

## Registering with England Lacrosse (EL)

Any club member (both senior and junior) who wishes to play in the South East Women's Lacrosse League or the Junior League has to personally register with England Lacrosse, and pay an annual fee of £39.50 for adult players and £19.75 for junior players and students. The period of EL registration runs from September 1st until 31st August each year.

You will need to show your registration card (either digital or physical) to the umpire at the start of each league match. If you do not have one, you will not be able to play. To minimise the time taken on administration at the start of each game, we will collect digital copies of all our players' registration cards to show to the umpires.

It is important that you register your affiliation with Hawks, as well as your school or university, in order that you appear on our team sheets as a registered EL member for league matches.

If you only wish to train with us, you do not need to register, however you may still wish to register as you will then benefit from the insurance provided by England Lacrosse. Once you are registered, this will also cover you for SuperCounties, Regional, National and SuperLeague matches/training. Please see this link for benefits offered by the registration:

If you wish to coach or umpire for Hawks, again you must also be registered with England Lacrosse.
