March 2010

Indoor Season Report

We have again had a successful indoor season at all age groups.

All three A teams have won their respective leagues and are in the Semi finals of the Cup competitions.

The coaches and club officials would like to thank you all for your support and help during the winter period and hope teams can carry their form into the outdoor season.

As part of the sections development we would like to get away from A & B teams. We are looking for suggestions from parents and players as to ways of distinguishing between the two teams at each age group. Colours, names etc.

Any assistance from parents able to help with training or match day duties would be greatly appreciated, please contact a team coach if you can offer help.

We would like to stress the importance of attending regular training sessions in order to attain maximum development of players.

Outdoor training starts in April as detailed below at Broadstairs Cricket Club, Park Avenue, Broadstairs.

Please contact one of the coaches detailed on this newsletter if you have any questions or are unsure if training will be on due to weather conditions.

Many thanks

Broadstairs C.C Youth Coaches

Natwest Cricketforce is a Cricket Club volunteers day run throughout the country. Ours will be run on a Sunday in April. There will be plenty of things to do and ways to get involved.

Email with full details to follow.

Cricket Nets

Due to continued vandalism over the past couple of years it has now become necessary to replace the cricket nets. The cost of supplying new netting will be in the region of £550.00. We have decided to start a fundraising effort. Email with full details to follow.

In the meantime if anybody would like to donate funds towards this cause please speak to a committee member. Thank You.

If you have any questions regarding the training and squads please contact
