Bagshot FC a brief history

Bagshot FC was established in 1906, and for many of the early years the team played in the local Ascot and Woking district leagues.

In that period the club played matches at Pennyhill Park and Connaught Park in the village.

In the late 1970s the club were permanently based at the Pennyhill Park ground, College Ride.

In 1982 the club were promoted to the Surrey Intermediate League, and each year won successive promotions.

The club won the Senior Division championship in 1986-87 and were then promoted to the Surrey Premier League (later to become the Surrey Elite League).

The club were also Surrey County cup semi finalists in 1985 and 1986.

After more successful seasons in the Surrey Intermediate the Club then moved into the Berks and Bucks league, with the highlight winning the Maidenhead Norfolkian cup in 2007 before leaving for the Aldershot and District League

After winning Division Two in 2005–06 they were promoted to Division One, which they won in 2008–09, earning promotion to the Senior Division.

They subsequently won the Senior Division and the Surrey Intermediate Cup in 2011–12, before going on to win both the Senior Division and Senior Division Cup double in both 2012–13 and 2013–14 along with the Aldershot cup

After winning the Senior Division again in 2015–16, they were promoted to Division One of the Combined Counties League for the first time in club history.

This is all due to the hard work and time that the Wickens Family have put into the club for over the last 40 years.

Match Preview

Good afternoon everyone,

We welcome the players, management and committee of British Airways FC to Calthorpe Park for today's game.

This is our opponents first season in the Combined Counties league after being promoted as champions of the Middlesex County League Premier Division, and they ground share at Bedfont & Feltham FC.

They have made a good start to their first season, currently sitting in 10th place, having won 7 and lost 7 with 3 drawn.

In the reverse fixture back in August, on a hot day we came away with a 2-1 win, which was a great turn around after the disastrous result the previous week.

Last weekend we narrowly lost 1-0 in a local derby away at Sandhurst Town, a tight game being decided by a first half goal, and despite second half pressure we were unable to create any clear cut chances to grab a draw.

Next weekend we face Sheerwater at Woking FC, where they are ground sharing, followed by the re-arranged fixture away at Cove FC on Tuesday 11 December.

This is followed by 2 home games before the Xmas and New Year break: a local derby against Fleet Spurs on Saturday 15 December and then Tooting Bec on 22 December.

Unusually this year we have no games over the Xmas and New Year break.

We hope you all enjoy today's game.

British Airways FC

Very little, if any, early history of the BA football team can be found except an entry in the initial minutes of the then Speedbird Club where the BA Football team was one of 6 other BA sections that were formed as part of the Sporting and Social Club for BOAC. So it seems that the earliest date we can verify is April 1947 for the BOAC team - no such evidence can be found for its counter part BEA. What we do know is that the BOAC & BEA teams have played in various local leagues since the inauguration in 1947. As part of a UK Aviation review UK airlines were integrated into one airline; British Airways the United Kingdom's national airline, was formed in 1974 with the merger of the two largest UK airlines, British Overseas Airways Corporation (BOAC) and British European Airways (BEA), and also included two smaller regional airlines, Cambrian Airways and Northeast Airlines. The merger was the completion of a consolidation process started in 1971 with the establishment of the British Airways Board, a body created by the British government to control the operations and finances of BOAC and BEA, which initially continued to exist as separate entities.

When BEA & BOAC merged in 1974 to become British Airways it took another 8 years before the teams amalgamated to become one all-encompassing British Airways Football Section this was driven by the sale of the 'old' Silver Wing Club at Northolt to Ameretto's Country Club and all sporting activities from Northolt moved to the Concorde Centre (formerly Speedbird Club) at Heston. The amalgamation of the two clubs created a huge football section with over 200 members. At that time there were approx 15 adult teams comprising of BA Staff from office workers to pilots from baggage handling to IT programmers. The teams played in local leagues such as the Hanwell and District Mid Week League (folded many years ago) this mid week league was followed by the Airport League which has now also folded. The Sat teams played in the West Middlesex League (that has now also folded) the teams moved to the London Commercial League. This League had ten divisions at one time with at least 10 teams in each division and all the teams had to have their own sports grounds! All this has gone now with companies selling off the land the private developers or deciding that they couldn't afford to run sporting activities any longer, no wonder we are all getting fatter!

The Football teams at British Airways have had a very long, successful and proud history in Middlesex Junior football winning many league and county honours along the way. The BA Sat 1st team are probably one of the most successful teams: in Middlesex Junior football we have won the London Commercial League the Div 1 title and Senior League Cup on many, many occasions. The team have also been successful in the Middlesex County Intermediate Cup winning this cup 8 times and in 2005/06/07 this trophy was won 3 years running - a feat not equalled (so far!)-we have also had success in the Middlesex County Premier Cup winning the trophy in 1997 against a very strong Hayes Reserves XI.

Since moving to the Middlesex County League in 2007 we have won the Premier Div twice and finishing top of the Premier League we have now gained promotion to the Combined Counties League - a big step up for our Club, we hope to justify our promotion with a good showing in a first year. We will also be playing at Bedfont and Feltham in our new ground share arrangement with Brian Barry and his team.

MATCH REPORTS

Bagshot 2 Walton Casuals u23 2 (Bagshot win 4-1 on penalties)

Southern Combination Cup

Bagshot progressed to the second round of the Southern Combination Cup after beating Walton Casuals u23 4-1 on penalties, and have been drawn against the Walton Casuals first team. They fully deserved their win after dominating the majority of the game, but still twice going a goal behind. On both occasions they fought back to equalise, young Cavan Atkinson making it 1-1 before half time, and then Rob De'Ath getting the second to take the tie to penalties.

Frimley Green 3 Bagshot 2

Aldershot Senior Cup

An experimental Bagshot side were narrowly defeated against a strong Frimley Green side, going down to a goal 2 minutes from time.

Bagshot played with great pace and looked threatening in attack, and come back twice from going behind, first from Josh Ogunseye then Lekan Osideko.

The game became very open and end to end and Bagshot had a couple of chances near the end to get the winner but were caught out on the break

Bagshot 1 Dorking Wanderers u23 0

This was a tight game with few chances for either side. Ben Roberts in the Bagshot goal was rarely troubled but handled any Dorking efforts confidently.

As the game wore on it looked like one goal for either side would decide the game, and Bagshot grabbed this in the 82nd minute when Jacob McDonald scored from the rebound after the keeper had pushed out a free kick.

The referee added on 7 minutes of time when there had been few injuries but Bagshot held out to grab a second league win on the trot.
