

***Exciting opportunity to join us as our catering partner and develop your business.***

Timperley Sports Club is looking for a new catering provider based at our busy clubhouse in Timperley, Altrincham. The Club is a 'hub' of activity throughout the year for our 1500 members, community groups and a wider range of visitor bookings and events.

We're looking for a new partner enterprise with imagination, enthusiasm and drive who can build on an existing, profitable core business and who shares the clubs aspirations of making a positive and active contribution to community health, personal wellbeing and connectivity within our locality.

Opportunities to build a business from an existing and profitable trading base are rare and we want to find the right partner to go forward with.

- You might be a relatively new catering start-up, with great ideas but looking for base from which to take the next step and develop further.
- You could be already trading but looking to scale up and accept an additional challenge.
- Maybe you are an established business, ready to expand or bring your experience to another location.

***We are completely open to new ideas, so tell us.....What would you do....?***

To get you thinking, here's a little background....

Timperley Sports Club Ltd (TSC) is a member-run Community Benefit Society with charitable status located at Stockport Road, Timperley, Altrincham. WA15 7LU. We have approx. 1500 members, most of whom play Cricket, Hockey, Lacrosse and Junior Football from a recreational through to elite and / or international level. In addition, there are literally thousands of guests and visitors to the club through the year who come to play and watch sport, socialise, join in classes and meetings or attend a wide range of other social, family and corporate events. We're open 7 days a week and 52 weeks a year so there are lots of opportunities to partner us to grow and develop our catering 'offer'

**The current catering operation is built upon:**

- A full range of family celebrations, corporate, and a limited number of seated dinners
- Light meals – a limited weekend bar menu available to purchase by members, guests and visitors.
- Weekly post-match sports team catering (core season September to April)

It is mainly focused on weekend trade, but with a creative and resourceful approach working in partnership with us, it's easy to see that developing further both at weekends and in the week.

We have a small but adaptable on-site kitchen adjacent to a sizeable multi-function space which opens outward to a large external terrace area. A retractable space divider extends through to the main bar / lounge area which approximately doubles the capacity. We are also fully licensed for a number of external events that could utilise a marquee and/or other events.

We are currently progressing plans to extend and improve the kitchen and develop the clubhouse and onsite facilities so this is an exciting time to join us !

## Interested?

Tell us..... ***what you would do...***

Your proposal need not be extensive but should include:

- A summary of your / your organisation's background and experience, how you made it this far.
- How those experiences will help you to succeed here.
- Paint a picture (not literally!) of what you would do and what it would look like.
- First steps, what would be the must-do priority.
- Your initial thoughts about a potential start date

We're happy to have a chat and so if you want to arrange to have a look around, find out more about the club and our ask any questions, then please contact Jane Ashcroft, Bar and Facilities Manager via email [janeashcroft@live.co.uk](mailto:janeashcroft@live.co.uk)

**The deadline for receipt of your initial written proposal is Monday 31<sup>st</sup> July July 2023 and should be submitted by email to: [info@timperley-sports.com](mailto:info@timperley-sports.com)**
