

Colour Coding Explained

Step 1 To view all players and members within your club or school navigate to the 'My Club Users' section of SCRUMS, either through the sidebar or dashboard highlighted.

Colour Coding Explained

Step 2

All members and players at your club or school will be highlighted in the following colours;

- White - Adult player or member that has completed registration.
- Blue - Youth player that has completed registration.
- Red - Individual has not completed registration.
- Grey - An individual has registered through SCRUMS and requested to join your club or school. You can now approve this request or delete it.

If an individual's **ID number remains Red** when the rest of their profile has changed to blue or white, it indicates that they have completed registration but not yet validated their email address.
