PITCHSIDE COVER

We are looking for a qualified/student physiotherapist/sports therapist to assist with game day preparation and management of acute injuries during the game for both home and away games with our senior women's and men's sections on Saturday/Sundays.

In addition, the successful candidate will also have the opportunity to undertake injury assessment clinics and attend CPD training.

Essential Criteria:

- Qualified or studying towards Physiotherapy or Sports Therapy qualification
- NSFA Pitch-side Certificate or SCRUMCAPS level 3
- Membership of relevant governing body (HCPC, CSP, STA, BASRaT, etc)
- Excellent communication skills
- Previous experience of working in sport, rugby desirable

Match days:

- Assist players in pre-match preparation as required and provide pitch side injury assessment and immediate care
- Assist in pre-game taping as required
- Provide pitch-side cover for all required games
- Provide specific individual warm-up exercises for players returning from injury
- Provide coaching staff with injury information and update records.
- Post-game report sent to Head Physiotherapist
- Ensure Concussion management and protocol is adhered to by all medical staff, players, coaches and management.

How to apply:

Please email a CV and brief covering statement to Lauren Thurley, Head Physiotherapist, physio@hamiltonrugbyclub.co.uk
