and May. Where possible, the draw will be made when there is a gathering of additional club members and associates.
- 13.** All winnings will be paid by electronic bank transfer. All participants will be notified by e-mail of the winning names.
- 14.** It is a condition of the scheme that winners accept their prizes. Should winners wish their winnings to be deposited elsewhere other than to themselves, this can be arranged following their written instruction, e-mail notification is acceptable for this purpose.
- 15.** Unless otherwise advised, a member paying by monthly subscriptions, will be deemed to have resigned from participation in the scheme if his/her subscription remains unpaid for a period of four months, and any part paid subscriptions for that draw period will be refunded.
