## Junior Welcome Pack 2018

### Chairman's welcome

"Welcome to Hartshorne Cricket Club (HCC). Hartshorne Cricket Club is a traditional "village" cricket club whose objective is to get as many people in our area involved in cricket – whether it be as players, parents, volunteers or coaches. Whilst we like to win, Hartshorne Cricket Club has a family feel to it and is as much about participation, community spirit and having fun.

Children and Youth cricket is the heartbeat of our club and we are proud to have more junior members than senior members at Hartshorne. We cater for children from 5-17 and run teams at various levels. We particularly encourage girls to participate.

HCC is a Sport England "Clubmark" club which is the universally acknowledged cross sport accreditation scheme for community sports clubs. It shows that a club provides the right environment which ensures the welfare of members and encourages everyone to enjoy sport and stay involved throughout their lives. An accredited club is recognised as a safe, rewarding and fulfilling place for participants of all ages as well as helping parents and carers know that they're choosing the right club for their young people.

In order to ensure your child is safe we have a range of child welfare policies which are followed. These are all accessible via our website and it is worth taking the time to read and familiarise yourself with our club policies. The club website is found at <http://www.pitchero.com/clubs/hartshorneccricketclub>

I'm delighted to welcome to you our club and am more than happy to answer any questions you may have."

## Club Welfare Officer

"Hi, my name is Jonathan White and as Club Welfare Officer my role is to ensure that your children are safe and happy at HCC. I have two children and a nephew at the club and have seen how cricket has enabled them to gain confidence, make friends, have fun and develop skills such as team work and responsibility.

As well as helping with coaching, I manage the under 13s team and play for both senior teams. I am also a governor at Eureka Primary School. I ensure that all our policies are adhered to and make sure that all coaches are CRB checked.

I regularly undergo child protection training and I am the main point of contact for any issues relating to child welfare".

## Coaches / Volunteers & Bursaries

Hartshorne Cricket Club is wholly reliant on the goodwill of a small band of volunteers who are increasingly stretched. We always need more coaches, managers, committee members, ground staff, and administrators. If you want to help with the club, even for an hour a week, please speak to Steven Tomlin or Jonathan White who will let you know what roles we have available. We are also able to fund training for children from less well-off backgrounds who may not be able to afford our membership fees. Please contact Jonathan White.
