I would like to wish our visitors from Keighley a very warm welcome to Sandhill Lane for the second home fixture following the Christmas break. Our visitors are currently on a good run of form, having beaten Middlesbrough, Crossleyans and Guisborough since the turn of the year and now seem pretty assured of Yorkshire 1 status next season if the shake up of League Rugby in the North of England doesn't impinge too much on the Yorkshire Divisions. Unfortunately we find ourselves in what has become fairly familiar territory over the last few seasons, occupying one of the two relegation spots following disappointing results recently against Dinnington and Crossleyans. However, I know just what a great set of fighters our players are and am certain that it will only take a couple of good results (hopefully starting this afternoon) to help turn things round.

President Ray Adamson pictured with Darryl Wilkinson (1st XV Vice Captain) and Charlie Cicero (1st XV Captain)

When we travelled over to Keighley earlier in the season to play on their much-discussed 4G pitch, we eventually managed to get on top and were justly rewarded with a victory which meant that Keighley had only a solitary victory against Guisborough to their name. However 6 wins since then have helped lift Keighley up to 10th place in the League and given them a 10 point cushion over Rishworthians in 11th place. We currently sit 2 places and 1 point further behind, so the relegation issue certainly looks like being every bit as tense this year as we have seen in the last few seasons

Lat weekend's other Senior results saw our 2nds continue their rapid improvement with a hard fought 17-33 win away at Wath, the only team to gain a win on the day, with the thirds going down to a strong Ossett 2nd XV and the 4ths not quite having the strength to hold a physical Castleford second team. However I trust that all the 4th team players will have enjoyed their opportunity to play on our fantastic First Pitch, even though it caused a few to "cramp up" in the later stages. There was talk of possibly turning out a 5th team, but unfortunately JCP was unable to find suitable opposition and so Feb 2nd has been earmarked as the next occasion when we may try again. After the trials and tribulations of last season, it is a great testament to players, captains and managers of our lower sides that we are once again seeing very healthy numbers of players at a time when many other clubs are having a real struggle.

Today promises to be another very busy day at the Club with a second pre-match Lunch of the year, Planet Platforms occupying the Swans' Nest for their day of Sponsorship (for which we remain extremely grateful) and the Annual Extravaganza that is "Stars in their Eyes", which is approaching its 20th year and shows no sign of losing its popularity. Thanks of course go to all members and friends who dare to tread the boards in front of a captivated audience and to DB and Ady who I presume will once again be responsible for bringing it all together.

In conclusion, I would like to offer a gentle reminder to everybody taking part in or spectating this afternoon's game to please show respect to the match officials, players from both sides and other spectators. There is nothing better than a hard fought game of Rugby played out in front of a knowledgeable and friendly crowd and we all have to play our part in ensuring that everybody here this afternoon can go home afterwards having enjoyed some great entertainment, whether a player, flag man, referee, water boy, allickadoo or a member of the paying public. We have a duty to all visitors to Sandhill Lane to ensure that their afternoon is not ruined by the actions of one or two individuals and that everybody adheres to the RFU Code of Conduct, so I would ask that everybody makes sure that they behave in a manner befitting our great game.

Building homes of the future today.

Adina are not your usual house developer. It is our belief that family homes should give families the space to live and grow. We ensure that all of our homes are built on larger than average plots, so the inside and outside space is not just practical but enjoyable. Our mission is to build sustainable and energy efficient future proofed homes.

AIRFIELD BUSINESS PARK, ELVINGTON, YORK, YO41 4AU

REG PHILLIPS | THE VIEW FROM THE BALCONY

We are pleased to welcome our visitors, Keighley from the far reaches of the West Riding to our humble North Yorkshire home

Keighley is well known as a popular sporting & cultural Mecca, attracting visitors from as far afield as Cleckheaton, Mirfield & Lahore.

Keighley Cougars RLFC are a semi-professional rugby league team based at Royd Ings Avenue, well known amongst local banks & moneylenders, they play in the Co-operative Championship continuing a recent history of unpaid bills, unpaid players and empty stadiums. Promotion from this league was once upon a time a fantastic dream, but over the last 3 years mere existence has been the dream. The ground's historical/traditional name is Lawkholme Lane but has more recently been named Cougar Park after a local well-known middle-aged Tinder celebrity. Keighley RUFC are based at Rose Cottage, Utleigh and play in Yorkshire league one.

Keighley is home to Timothy Taylor Brewery, the makers of award-winning ales -Landlords Paunch and Doltmaker (previously known as Wife Beater, but following a national outcry by the Gender Police re-named Partner Puncher). They also brew Ram Tam Spam, Golden Breast, Dark Mild (a Sri Lankan favourite)and a new French style blonde ale, Le Champion, which scored a 69 in local voting and was first brewed for the Tour de France in 2014. They also own many pubs in the area, including the Alberts Trousers Hotel, The Doltmakers Arms, The Prince Philips Saloon, The Lord Rodney & Dell and The Royal Oak in Keighley.

Keighley has a popular local music scene. There have been various venues where local bands play. Most notable was the now defunct CJ's bar (also known as Chrome, VW's, Cheese and Trumpet) that played host to many popular touring bands such as Tim Taylors Jitterbug Jivers, John Cougar Melancholy, & Take Them. Examples of local bands are the Sailmakers, the Undecided, Foxes for Faux Sake, Random Hand, the Get Gums, Eyesore Angels and Bread Message who recently parted ways after 9 years. The British rock bands Skeletal Family and Terrorvision were also originally formed in Keighley.

Keighley's Picture House, a cinema on North Street opened in 1913 making it one of the oldest in Britain. A brief closure in the mid-1990s following the employment of a cleaner prevented it from being listed as one of the oldest in continuous operation – a record that goes to the Curzon Cinema which opened in Clevedon, Somerset in 1911.

The Airedale Shopping Centre houses the 12-foot (3.7 m) tall statue of the giant Rombald holding a boulder above his head, with a glass of Doltmaker in his other hand. It was moved to a different part of the centre when the glass he was holding stopped being magically refilled. A public consultation favoured placing the statue on the Beechcliffe roundabout on the A650 road but it was decided that the figure was too gender specific & the glass of Doltmaker was replaced with a Gin & Tonic (Rhubarb Gin with a Mediterranean Tonic). According to local legend the giant Rombald threw a giant rock at his wife almost killing her, but managing to revive her with a Gin & Tonic (Tanqueray with a Juniper Tonic & a slice of cucumber) The rock is the "calf" of "cow and calf" rock fame which can be seen today at the top of Rombald's Moor on Ilkley Moor.

LAST TIME WE MET AT SANDHILL LANE - 9 SEPTEMBER 2017

Selby RUFC 14 – 17 Keighley RUFC

On a wet pitch on a sunny afternoon, with the rain holding off until the end of the match, Keighley took the kick off to the Leeds Road end of the ground. After resisting early pressure Selby took the game to Keighley dominating the first quarter of the game and had a chance to take the lead on 12 minutes after centre Alex Webster kicked through the Keighley defence for winger Harry Cruise to expertly gather but a foot in touch foiled the try scoring opportunity. However, Selby continued to dominate and they did go into the lead on 17 minutes with an excellent kick through the Keighley defence on the 35 metre line by scrum half Danny Wilkinson – full back George Stoker was on hand down the right to gather and squeeze through the Keighley defence for an outstanding try in the corner – fly half Scott Hunt kicked a magnificent conversion from the touch line for a 7 points to nil advantage for the hosts. Keighley, however, always looked a useful side and the more the half wore on the more they came into the game. A three point penalty opportunity for Selby was spurned in favour of a kick to the corner but the resultant catch and drive came to nothing – something which, in the final analysis did prove to be costly. Keighley drew level on 33 minutes after a spell of pressure saw their centre Adam Horsfall over for a fortuitous try near the corner after the referee had missed a blatant knock on – fly half Alex Brown converted to level the scores at 7 points apiece. Selby came storming back and re-took the lead on 37 minutes after a successful scrum on the Keighley 35 metre line – Selby number 8 Charlie Cicero picked up from the base of the scrum before breaching the Keighley defence and feeding scrum half Danny Wilkinson who scooted over for an excellent try to the right of the posts – Hunt converted to restore Selby's 7 point advantage at 14 points to 7. Keighley had the chance to reduce their arrears in added on time after Selby were penalised for 'going in at the side' but Brown's penalty attempt went wide. Selby went in at the break with a 14 points to 7 advantage after putting in an excellent first half performance.

Ten minutes into the second half, Selby once again spurned the opportunity of a very kickable penalty, favouring a kick to the Keighley 10 metre line – the sustained pressure from a successful catch and drive once more failed to bring any reward after the ball was eventually knocked forward and it was Keighley who were the next to score after a kick out of defence found touch on the Selby 22 metre line – Selby lost the line out and after sustained pressure from the Keighley forwards, Adam Horsfall was on hand to force his way over for his and Keighley's second try near the posts – Brown's conversion once more brought the scores level at 14 points apiece. Keighley then dominated much of the last quarter and went into the lead on 63 minutes when Selby were penalised for holding on near the half way line – Keighley decided to have a shot at goal with Brown (a thorn in Selby's side for many a season) kicking the penalty from 49 metres and giving his side a 17 points to 14 lead. Try as they may Selby were unable, meaningfully, to penetrate a sound Keighley defence for the remaining 20 minutes of the match and finished with the small consolation of a losing bonus point – however, this was enough to lift Selby off the bottom of Yorkshire 1 to 12th place in what is proving to be a 'topsy turvy' and tight Division.

After an excellent first half performance, Selby appeared to lose much of their intensity in the second half with their line out, in particular, suffering badly, losing 5 successive line outs on their own throw. However, taking into account that at least 6 key players were missing through injury or unavailability, this was a promising performance with those selected 'stepping up to the plate'. Once Selby's intensity can be maintained for the full 80 minutes then wins should be more of the norm than defeats.
