

Stand in or parent Refs

Don't forget you have stepped in so 22 players can have a game. You are not there to take abuse and you can deal with any abuse using your red and yellow card the same as an appointed referee

Stop and start the game as any other referee would do, but don't forget you are the timekeeper too!

What can I do?

You can apply the laws of the game exactly the same as an appointed referee

Did you enjoy it?

Devon FA needs more referees so if you enjoyed this game why not look into becoming a qualified referee?
