Vs Tuffley Rovers

FA Vase

Sat September 23rd 2023

3:00pm KO

Welcome from Ant Brown

Good afternoon and welcome to the flying monk ground! First of all I'd like to welcome Tuffley's players, officials and supporters. I'd also like to welcome the 3 officials today, I hope you have an enjoyable stress free afternoon.

Looking back at the midweek game. We were happy with the way we played against a resilient side who were hard to break down. We went in at half time 0-0 after having about 80% possession but not really testing the oppositions keeper. We knew we had to continue to work the ball quicker and the breakthrough would come. As expected, second half we continued to dominate possession and the breakthrough did come which opened the game up.

Today we have a completely different prospect, playing in the FA Vase against a side who are in the league above. Unlike Tuesday, we go into this tie as underdogs against a well drilled and organised Tuffley side. It's an afternoon where we know the whole squad must be at their best to get anything from the game.

So make sure you get behind the lads from the side lines and we will see you all in the bar after.

MVFC Dev – Wilts Senior League

The Development team were back in action Friday night after a 2 week break. With a full squad to pick from and a new formation the lads seemed up for the game Versus Larkhill. Another tough test with the visitors picking up some solid results already this season. The visitors started strongly controlling the majority of possession, and a quick counter caught our defence short resulting in a well taken goal. Going against the run of play it wasn't long before the Vics were back in it. A looping cross had the Larkhall defence in turmoil and eventually bobbled in off the defender's knee. 2nd half we played the football we wanted, midfield trio of Bobby, Martin and Lewis controlling the play. All 3 of them having an exceptional game. With the game on a knife edge a fine Shakey through ball in the 82nd minute resulted in the ever-lively Tranter to finish calmly into the corner. Vics stood firm for the win. Its great to see the lads improving and a decent crowd supporting from the sidelines. We go again on the 23rd away to Shrivenham. No devs football next week but gives us chance for some work on the training ground. Now over to the 1sts today, a tough test down at the Monk , let's hope their fantastic form continues. #UTV

MVFC YDT – North Wilts Youth League

Its been a week of mixed fortunes for the lads but we’ve seen some great performances on the pitch from everyone.

Last Sunday we made the short trip to visit Wroughton Youth Jaguars, a team who have been strong at this age group for many years. The lads came of the blocks firing from the first whistle and caused all sorts of trouble to to the home defence, it was only a matter of time before goals started to flow and they did. 5 different scorers in Louie Gascoyne, Josh Stokes, Mak Sujeewon, Alex Walker and Freddie Elliot, aided by one OG saw the Final whistle go at –6 and a great 3 points to keep the strong start going.

We then moved on to Thursday night and the next round of FA Youth Cup, this time our hosts were Swindon Supermarine, and we knew this would be a tough proposition when we first saw the draw. This was shown to be the case and we were put under strong pressure almost immediately but the lads put up a good show. The final score slightly flattered the home side with 4 later goals to end 6-1, we wish them luck in the next rounds.

Tomorrow, we play host to Stratton Youth in the league, a bit of an unknown but we’d love to see a good crowd to shout the lads on, it’s 10.30 ko with the clubhouse open, see you all there.

Tuffley Rovers • Club History

The late Donald E Hall founded Tuffley Rovers FC in 1929. The Club's Headquarters were in a former railway carriage, which served as Mr Hall's Boot and Shoe repair shop on the Stroud Road at Tuffley in the City Of Gloucester. The Club started its playing life in the North Gloucestershire League. Senior XI Championship honours include that of the North Gloucestershire League and Stroud and District League (4 times) and in 1987/1988 the Club were Champions of the Gloucestershire Northern Senior League and gained promotion to the Gloucestershire County League.

After two seasons of consolidation the Club won the County League Title in 1990/1991, their application to join the Hellenic League was successful and they were accepted into Hellenic Division One. Progress continued as in the 1992/1993 season Rovers were Champions of Division One and also Division One League Cup Winners and after promotion competed in the Premier Division of the Hellenic League from 1993/1994, regularly finishing in the top half of the table. The 1998/1999 season saw Tuffley win the Norman Matthew's Floodlit Cup defeating Carterton Town in the final. Whilst the Club enjoyed this success, the 2nd XI and 3rd XI also gained promotion and championship honours. The 1998/1999 season saw the 2nd XI win the Northern Senior League and reach the finals of both the County Cup and League Cup, unfortunately losing out on both occasions. Promotion, however, was not possible as reserve teams were not allowed at that point to enter the Gloucestershire County League and progress further up the pyramid system.

The Club continued to thrive in the Hellenic League and managed to win the Floodlit Cup again in the 2002/2003 season defeating Brackley Town over two legs in the final. However, the ever-changing ground grading requirements, if the club was to remain in the Hellenic League, and the financial strain these improvements imposed on the Club forced Tuffley Rovers to make the decision to withdraw from the Hellenic League in 2005 and settle for local football in Gloucestershire.

After a difficult start Rovers were crowned champions of Division 2 of the Northern Senior League in the 2005/2006 season and were promoted to Division 1. After a slow start the team put together a consistent run and managed to claim the Division 1 Title as well as win the GFA Senior Amateur Cup and reach the final of the Reg Davis Memorial League Cup.

A return to the Gloucestershire County League followed and the club finished a very creditable 4th place (2007/8) but the summer of 2008 saw a number of senior players retire. Over the next few seasons, an evolving squad finished 11th, 3rd, 6th and 3rd in the County League, before the 2012/13 Season marked an improvement for the club. After challenging for league championship honours all season, the club couldn't quite maintain the form to secure the title, finishing second. However, this was enough to gain promotion to the Hellenic League Division One (West) for the 2013/14 season.

On their return to the Hellenic League, The Rovers saw a season that witnessed some turmoil – including the departure of manager, Doug Foxwell – to record a decent sixth place finish and some good cup results. This was followed up with the Runners'-up spot in 2014/15 and promotion back to the Hellenic Premier Division, exactly ten years after they had withdrawn from the League.

The first season saw a struggle against relegation, ultimately resulting in the resignation of Warren Evans as manager, before the club retained their status due to a vacancy in the league, after finishing 17th. Mark Pritchett was then appointed as Player/Manager and took the side to consecutive 10th placed finishes, before a 15th place finish in 2018/19. Two pandemic affected seasons then passed, with Pritchett leaving the club part-way through. Rich Cox took over as Manager for a single season, but resigned midway through 2021/22 after a disastrous run of results. Former Manchester United player Neil Mustoe then took over, steering the club away from danger (finishing in 17th place).

Since the resumption of full-playing activities, Mustoe has had one full campaign, with the club finishing in 18th place and narrowly avoiding relegation from the Hellenic League Premier Division.

2023/24 PLAYER PROFILES

Jack McCormack **Defence**

Another new signing, who can play at full-back or in the centre of defence. Joined from Mangotsfield United, where he made a handful of appearances in 2022/23. Tall defender, who is confident on the ball and could be a very shrewd acquisition.

Mark Pritchett **Defence**

Another player who tasted Hellenic League title winning success at Bishops Cleeve during his time away. Previously at Rovers as Player/Manager before stepping away from the role during pre-season in 2021/22. Now back at the club his father had great success at, offering a no nonsense, uncompromising, good old-fashioned performance in every game, whilst also offering a threat in the opposition box.

Warren Mann	Defence/Midfield
--------------------	-------------------------

Our longest serving player and has now made over 500 appearances for the Rovers first team at Step 7 and above, which is a record for the club. 'Wazza' may now lack pace in comparison to the winger who started with the club, but is hugely committed and massively experienced. Brings energy, passion and excellent technique; he's constantly involved in every game. Practical joker off the field; usually the opposition support's least favourite player!

Ashley Davies **Defence/Midfield**

In his 3rd spell with the club. Has had spells away at Hardwicke, Shortwood United & Cinderford Town but returned in 2021/22! Was Neil Mustoe's 1st signing and an incredible coup. Brings class on the ball, a physical presence, leadership and a wonderful work ethic to the squad - his influence is of huge value to the club.

Sammie Hicks **Defence/Midfield**

A wonderful footballer, who finally seems to be overcoming some of the injury challenges that had previously restricted his appearances, both at Cinderford Town and then at Rovers. Talented midfielder, who can also play at the back or in more advanced positions. Could be a vital member of the squad, if he can stay fit.

Dayton Fallows

Midfield

One of a crop of youngsters who could breakthrough this season. Mature beyond his years, he came through the youth section and has shown he is good on the ball and hard-working. This could be a vital season in his development as a future first team player. One to watch in 2023/24 and beyond.

TUFFLEY ROVERS AFC

Callum McGuirk **Midfield**
Signed from Longlevens in 2022, where he’d largely been used at full-back, he is a hard-working midfielder, who looks comfortable on the ball. Played academy football during his earlier years, including a spell at Bristol City. Was originally with the Rovers, where he featured in our U18s squad. His versatility is a big attribute but he’ll be keen to secure place in the midfield positions.

Liam Smith **Midfield**
Another player with Southern League experience. Calm in possession and possesses a good passing range, whilst also physically strong, will be looking to hold down a regular place in the side, after two injury hit campaigns in 2021/22 and 2022/23. Offers experience and capable of dropping into the back four when needed.

Henry Birkett **Midfield**
Now in a 3rd (or 4th!) spell with Rovers, after a fairly nomadic life in Hellenic League & County League football. Great energy, good passing ability, hard-working and contribute goals, as well as good delivery from set-pieces. Has become an increasingly influential member of the team and won Manager’s Player of the Year in 2022/23.

Jack Twyman **Midfield**
A new signing and one that could be a real coup! Injuries have taken their toll over the years, but ‘Twy’ has played at a good level, with plenty of Southern League experience at Slimbridge and Yate Town. Has been managing at County League Hardwicke over the past couple of seasons but we’re now hoping some of his injury problems are behind him and he can make a successful return to playing. Calm on the ball, creative, destructive...has all the qualities of a top midfielder.

Connor Walters **Forward**
Wide player who joined from Gala Wilton in the summer and made a really positive immediately. Quick, strong and full of trickery, this mercurial talent could be a really fantastic addition to the Rovers squad. A goalscoring threat who will be looking to tie down a regular starting place.

Tomos Shyapant **Forward**
Youngster who has been a consistent goalscorer for both the U18s and Development Squad over the past three seasons. Highly rated and a genuine prospect. Natural finisher, who will be looking to build on a run in the first team last season.

2023/24 PLAYER PROFILES

Jake Rhodes **Forward**
In his 2nd spell with the club, having signed in the summer, following spells with Bishops Cleeve (another title winner!) and Shortwood United. An all-round centre-forward who can hold the ball up, create chances for others, and is good finisher. Very strong in the air, so will add a new dimension to Rovers’ attack.

Kieran Alder **Forward**
Returned to the club last season, after spells with Cinderford Town, Bishops Cleeve and Worcester City, but another player who suffered with injury. Now on the road to recovery. A gifted No.10, whose work rate is as noticeable as his talent on the ball. Our most creative player. Previously part of Neil Mustoe’s U18s side at Gloucester City and now reunited with him at Rovers.

Blaine Waugh **Forward**
Another member of Bishops Cleeve’s Hellenic League title winning side, Blaine has signed on a dual registration basis from Cleeve and could be a great additional to the squad. Capable of playing in deeper positions – another versatile player.

Yeshaya Lomotey **Forward**
Powerful striker who joined in 2021/22 after spells at other local clubs, including Slimbridge and Cinderford Town. Offers quality on the ball and packs a powerful shot that is a potent weapon. Will be hoping to stay fit and if he does, will be looking to contribute a regular supply of goals.

Neil Mustoe **Manager**
Appointed as Manager in January 2022, took the club away from relegation fears in 2021/22, before successfully battling against relegation in 2022/23. Spent many years as a professional at Manchester United, Wigan Athletic, Cambridge United, Stevenage and Yeovil Town, before over 350 appearances for Gloucester City. Previous coaching experience with City before a spell away from the game until his appointment with The Rovers.

Liam O’Neill **Assistant Manager**
Appointed as Assistant Manager in 2023, after a spell as Manager at Frampton United. Liam is still in the formative stage of his coaching journey but will offer great support to Muzzy.

Sam Tandy **Physio**
New for 2023/24 and son of legendary Gloucester City physio Ade Tandy. Can play as a keeper!

History of Malmesbury Victoria FC

The Club was originally formed in 1898, and was known as Malmesbury Town, then Malmesbury United. Then in the 1960's, amalgamated with a successful Swindon Club known as Swindon Victoria. The Club has played in various locations in and around the Town before eventually settling on the present site, known as The Flying Monk Ground. The ground was previously owned by the pub known as The Flying Monk.

There have been ups and downs over the past few years, but in 1999/2000 the Club was extremely successful with both Saturday sides winning their respective Leagues for the first time since 1974. The first team won the Wiltshire Premier League to clinch promotion to the Hellenic League, with the reserves winning the equivalent Junior Division to gain promotion to the Premier Division.

During their first season in the Hellenic League the first team acquitted themselves well to finish 4th in the League. Since then things have been much harder to finish in the top half of the league, but in 2001/2002 the Club did win the Wiltshire Senior Cup. 2004/2005 saw the Club decide to start an Under 18's team in the Wiltshire Floodlit League.

The Club has made huge steps to improve the facilities, in the summer of 2004 the giant step of installing floodlights was completed and the summer of 2005 saw the complete refurbishment of the Clubhouse.

In the 2006/07 season, we were unlucky not to get promotion into the Hellenic Premier League, finishing in fourth place. The following season 2007/08, we had a poor start, and half way through, after a change of management finished the season in 15th place.

The 2008/09 season saw the Club finish in the runners-up spot in Division 1 West, and with it came promotion to the Hellenic Premier Division, this being the Club's highest level of football in its history. However, the Club was relegated at the end of 2009/10 as the ground had not reached the required standard to continue in that division.

After dropping down and asking local legend, Wayne Kibble to run the senior sides and return a focus to local players, the club saw great success in the Wilts premier league, ending in being champions in 2014/15 season and gaining promotion to the Western League for 2016/17 season and finishing in a very respectable 9th position. Following a mid-table finish in 2017/18, League re-structuring has seen the club return to the Hellenic League in the 1 West Division where we look forward to renewing old friendships and making new ones.

The Club is in the early discussion stages to move to a new ground close to the present one, but high enough not to have to worry about flooding.
