

Maidenhead HC are reaching out to all sports clubs and schools/colleges in the area to ask you to get behind our campaign to find a doner for our team-mate

Henny Braund MBE, Chief Executive of Anthony Nolan, said:

"Seeing Maidenhead Hockey Club rally around their teammate is so heartwarming. Finding a stem cell donor would mean everything to them and their family. Signing up to the stem cell register means you could help give someone like them a second chance at life.

"We're asking for people aged 16-30 to join the register, as Anthony Nolan's research shows that young people make the best donors.

Joining the register is easy.

All you need to do is visit the Anthony Nolan website or click on the QR code and fill out a quick form. Then we'll send you a swab kit in the post for you to complete and send back to us. Becoming a lifesaver couldn't be simpler."

Jacob donated his stem cells in 2018

DONOR STORY

'It's amazing to know that I've been part of something that has had such a big impact on someone's life. And it's so easy!'

- Jacob, stem cell donor
