Welcome from Ant Brown

Good afternoon, I'd like to start by saying welcome to Sporting Club Inberrow players officials and fans. Also welcome to the 3 officials I hope you have an enjoyable afternoon here today.

Next, I'd like to give credit where it's due to the people who work behind the scenes at the club tirelessly battling against flood water at this time of year! To turn this pitch around from a lake to being playable today is an absolute miracle and although I'm sure there will be moans and groans about the football played today by some, the fact we have a game on at all is incredible.

Last time out we faced a well organised Cheltenham Saracens team. It was a game of who halves and probably the fair result in the end. We dominated the first creating countless number of chances but as we all know if you don't put them away you get punished in the end and unfortunately late on that's exactly what happened. So we came away from there with a 1-1 draw which in hindsight was probably the right result as we spent most of the second half defending.

Today we play a very strong inkberrow side who it's no surprise to see them right up with us in the table. Last time against them we drew and I'd expect another tight game today.

So get behind the lads show your full support and we will see you in the bar after!

Introduction to Sporting Club Inkberrow FC

Inkberrow FC was established in its current form in 1978, providing an opportunity to play and watch football for local people, in both a friendly and competitive atmosphere. The club grew in strength due to the addition of its junior section in 2000 and were awarded "Chartered Standard" status by the FA in 2004. The ambition of the club has been to provide a fun environment for local players and to encourage player development within the club. The rise of Sporting Club Inkberrow has been testament to this, with over 50% of the current playing squad graduating from the Inkberrow FC junior section.

Sporting Club Inkberrow itself was originally founded as "Inkberrow Reserves" in the summer of 2016 under the guidance of Neil Guy, Carl Stenton and Tom Harris, who remain in charge today. The team began life in the Stratford Alliance Division 2, quickly making progress by winning the Stratford Alliance Premier League in their second season and looking for further opportunities to push up the football pyramid. The Midland Football League Division 4 appeared to be an ideal home, with Inkberrow FC first team already competing in the MFL Division 3. But for Inkberrow Reserves to secure entry into the league, the team were required to register under a new name to avoid potential complications with Inkberrow FC being in the league above. Therefore, the team took on the name Sporting Club Inkberrow, following the name of the wider sports club, and adopted the green and white kit originally used by the club in 1978.

The club continued to make good progression on the pitch with Inkberrow FC gaining promotion to the MFL Division 2 (Step 7), and Sporting Club Inkberrow were also invited to join the Hereford Premier League (Step 7). With two affiliated teams in Step 6 feeder leagues the club had high ambitions for the 22/23 season, but it was Sporting Club Inkberrow who were able to secure promotion to the Hellenic Division One, after fending off title challengers Ledbury Town in a dramatic end to the season. The 23/24 season is the first time in the history of the club competing within the football pyramid, with progress being made on and off the pitch to support this fantastic
