## COACHING OPPORTUNITIES

Selby RUFC has two exciting lead coach opportunities available for the right candidates within our women and girls' section:

- 1. SENIOR WOMEN LEAD COACH / PLAYER COACH**
- 2. UNDER 18s GIRLS LEAD COACH**

We are very proud of our women and girls' section at Selby RUFC and run sides at every age group of 12s, 14s, 16s, 18s and seniors and want to continue to grow female rugby participation at grass roots level within the local community.

Our objective is to ensure that every girl will have an enjoyable experience training and playing rugby in a safe and secure environment. For those who really want to progress, we have a great record of players representing Yorkshire and the RFU Centre of Excellence.

For both positions:

### **Roles and responsibilities:**

- Plan and deliver a season long training programme – both 18s girls and women train at 7.00pm on a Wednesday evening at Selby RUFC. Sessions should be player centred and challenging but also fun and enjoyable.
- With support from our RDO develop individual player development plans.
- Lead the squads on match days – these tend to be Sunday afternoon but we can on occasions be flexible with match days and times depending on other planned activity.
- Work with other coaches in the women and girls' section to deliver the best rugby experience we can for our women and girls.
- Monthly coaching contribution to our own Junior Player Development Programme.

### **Qualifications and Experience:**

- ERCA (or RFU level 2 Coaching Award) – coaching support and development will be available including support in gaining RFU coaching qualifications.
- Ideally 2-3 years coaching experience.
- Playing experience not essential but preferred.
- First aid training and safeguarding awareness.
- An understanding of the barriers to participation for girls and women.
- Knowledge and understanding of the female rugby pathway.

Both positions will be remunerated with the rate based on qualifications and experience along with a kit bundle and the support of a forward thinking and well-run rugby club.

If you are interested, please email a CV and covering letter to Selby RUFC Rugby Development Officer, Richard Nicholson at [rdo@selbyrufc.com](mailto:rdo@selbyrufc.com) . The closing date for applications is Friday 9<sup>th</sup> June 2023.
