

OXTED & LIMPSFIELD CRICKET CLUB

How to upload photos or videos to the Oxted and Limpsfield Cricket Club website

This guide will take you through the process of uploading photos and videos to share on the club website.

You will need to be a registered member of the club website, if you are unsure how to do this check the Registration user guide.

 Oxted & Limpsfield Cricket Club

Uploading Photos or Videos

Go to
www.oxtedandlimpsfieldcc.co.uk

Click the “Login” button in the top right of the screen

Log in using either your facebook account or your username and password

Once logged in you will be taken to the club homepage

Click on your name (top right of the screen)

Click on photos and videos on in the dropdown menu

This will take you to the Videos and Photos page

Click on the green “Upload Videos and Photos button”

On the dropdown choose whether you are uploading videos or photos

A popup module will appear

Choose to create a new album

Choose a name for the album such as “U13s v Reigate Priory”

Choose whether to share it with the whole club or a specific team

Upload images by using the green “Add Photos” button

Finish by clicking the green “Upload Photos” button
