

Pitchero Club App - For members/parents/carers

- Go to the app store and download the Pitchero Club app.
- Go to the app and sign in - it will be the same username and password as you have for Pitchero when you log into the Leatherhead CC website.
Full video on how to use can be found on this link: [Getting started using the Club app \(pitchero.com\)](https://pitchero.com)
The first time you log in you will need to choose your club.
- When new fixtures are created you will receive a notification to provide your availability. [Manage my child's schedule in the Club App \(pitchero.com\)](https://pitchero.com)
- You will need to ensure that you have enabled notifications in the app. You will then receive push notifications of new games, player selection, game changes etc.
- Please see the steps to take to do this in the following screen shots:

New game – you should also get a push notification and or email

Leatherhead Cricket Club – Email and Pitchero notification guide

As a club we now solely use Pitchero for all of our member communication. However not everyone is receiving our newsletters, or messages about training or even selection notifications. Unfortunately, this is not something the club can do for you, therefore please could I ask each of you to check your account is setup correctly. Please see a short guide below.

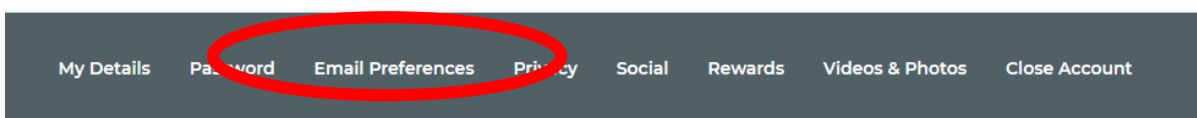

- Log onto the website – Not the app (You can do it from your phone or computer)
[Leatherhead Cricket Club \(leatherheadcc.co.uk\)](https://www.leatherheadcc.co.uk)
- Click on Your account

- Select Settings

- Email Preferences

- Ensure you have completed your email registration – There will be a notice at the top if you have not. Click on this and then respond to it in your email.
- Make sure the below preferences are ticked
- Under club weekly round ups please ensure you have not unsubscribed.
