Minis & Junior Rugby

5th September is the registration day and the first training session at 9:45.

Players will need to come into the clubhouse with parents where appropriate and find the relevant team manager for their age group. Their details will be checked.

See next page titled URGENT.

When all is correct, your child will then receive a sticker to show the coaches that they are all set up to train and play rugby.

They will NOT be able to train without a sticker.

URGENT

**Junior & Minis
Deadline : 5th September**

You must have

- 1) Filled in all of the correct Pitchero details for yourself and child, and changed the date on the form**
- 2) Affiliated your child with the club via [GMS](#) [RFU](#). It is now mandatory that parents do this every year (club membership secretary has done it in the past) so that your data is protected and your child can play in matches.**
- 3) Filled in your child's availability for training and festivals on the Pitchero app (or website)**

Your team manager will be able to guide you.

Walking Rugby

Seaford RFC are one of only a handful of Sussex clubs that offer 18 years old to 98 years old a revamped form of rugby for all abilities. With mixed ages and genders all playing at once this, “non contact”, sport is for all to take part in.

We meet **every Sunday at Seaford rugby club, The Salts recreation ground, BN25 1DR at 10:00 and play for approximately 1 hour and 15 minutes.** All you need is appropriate footwear (second-hand/cheap football or rugby boots are best) as the ground can be slippery and some loose fitting clothing and we do the rest; warm up and stretches, game play/training and cool down and stretches.

We only expect you to do what you feel you can within your own comfortable limits.

Please come along and give it a try and you will leave with a smile and feeling energised.

For any further information please contact Andy Cambridge 07724240279 or email seafordwalkingrugby@outlook.com
