

Olney Rugby Football Club

Social Committee Report 2018 -2019

This has been another good year both on and off the field. As chair of the social committee I would like to thank the few that have made it so successful for the many.

This is the first year we have had card machines at the club, which have proven to be very successful despite a few teething problems. We can now use cards to pay for everything from membership and kit to beer and crisps.

This year we have taken £162,033.76 percentage 38.57, (36% of which was on cards including some memberships) compared to £126,703.82 Last year at 37.5%.

Sales this year includes:

- 8922 pints of Guinness,
- 7826 pints of Stella,
- 7726 pints of Fosters,
- 4286 pints of EPA,
- 3477 pints of cider (thanks Basher),
- 2630 pints of Ringwood,
- 1997 pints of Heineken,
- 1222 pints of Warsteiner,
- 1924 bottles of wine,
- 1601 gins,
- 1043 vodkas,
- 7337 bar snacks,
- 15841 soft drinks,
and
- 373 bottles of beer.

Not bad for a bunch of amateurs that “couldn’t organise a piss up in a brewery”.

Cheers on behalf of the Social Committee
