

SWAN NETBALL CLUB

Kit Catalogue 2023-24

Welcome to Swan Kit Catalogue for the 2023/24 season.

While Swan continues its successful partnership with kit suppliers FLYHAWK for all match day and senior kit, we are pleased to announce some new training kit for the junior teams. We are introducing a junior training top and 'Zoodie' (zipped-hoodie) which are printed locally. We also have an exciting new range of Swan merchandise.

HOW TO ORDER YOUR KIT

Read through the catalogue and check which kit and what size you wish to order

Page 4 shows the kit required for Training and Match days for all players. Read the following pages carefully about why kit is important and club expectations for each age group. Some kit items from previous suppliers S-Trend and Viper 10 are still in stock -please ask Kit Managers for details and availability. All kit has been produced to as close as possible design between our suppliers.

To Order kit:

This season (2023-2024) we will continue with the system of the shop opening 3-4 times per year.

The main reason for this is that we have a minimum order of 10 for each kit item before we can place an order with Flyhawk. Once we have placed the order, it takes 6-8 weeks to receive the stock from Flyhawk. By limiting the number of times we process orders, we hope this is a more efficient way of

ordering and managing the kit. It also means we can give you a more accurate length of time when the kit will be available and avoid lengthy delays.

We will send out emails / Whatsapp messages when the shop will open.

HOW TO ORDER IN THE SHOP:

<https://www.swannetballclub.co.uk> and click on the SHOP tab. Click on the correct size you wish to purchase and order the items and this will take you to Pitchero to pay

OR

Log on to Pitchero, Swan Netball Club's website, click on the correct size of the item to order and pay via the club shop for each item you require.

Please note, we cannot offer refunds so please select the size carefully. Flyhawk tend to be a slim-fit and are not a generous cut, if you are deciding between 2 sizes or lengths, we recommend sizing up. Please refer closely to the sizing guides.

We do hold some stock, but a very limited amount as it is expensive for the club to do so. If we have the item you order in stock, we will be able to get this to you much quicker. For the purpose of planning what kit you need, you are best to work on the assumption that it will need to be ordered and it will take up to 10 weeks from your order to receiving the kit.

If the item is needed urgently, we may have other stock that we can loan or supply you with in the meantime, or you can make arrangements to borrow kit from others. For urgent kit please email us at the address below.

Important Note: Personalisation of kit requires you to email Vanessa (swanpersonalisation@gmail.com), please see Appendix 1 with details

If you have any queries please contact the Kit Managers:

Rachel Sipaul and Suzy Kay via the Kit Manager email address
swankitmanager@gmail.com

Squad Kit Requirements

Why is it important to have Swan kit?

Wearing club kit to training and matches gives players the sense of belonging and inclusivity as well as presenting a cohesive team look and feel. It also ensures the club is recognised by others and helps us to be recognised at venues and tournaments.

For training we would like all players to wear club training tops (vest or sleeved) with shorts or leggings.

	Training Kit	Match Kit
U8, U9, U10	Training top (AWD)* Zoodie* (optional) Netball	Training top (AWD)* Zoodie* (optional)
U11 and U12	Training top AWD* or Flyhawk (optional) Or Match top (velcroed) Skort Zoodie*/Hoodie Swan socks Netball	Match top (Velcroed) Skort Zoodie*/Hoodie Swan socks
U13 to Seniors	Training top or vest Training shorts or Leggings Hoodie / Zoodie* Swan socks Netball	Match dress Navy shorts Hoodie / Zoodie* Leggings Swan socks

**These items are not Flyhawk branded.*

NETBALL SHOES

Please also remember to wear correct **netball shoes** with good grip – these will need updating regularly as the injury risk from wearing fashion or running shoes trainers is high. Nike and Adidas brands are very popular with the youngsters but these fashion shoes are not at all suited to sport, particularly netball with impact on court through jumping and turning.

A netball shoe is made for multi-directional activity, while a running shoe and others fashion shoes are not. If a player is in a netball shoe, their foot will be more stable as they change direction. This helps with performance and to protect against injury. When buying netball trainers you should look for

- **Extra-strong grip** : The sole of a netball shoe is designed to give exceptional grip on outdoor and indoor courts to stop you slipping and sliding;
- **Durability**: Strong but functional materials to make sure a netball shoe lasts longer than a running shoe;
- **Protection and Support**: Designed specifically to support your foot during high impact lateral (sideways) movements, with wrapped outer soles to help stability.

Local shops with a good range of shoes include Asics at Gunwharf Quays in Portsmouth, Alexander Sports in Oliver's Battery (Winchester). Good brands to look for include Asics Netball shoes and Mizumo.

If you know your size you can purchase them from netballuk.co.uk and watch their video on trainers here:

Appendix 1

Personalisation of Swan Hoodies

If you have ordered a Training Top (AWD), Zoodie, Hoodie, Tour Hoodie or Kit Bag you can have it personalised with the player's name (the cost is included in the price you pay for the item).

We are fortunate to have one of our Swan members, Vanessa Ralph, who is able to offer this service. She is happy to liaise one-to-one or with teams.

The zoodie / hoodie must have the player's name written **ON THE BACK AT THE BOTTOM** for Navy Blue Club hoodies and **ON THE RIGHT ARM** of any Turquoise TOUR hoodies.

The training top will have their names on the back, centre top.

Please contact Vanessa to arrange personalisation
