FOOTBALL CLUB**

MAGHULL FOOTBALL CLUB

The club is based on the picturesque Old Hall Field, partly surrounded by the Liverpool Leeds Canal and in site of St Andrews Church. We run two senior teams in the West Cheshire League, but contradictory to its name competing teams come from all over Merseyside , the Wirral and as far afield as Chester, Skelmersdale and Southport.

MAGHULL FOOTBALL CLUB

Maghull Football Club has experienced a great deal of development and success over the recent seasons. As well as producing 23 junior boys and girls teams the senior sides have won 6 trophies in the last three seasons.

In order to continue that level of attainment we have a need to raise funds from local sponsors that will enable us to pay for kit, equipment and to keep our ground and clubhouse in pristine condition
