The Swan

Selby's Official Match Day Programme

1st XV v Beverley RUFC

Welcome to our Club and Player Sponsors

PLEASE DO NOT LEAVE CARS PARKED OVERNIGHT

Good afternoon and a very warm welcome to Beverley for the final home League match of another enthralling season for our First XV as we continue to ensure that we avoid dropping into the relegation area of Yorkshire 1. Beverley currently sit in 5th position in the table and are certain of a top 6 finish this season with Dinnington 10 points adrift in 7th position. A look at results through the season suggests that Beverley probably feel themselves capable of better things, but some surprising results away from home against lower ranked teams have cost them dear. Recent thumping wins at home to Middlesbrough and Crossleyans were either side of an unexpected defeat away at Keighley. On a personal level I would like to think that their achilles heel will hamper them again today but I feel certain that they will be doing their utmost to ensure it doesn't.

In many ways that sort of scenario sums up our First XV too. We have seen some terrific performances in recent victories against Brodleyans and Pontefract which seemed to be taking us to safety, but then, when presented with a chance to nail it down with a game at Rishworthians, we were unable to drive ourselves over the finish line. The frustrating lack of consistency is hopefully something that the boys will reflect on both individually and collectively once our position in Yorkshire 1 is confirmed, but there is no doubt in my mind that the number of changes in personnel due to injuries and "other reasons for absence" have made for a difficult time for the coaching staff throughout the season. However we must always remember that we play at a level that is regarded as Social Rugby, we never have, nor ever will, pay players for playing for us, and yet every player that pulls on a Selby shirt goes onto the pitch absolutely prepared to do their utmost for the team and the Club.

In many ways March has been a tremendously successful month for the Club both from a playing perspective and I hope (if Farmers Day and Openfield Lunch are anything to go by) financially. On an individual level I would pass on my congratulations to Eddie Brown and Adam Leetham on their selection for the Yorkshire Under 20s Squad (even though the fixture against East Midlands was subsequently called off), to Max Wotton who was selected to play for the Yorkshire Under 17s but chose to play for our Senior Colts in their Plate Final at Huddersfield (Good on 'im!) and finally to Sam Pocklington on being awarded a first Professional Contract with Doncaster Knights (his dad Jamie assures me that Sam still regards Selby as his "Home Club").

On a team level I have already mentioned the terrific performances by the First team against Brods and Ponte and hope we are able to finish the season off on a high with 2 more top quality games today and away at Hullensians next week. In my last set of Programme notes I congratulated our Senior Colts on clinching top spot in their League and I now wish to say another public "Well done" to Harrison Green as Captain, his squad of players and the coaching staff for completing an excellent double by beating Scunthorpe in the Fianl of the Yorkshire Plate Competition by 45 points to 5. Cup glory is also very much in the minds of our Third XV who made it through to the Semi Final of the North Yorkshire trophy last weekend with a hard fought win away at Ribblesdale (more importantly, though, they ensured the Sheepsh**ers Trophy stays at Sandhill Lane!). My trip to support our Senior Colts meant that I was unable to represent the Club at the Yorkshire Under 17s match at Sandhill Lane, but it is another feather in our Club's cap that we continue to be one of Yorkshire's "go to" Clubs when the Yorkshire Committee are looking for somewhere to host a fixture, safe in the knowledge that we offer the facilities, the welcome and the service that make them want to return season after season.

Today we host our annual Sponsors' Event pre match in the Clubhouse and we are always grateful for the support that they offer to the Club and I trust they will enjoy their afternoon with us as we offer a heartfelt "Thank You" for continuing to help us to fund the improvements to our grounds and facilities that we believe our members deserve. (If we are lucky we might also be able to twist a few arms and get them to sign up again for next season!)

RAY ADAMSON | WELCOME continued ...

In conclusion, I would like to offer my sincere thanks to all of our supporters and Club members for the way they have conducted themselves over the course of the season and for the way they have got behind the boys on the pitch. As Don Bramley pointed out to me at Huddersfield during the Colts' Final, my notes throughout the season have consistently ended with a gentle reminder to everybody taking part in or spectating this afternoon's game to please show respect to the match officials, players from both sides and other spectators. I personally have been proud to be associated with our groups of supporters home and away, safe in the knowledge that they will represent our Club positively at all times (clearly a small number of Ponte supporters failed to read or act on the message a couple of weeks ago).

I still firmly believe that there is nothing better than a hard fought game of Rugby played out in front of a knowledgeable and friendly crowd and would insist that we all have to play our part in ensuring that everybody here this afternoon can go home afterwards having enjoyed some great entertainment, whether a player, flag man, referee, water boy, allickadoo or a member of the paying public. We have a duty to all visitors to Sandhill Lane to ensure that their afternoon is not ruined by the actions of one or two individuals and that everybody adheres to the RFU Code of Conduct, so for one last time this season, I would ask that everybody makes sure that they behave in a manner befitting our great game.

With my best wishes for the Summer, I already look forward to September and the chance to do it all again!!

Ray Adamson

It is with great sadness that I can let all members know that former Selby player and great friend to many members, Ian Clapham, sadly passed away this week having taken his own life at his Farm. Our thoughts and condolences are with his family at this sad time. RA

STEVE CRUISE | FROM THE DUG OUT

Hello Everyone

Well after our fantastic win against our old foes and local rivals **Pontefract** we came down to earth with a bang at **Old Rishworthian** last Saturday deservedly losing 33-21. If I look at the whole campaign the two games against Rishworthians have without doubt been our worst matches of the season. We are a real Jekyll and Hyde side, at times when all our players are available we play like a top 4 team, playing some scintillating, well managed and controlled rugby, at other times usually away from home we look like a Yorkshire 2 team..... hopefully we have the former to witness today.

Today we play 5th placed Beverley who are equal on 76 points with Old Crossleyans and since the turn of the year have only lost 2 games both away to Keighley and Dinnington. They are a good side they have a workmanlike pack but its their back division which is arguably one of the best in the league that we need to be are of both Doubleday at 10 and Richardson at 15 are very good players at this level

Our mission today is pretty simple, win the game and we're safe..... end of...

Our last two outings at home have seen us beat Brodliens and Pontefract who are 6th and 3rd placed respectively so on our day we can compete....At the time of writing we have a strong team on paper so hopefully we will be able to compete today and get the result we require

Last week's result put a little dent in the calculations in my 'purple book' which said we would get 50 points, we can still achieve that but it would now require two bonus point wins.

Today will no doubt be a large crowd, its our annual sponsors day, Beverley is not far away so I expect them to bring a number of spectators and I am sure the crowd will be further swelled by members hoping to cheer the lads on. The scenes witnessed both on the touchline and after the game against Pontefract have no place in Rugby Union. What started as 'light hearted banter' quickly developed into a concerted vulgar personal abuse of our coach and then to cap it all the Pontefract chairman physically hit one of our members. All the necessary reports have been made and sent to the appropriate parties. Please could I ask that whatever the game is like, whoever wins or loses then both sets of spectators and coaches show the appropriate amount of decorum associated with our game.

Normally at this time of year we organise our annual unders and overs game followed by the players presentation and in recent years the player awards have been somewhat overshadowed. So this year we have split the two and I am pleased to say we are holding our annual player awards on Friday 3rd May in the clubhouse commencing at 7.30pm. We are hoping as many players and spectators alike will support the event. More details to follow..

Finally I thought I'd give you an update on the league structure, a number of you may not know but the RFU are looking at a number of options in the Northern Division as a result of a number of Lancashire clubs pulling out of the league structure primarily because of the travelling distance to the likes of Cumbria. Its obviously considerably less miles from Oldham and Rochdale to Halifax than it is to Workington. So a number of alternatives were presented before us to try and eliminate this issue and I have to say the RFU stance was very much to try and reduce the size of the league from the current 14 team league to 12. From where we are in Selby in Yorkshire One (level seven) we think that reducing the leagues would not work for us, the status quo is perfectly ok, 14 team leagues work, they generate us the revenue, they give us sufficient games without being over bearing on the players and aspirationally we have both a level 7 or 6 league that mileage wise is perfectly acceptable. We also polled our players who all wanted to remain in a 14 team league.

I can now confirm that from 2019/20 14 team leagues will continue at level 6 and 7 in Yorkshire

Finally, may I take this opportunity to thank all our sponsors who are our guests today. Local community rugby clubs like ours, would find it very difficult to operate without their kind generosity. We hope you enjoy your day and thank you for your continued support.

Enjoy the game today,

Yours in rugby

Steve Cruise

READ SCHOOL

DRAX

Open Morning
& Family Fun Day
Monday May 6th (Bank Holiday)
9:30am – 4:30pm

Your Educational Adventure *starts here!*

Read School nestles in 17 acres of beautiful grounds in the tranquil rural location of Drax village. This provides the backdrop for a multitude of academic, sporting and outdoor adventures inside and outside of the classroom, including the running of a successful market garden, a thriving Combined Cadet Force, Duke of Edinburgh programme and active equestrian teams in both Junior and Senior school.

Our Foundation years in Pre-School and Reception at Read School are the confidence-building basis upon which our excellent education for pupils aged 3-18 is built.

Small class sizes and generous staff to pupil ratios allow teachers to spend valuable time with each child, providing a wealth of opportunities for children to flourish and grow in confidence in every aspect of life at the school. This is demonstrated, not only in the children's academic and extra-curricular achievements but also in the excellent quality of our drama productions and musical events, the breath-taking art work, the results and performances on the sports pitch and in fact everything that our determined children do.

By joining the Read School in the Junior or Senior School (day or boarding) we believe that your child will join a stimulating, happy, secure and inclusive community where every child is valued and where learning is caring, inspiring and fun.

Please come and visit us to see for yourself, either at our upcoming Open Morning on 6th May or by arranging a private visit.

The best possible start

This is my rugby shirt, tattered and old.
Worn in the rain and worn in the cold.
Stained by hope, bound by no shackles,
Scorched by the heat of a thousand tackles.
Every ruck and every Maul,
Every heave and every haul.
Along with its compatriots, a formidable force,
Always together, to run the same course.
An unbreakable bond, forged in the mud,
Destined for greatness, brothers in blood.

Rufus Love,
Alleynian Junior Rugby Academy
U18s captain 2014-2015 season

Written as an U13.

THE FUTURE PLAYERS @ SELBY RUFC

Freddy Simpson: "My favourite rugby player in Henry Slade, he plays for England. He's an ace player, he's really fast and great with the ball. He's my hero. Henry Slade has Type 1 Diabetes just like me, Type 1 Diabetes is an autoimmune disease with no prevention or cure. It's not caused by a bad diet or anything, my pancreas stopped doing what it was supposed to so now I have 6+ injections a day and lots of finger pricks to check my blood sugar. I also wear a device on my arm called a Libre, it helps me check my blood sugar levels. Henry Slade wears a device too, he also has injections."

Some people might think that having Type 1 Diabetes will stop you from doing the same things like everybody else, Henry Slade proves that people with Type 1 can do anything. One day I want to be just like him"

Seth Wratten: Henry Slade is my favourite player, because he has diabetes like my friend Freddy and I think they are both awesome.

Selby's Under 8 player, Emma Jackson, pictured with England's Vickii Cornborough after England's win against France in the 6 Nations at Doncaster

Before and After
