Mitcham Cricket Club

Welcome to the 2023 Season

We are looking forward to the 2023 season for a number of reasons. After a decade we've changed our groundsman and are delighted to welcome Tim Campbell back into the role. We have been successful in attracting a significant investment in the ground through the Civic Pride fund and the Council is active in trying to resolve the more than a decade of stalemate over the pavilion and Burn Bullock.

Our 1st, 2nd and 3rd XIs will be in league action on Saturdays and we are also participating in the Surrey Slam T20 competitions. We have a new U21 side playing Sundays and four junior teams. The Sapphires have more fixtures.

Haris Qureshi returns as 1st XI captain, Selvanygam Suganthan captains the 2nd XI and Jay Jones is 3rd XI captain. The Sapphires will again be playing softball league cricket under their captain Julia Gault. We wish our senior captains and their vice captains every success.

Outdoor nets and fielding practice will be very important throughout the season and from the very start. We have upgraded the net run ups. All our players need to make the most of these opportunities – but no spikes in the nets please!

It's great to see that the junior coaches have got Sunday mornings well planned, following well attended indoor junior training sessions over the winter. Again we are running our All Stars and Dynamos cricket programmes – both were fully booked within days of being open for applications! Our popular junior 6-a-side Festival will return to the Green at the end of the season.

The Club Executive continues to meet regularly. We remain grateful for all the financial support we received through donations and grants to manage through recent difficult years. There is every prospect of being able to enjoy some social and fundraising activities this season. Do please all join in!

Our club depends on its volunteers, so please where you see an opportunity, do get involved.

We will always welcome people to coach, umpire, score, do the teas, fundraise and assist with Saturday evenings. To encourage more people to volunteer as umpires the 1st XI can qualify for extra points each time it has a non-playing umpire for its games – another way our volunteers can help with Club success. The Club can support training for scoring, umpiring and coaching. All help will be very much appreciated!

Here's hoping for a sunny and successful summer of cricket!

About Us

Mitcham Cricket Club has an active membership of senior players – fielding three senior men’s sides each week during the season. We have a ladies’ team – the Mitcham Sapphires – playing softball league cricket. We also have a significant and growing junior section including four junior league teams. We also run the ECB All Stars scheme for 5–8-year-olds and their Dynamos scheme for 8–11-year-olds. Most of the Club’s playing membership is drawn from the Merton area and the Club plays a vital role in offering the opportunity for young people to play cricket as few have the facilities to access cricket through their state schools. We also provide an important social hub for non-playing members, many of which are former players. Our membership has an age range of seven to over eighty.

Our cricket pavilion is registered as an Asset of Community Value. Further, it is locally listed and in a conservation area. The pavilion is of heritage significance and has a long communal history. Mitcham Cricket Pavilion was opened in 1904. It was purpose built as a cricket pavilion and has only ever been occupied by Mitcham Cricket Club. The neighbouring cricket ground, which we use during the playing season, is registered as a Town Green. There is good evidence that it is the oldest continuously used cricket ground in the world. We can trace its use for cricket back to at least 1685. The Green is also an important recreational asset in the Wandle Valley Regional Park.

The Cricket Green in Mitcham also has global importance in the history of cricket for a variety of reasons – reflected in its inclusion in *Remarkable Cricket Grounds of the World* (Brian Levison, Pavilion Books 2016). The Green was a place where cricket was regularly played prior to the formalisation of the rules of the game. In the 19th and 20th centuries it played host to international matches – the Club and its Green acted as a training base for the first Australian national Test teams touring England; women’s international cricket teams have also played there. Mitcham players played a key role in setting up the Surrey County Cricket Club, and many Mitcham players played for Surrey. Mitcham Club members have also represented England in men’s and women’s cricket – including our current President David M Smith.

Develop New Skills with Mitcham CC - Try something new for 2023!

There are many ways of getting involved and there is training out there to help you.

Surrey Cricket Foundation offers courses for senior players and parents to get more involved in the life of our Club – including coaching at various levels – from coach support worker to formal coaching qualifications. Find out more on <http://www.surreycricketfoundation.org/>

The ECB has recently made its basic umpiring and scoring courses accessible for free online. You can access the umpiring course here <https://www.ecb.co.uk/be-involved/officials/find-a-course/Umpiring-courses> and the scorer course here <https://www.ecb.co.uk/be-involved/officials/find-a-course/scorers-count>. On the ECB website you can also find details of courses to take your umpiring and scoring skills to a deeper level.

Speak to David Bell or one of the junior coaches about how Mitcham CC might support the costs of your training.

Role of Mitcham Cricket Club Captains

As a Mitcham Cricket Club Team Captain, it is your responsibility to:

1. Generate **Team Spirit** by motivating players on and off the field; promote involvement of all team members, including by ensuring that English is the language used on the field of play and in the dressing room; train regularly yourself and encourage your team members to do the same.
2. Be a **role model** by being on time for meetings, training and matches with all necessary equipment; promote the Clubmark ethos; and emphasise the Club's expectations for a high standard of behaviour and discipline both on and off the field and a smart appearance.
3. **Know the laws of cricket** and the rules of the league and any other competition your team is entered into; ensure that your team abides by them and plays in the Spirit of Cricket.
4. Comply with the ECB **Safe Hands policy** to ensure that junior members are safeguarded and support the development of younger players by assisting with the junior section.
5. Actively participate in the **team selection process** with the other Captains, considering team balance and Club priority. In the event of your unavailability you should ensure that the acting captain accepts and understands his/her responsibilities in leading the team in your absence.
6. **Lead your team**, guiding with a positive approach; be the most active player on the ground during games and organise training (including field drills) in collaboration with the other captains.
7. Ensure that **subscriptions and match fees are paid** by team members; collect and record match fees and ensure they are passed promptly to Treasurer.
- 7a. Should **COVID restrictions** apply, encourage compliance with ECB and Government guidance on and off the field, including social distancing, sanitising breaks, use of grounds and buildings etc.

Role of Mitcham Cricket Club Captains (cont)

8. **Organise** teas, umpires and scoring for your matches. In liaison with the Grounds Manager, make sure your team gets everything ready for a prompt start to home matches – the pavilion is prepared (including dressing rooms, showers and the upstairs room) and the ground is ready (including boundary rope and sight screens in place, poles around square removed and scoreboard open).
9. Make sure the score book is tallied at the break between innings and at the end of the match. **Upload results**, facilities reports, scorecards etc on the Play-Cricket website within the time limits set by the league as necessary. The captain will be liable for any fine imposed by the league for failure to submit any required information about their team.
10. Be an **ambassador for the Club** - greet the opposition warmly to make sure the spirit of the afternoon starts well; and thank umpires and scorers at the end of the game.
11. Work with your Vice Captain to **keep your team united** as far as possible, without seeming to unduly favour any one player or faction. Try to reduce politics between the team members, if and when they surface. Assist with resolving any dispute or grievance amicably.
12. Be a **team spokesman** acting as their representative on the Club Executive, so that their views and concerns can be heard.

*All Mitcham CC playing Members
(junior and senior) are expected to
support our Captains and Vice
Captains to fulfil their responsibilities
as described above.*

EDDIE GOBIN 1941-2023

The Club was saddened to learn of the passing of former opening batsman, Edwin Gobin, at the age of 82, following a battle with dementia. Born in British Guiana, Eddie (standing on the right) was considered to be a potential rival to Clive Lloyd for a place in the Shell Shield side before circumstances sent him to the UK. In the 1960s, he played for wandering sides Carnegie and the Caribbean & Commonwealth XI, both of which attracted the cream of London based West Indian cricketers. He played Saturday cricket for Catford Wanderers and Spencer before transferring his allegiance to Mitcham in 1975. An elegant, orthodox but enterprising batsman and an outstanding short leg fielder, Eddie enjoyed six seasons as opening partner to Peter Johnson, scoring over 600 runs in four Championship seasons and finishing top of the averages in 1975. His form attracted representative honours with both the Surrey Championship and the Club Cricket Conference. His finest display for the Championship came against the full Surrey side, when he carried his bat for 60 out of a total of just 117, against an attack which included Test bowlers Robin Jackman, Pat Pocock and Intikhab Alam. Eddie was capped by the Club Cricket Conference in 1980 and toured Sri Lanka, along with Jeff Cullip, in 1981. He joined Wimbledon shortly afterwards and latterly played for both Old Emanuel and Barclays Bank.

MITCHAM 1st XI 1978

Wife Pat pre-deceased Eddie by three years but he is survived by son Adrian and daughters Debbie and Michele.

Mitcham Sapphires

This season the Sapphires have entered the Surrey softball league again. We remain focused on softball and in 2023 the softball league is organised around a series of cricket festivals and T20 games. We will play against the other teams in our Group – Wimbledon, Esher and Walton on Thames.

Softball cricket means maximum fun, minimum fuss. No pads, no hard ball, no heavy bat, no head-scratching rules.

We are actively looking for new women and girls to join the Sapphires, so if you fancy giving cricket a go, please don't hesitate to get in touch.

Juniors 2023

Mitcham CC is proud of its growing group of talented and enthusiastic junior cricketers. With the support of a number of qualified coaches we run training each week on Sunday mornings (10:45 – 12:15) for our 8- to 14-year-olds on our historic Green. For 15- to 17-year-olds we are running evening sessions most Tuesdays from 5.30pm. We are open and inclusive and welcome all abilities. We particularly want to increase the number of girls playing the game at Mitcham. This year's training starts on Sunday 23rd April and continues until Sunday 3rd September.

We run two ECB schemes to introduce young players to the game. Our successful All Stars programme runs from Sunday 21st May to Sunday 9th July and is already **FULL** for 2023. Our popular Dynamos programme for 8- to 11-year-olds who want to play fast, fun cricket games is also **FULL**. Our programme runs from Sunday 14th May until Sunday 2nd July.

This year Mitcham will have four teams playing junior league cricket: under 15 (Y9/10), under 13 (Y7/8), under 11 (Y5/6) and under 10 (Y4/5). The teams will play competitive T20 cricket against teams from across South West London. In order to run four teams, we need the support of parents. If you can offer lifts to away games, or help with scoring or umpiring, or offer food and refreshments for the players at home games we want to hear from you. Please speak to one of the coaches at Sunday training. Our junior teams are always looking for sponsors. It's a great way to promote your company's name and to support your local community.

Mitcham has a strong tradition of promoting our elite junior players into our senior sides. Many of our 1st team players are former Mitcham juniors and our 2nd and 3rd teams provide regular opportunities for the best juniors to test themselves in 50-over cricket. We also submit our best players for trials with Surrey CCC.

Our traditional Parents vs Juniors game will take place on Sunday 14th May on the Green from noon. We will end the season with our 6-a-side Junior Festival on Sunday 3rd September from 11am. There will also be an End of Season Party & Awards Night. Look out for the date and venue to be confirmed.

Enjoy your cricket!

Raise Funds for Mitcham CC

If you like to grab a bargain shopping on the web you can generate income for the Club at no extra cost to you. Open an easyfundraising account – it's free and easy to do at www.easyfundraising.org.uk – then select Mitcham Cricket Club as the organisation you want to support.

Each time you want to buy from your favourite online retailer go through the easyfundraising.org.uk site to access their website. For each purchase the retailer will make a donation to the Club. It costs you nothing. Loads of the most popular retailers can be accessed through easyfundraising like M & S, John Lewis and eBay. Give it a go. Since the Club joined the scheme in 2012 we've raised nearly £1250. We've raised this between 33 supporters, let's see if we can raise this to 50 supporters in 2023!

Mitcham Cricket Green Community & Heritage

For the benefit of Mitcham Cricket Green
Conservation Area and its environs

Mitcham Cricket Green Community & Heritage takes an active interest in the future of the Cricket Green Conservation Area (designated in 1969) and its environs. We are the civic society for this part of Merton and part

of the wider civic movement through membership of the national charity Civic Voice. We have a very close and longstanding bond with Mitcham Cricket Club.

MCGC&H is active in its efforts to support and sustain the whole of the Cricket Green Conservation Area and its environs, and working with MCC only represents part of what we do. If you would like to support us then please consider becoming a member. You will find a membership form at our web site.

Volunteers Wanted

The Club has recently advertised a range of opportunities for volunteers to get involved in the running of the Club. Volunteering can be a great way to expand your social life, give something back to your local community or to learn a new skill.

We are seeking:

- Volunteer coordinator
- Umpires and scorers

If you know someone who might like to take on one of these roles, please encourage them to get in touch with the Hon Secretary Julia Gault on 020 8661 0663.
