

# M&J Section - Registration For New Players 2022-2023

## Step 1 - Pitchero

Before you can pay your membership you will need to join the club website (register) – both as a parent / guardian and in the name of the child. We recommend doing this on a computer and not on a mobile phone (due to the way the mobile website works)

You register as a parent / guardian first and subsequently add your child's details. Go to <https://www.olneyrfc.co.uk> and press join at the top right hand side.

For emergency contact reasons, we need two points of contact registered on the club website so please can we have two parents/guardians registered per child. We also require that you advise us of medical conditions and provide photo consent.

Once registered, please download the Pitchero App. This will be the way you confirm your child's availability for matches / training throughout the season

<https://help.pitchero.com/knowledge/club-app>

## Payments

Once your pitchero registration has been approved. You will be sent an email from pitchero with a payment request. £80.00 per player & £40.00 for siblings, this includes social membership for parents. You need to complete a consent form for each child – this needs to be done every season. Once completed, simply checkout and pay.

If, for any reason, you don't receive an email please login to your account on the club website and check the payments section for you and your child(ren).

## Step 2 - RFU Player Affiliation

The RFU requires the parent / guardian to register their child and affiliate them with Olney RFC. Age grade affiliation will be referred to as Player Registration in the Age Grade game from 23/24. A parent or guardian must make an account with the RFU and then link their child as a player. Access the GMS System using this link on a computer not phone.

<https://gms.rfu.com/GMS/Account/Login>

Once you have created an account and added on your child to your account, then on the Personal Profile Dashboard there should be a notification in the 'What Next?' Green box to action a 'Player Affiliation' for your child. Simply click on this link in the dashboard for the 'Affiliate to a club' for your child and complete the Player Affiliation Form, then click 'SAVE'. You will then receive an email once approved.
