29TH SEPTEMBER 2018 - YORKSHIRE 1

www.selbyruffc.club

vs Old Crossleyans

CODE OF RUGBY

Everyone involved in rugby in England, whether as a player, coach, referee, administrator, parent or spectator is expected to uphold the Core Values of our sport.

**Teamwork · Respect · Enjoyment
Discipline · Sportsmanship**

- Play to win - but not at all cost.
- Win with dignity, lose with grace.
- Observe the Laws and regulations of the game.
- Respect opponents, referees and all participants.
- Reject cheating, racism, violence and drugs.
- Value volunteers and paid officials alike.
- Enjoy the game.

THIS IS RUGBY.

Good afternoon and welcome to Sandhill Lane for our third home game of the season. It is my pleasure to welcome our old friend and adversaries from Old Crossleyans and to congratulate them on both their promotion from Yorkshire 2 last season and the almost perfect start they have had back in Yorkshire 1. Crocs currently head the table with 4 wins from 4 and have managed bonus points in three of their victories, claiming the scalps of Middlesbrough, Keighley, Dinnington and newcomers Guisborough. I am sure that all Selby players will be going out with the intention of halting Crossleyans progress this afternoon and improving our own position in the League. Our defeat at Dinnington last week was frustrating to say the very least and I am sure everybody involved will be grateful for the opportunity to put things right this week.

It was really good to see that we have been able to turn out 4 sides for the last 2 weeks and my congratulations and thanks go to Captains, Managers and players involved in our lower sides. The 2s have been particularly impressive so far this season and there is certain to be stiff competition for starting places in the firsts in the coming weeks and hopefully throughout the season. The thirds have also found some decent early season form and recently claimed bragging rights in their derby match with York. The 4ths also enjoyed a big win in their season opener against Wath thirds before coming up against a Knarborough team which were apparently strengthened by the lack of a first team fixture. We have enjoyed a successful start to the season as a Club and welcomed a number of new players at all levels so I trust that our new faces have been made to feel welcome and are enjoying their time with us.

Last Sunday our Academy side travelled over to Doncaster and pulled off a memorable victory against a big physical Doncaster team for a second victory of the season and I would like to offer my congratulations to skipper Harrison Green and all his squad members who are showing the benefits of regular training and excellent coaching. I know that a tremendous amount of work goes in to providing playing opportunities for kids from Under 6s right through to Under 18s and I would like to place on record my personal thanks to all our volunteers who make this such a vibrant, welcoming and inclusive Club.

We are of course greatly indebted to all those companies and individuals who kindly sponsor our first XV fixtures and I hope that today's Sponsors thoroughly enjoy their afternoon in the Swan's Nest and the hospitality that we are proud to be able to provide.

Next week sees us replay the opening fixture of the season when Hullensians return to Sandhill Lane. There will be no entry fee for the game but members and visitors will be invited to make a donation to charity on entry and our excellent Programme will be on sale as usual.

Prior to the Middlesbrough game on Saturday 20th October I intend to host a pre match lunch for our Vice Presidents and Honorary Life members and would like to take this opportunity to invite them all to have a word with me to book their places as the popularity of the event increases year on year.

Finally a gentle reminder to everybody taking part in or spectating this afternoon's game to please show respect to the match officials, players from both sides and other spectators. There is nothing better than a hard fought game of Rugby played out in front of a knowledgeable and friendly crowd and we all have to play our part in ensuring that everybody here this afternoon can go home afterwards having enjoyed some great entertainment, whether a player, flag man, referee, water boy, allickadoo or a member of the paying public. We have a duty to all visitors to Sandhill to ensure that their afternoon is not ruined by the actions of one or two individuals and that everybody adheres to the RFU suggested Code of Conduct, so I would ask that everybody makes sure that they behave in a manner befitting our great game.

THE LAST TIME WE MET | IN 2014!

Selby RUFC 35 – 17 Old Crossleyans RUFC - Report by Stephen Ward

This was an excellent all round display, and the first bonus point win of the season, by a Selby side who appear to have turned the corner. With 4 wins and 4 losses from their last 8 games, and 2 of those losses by the narrowest of margins, the hope is that they can now pull away from the relegation places in Yorkshire 1.

Selby suffered a setback as early as the first minute when second row forward, Joe Romaniw has to leave the field with, what appeared to be, a painful shoulder injury and was replaced by substitute prop forward Tom Bell. Only a minute later, Selby fell behind when they were penalised for standing up in the scrum. Crossleyans winger, Ryan Sweeney, who had almost beaten Selby single handedly, scoring 21 points in Selby's 31 points to 10 defeat at Halifax earlier in the season, slotted the penalty for an early 3 points to nil lead. However, Selby soon gained control and penalties after 7 and 12 minutes, the first for offside and the second for 'going over the top', were successfully converted by fly half Scott Hunt to put the hosts 6 points to 3 in front. Selby continued to dominate, with Crossleyans incurring the wrath of the referee and conceding penalty after penalty. Eventually after 21 minutes, constant pressure from the Selby forwards resulted in the referee awarding a penalty try to Selby and an easy conversion for Hunt for a 13 points to 3 lead. More technical errors by Crossleyans saw ex Selby player and Crossleyans number 8, Sam Broughton, sent to the bin on 26 minutes. Selby capitalised only 2 minutes later after a catch and drive to the line resulted in a try for prop forward Greg Nagle after excellent work by flanker Patrick Rowntree – no conversion from Hunt but Selby seemed to have a comfortable lead at 18 points to 3. Crossleyans went down to 13 men after 32 minutes when fly half Zane Sanders was also yellow carded. With both Broughton and Sanders back on before the break, Selby failed to profit further with their superior numbers and the only other notable action of the half was a magnificent steal and break from prop forward Duncan Hardy who showed a remarkable turn of speed but the move came to nothing with Selby having an 18 points to 3 advantage at the break.

Charlie Cicero replaced Jonathan Booth at the start of the second half with Selby continuing to pressurise their opponents and having the best possible start to the half when immense forward pressure saw prop forward Duncan Hardy driven over the line for an unconverted try and a 23 points to 3 lead after 45 minutes. Crossleyans continued to battle hard and were rewarded on 49 minutes after a tap penalty on the Selby 15 metre line saw the Crossleyans forwards set up a driving maul resulting in a try for flanker Cameron Brannan – Sweeney kicked an excellent conversion to reduce Crossleyans arrears to 10 points to 23. Selby roared back and only 3 minutes later after a successful scrum on the Crossleyans 22 metre line, excellent handling and running lines saw full back Ben Lunt put winger Ashton Dallimore over for the bonus point try near the posts – Scott's conversion gave Selby a 30 points to 10 lead. Still, Selby were not finished, increasing their lead after 58 minutes when some great inter-passing resulted in an unconverted try for full back Ben Lunt and 35 points to 10 lead – with Matthew Leetham replacing Lunt, things were to go slightly pear shaped for Selby at this stage of the game with flanker James Blaymire yellow carded after 63 minutes and Crossleyans taking full advantage shortly afterwards with a try created by their forwards for centre Chris Seymour, once again expertly converted by Sweeney, reducing Crossleyans deficit to 17 points to 35. With Booth back on for Stephen Clark and Lunt replacing Dallimore a fracas on 74 minutes resulted in yellow cards for Selby's Tom Bell and a second yellow for Crossleyans fly half Zane Sanders – Blaymire was back on after 79 minutes having served a 16 minute yellow card penalty. Full time arrived with Selby deserved winners by 35 points to 17.

Pity other results didn't go our way and a stiff test awaits us at North Ribblesdale next Saturday – although we beat them at Sandhill Lane they are a different proposition at home.

Well it's been an interesting couple of weeks since my last programme notes when we enjoyed a thoroughly deserved victory over a very tough, well-expensed!! Bradford Salem team. We showed a tremendous amount of character, tenacity, team spirit and not to say clear execution to eventually overpower them.

I really don't know why teams pay players in this league, either directly or indirectly. We are playing at level 7 in the rugby pyramid and none of us are going to go up into the semi-professional ranks so why do it? I just don't, and never have, understood the logic. Yorkshire One is now littered with sides who, over the years, have had their tilt higher up the echelon only for them to come thumping back down when the source of the funds dries up. We remain and will always remain a community rugby club, developing our home-grown talent, through our outstanding youth system, with the best possible coaching available. Our current first team is almost entirely home-grown, something we are extremely proud of at Selby RUFC.

Last week we travelled to the Metropolitan Borough of Rotherham to play a very large, rotund Dinnington side who after a few years in North 2 East are probably back at the level which suits them. Not the best place to visit aesthetically, but always a good welcome off the field and last week was no exception.

We were not quite at full strength but our performance was very good, the score line, losing 20-19 was not a reflection of the game and a visit to the Dinnington website match report will corroborate my view. Upon reflection we were by far the better team, we posed more of a threat going forward and in defence and on a man-for-man basis we had much better players on show on the day. To come away losing was disappointing and we have to learn that we have to be more clinical and at times manage our territory better. The match ended in bizarre circumstances and without going into all the details we were denied a legitimate try in injury time when Tom Edwards touched the ball down after the opposition defender knocked on in his own in-goal area, only for the referee to say he was "unsighted". All the opposition players and coaching staff could quite believe it either, the sad thing is that would have given us our 4th try and a bonus point win, but 'que sera' we move on.....

And what a game to move onto....today we entertain high-flying Old Crossleyans who have won 4 from 4 since their promotion back to Yorkshire One last season. I remember speaking to my old friend and rival Howard Cooper a couple of years ago when they were on their way to relegation and I remember him speaking like Arnie saying "We'll be back", well they certainly are.. I understand they have recruited a few players and coaches from 'The dark side' and playing some pretty high-intensity, strong running rugby so there is no doubt we will have our work cut out today. That said, on our day, with our best side available were a match for anyone in this league...

Whilst its early days the league is beginning to take shape, Crossleyans win last week over my tip for promotion Middlesbrough clearly opens things up but those two sides along with Heath are the early front runners. I want us to be hunting in that pack behind along with Beverley, Moortown and Old Bods, I have noted the start Pontefract have made but they have some much more difficult fixtures to come over the next few weeks.

Today we hope to have three lads back who were unavailable last week and this should give us a lift in front of our usual strong home support.

Our 2nd, 3rd and 4th teams have started the season in great style and its pleasing to report that we are very close to starting our 5th team again. All the lower teams have 4 or 5 subs and its our plan to perhaps organise a fixture for early October. A lot of work by the managers and captains has resulted in new players returning, O2 touch on a Wednesday gets at least 25+ every week and as a result of some new recruits to the area through the growth of Selby as a town we now have a strong competitive 2nd team for the first time in a few years. Competition for places is strong which can only lead to improved personal performances and as a result of this numbers at training are at the 30 mark.

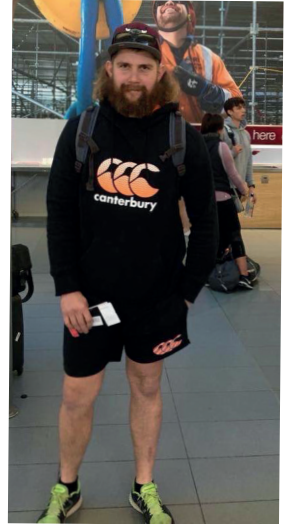

For those of you that read this before the game could I ask you to look out for a new recruit in the bar after the game today. As you know over the years we have had an exchange policy with a couple of teams in NZ where boys come over here and enjoy our hospitality, camaradery and rugby experience and our own boys have the option to share the same experience on the other side of the world. Over the years about 8 or 9 lads have enjoyed this exchange. Well earlier this week Sam Phipps arrived from The Bay of Plenty region, Sam is a 25 year old lock who is a good friend of our very own Rob Taylor. We all wish Sam an enjoyable stay, he will be staying with our president working locally. He isn't able to play yet because we require his international clearance but I expect him to be on the adjacent field in the 2nd team. We can then have a good look at him in training!!! May I offer a very warm Yorkshire welcome Sam and hope your time in Yorkshire is an enjoyable and rewarding one.

Oh and my Little purple book Its still 100% accurate (last week I could have gone well ahead) but ask me after today's game.

Yours in rugby

Steve Cruise

COLTS 19 V DONCASTER 2 12 REPORT BY ED REID

In dry but blustery conditions, Selby travelled to Doncaster to face their 2nd team. Selby's squad was made up of 50% U18s, and the rest U17s, so it was expected to provide a stern test.

The first 10 minutes played out that way, with Doncaster dominating territory and possession. Selby held on, and even forced a penalty 15 minutes in, but missed the kick. Soon afterwards, Doncaster were on the offensive camped on Selby's 22. As they attempted a pass out to their right wing, Dan Reid read the run the length of the pitch to go over for the first score. 0-7. Selby started to click together, with strong forwards play, and good communication between them and the fast backs line. They exerted great pressure, resulting in a strong finish by Josh Longthorpe in the left corner, converted well by Henry Bayston. 0-14. From that point until half time, Selby continued to remain patient and dominate, helped by some great aggressive tackling by the likes of Harrison Green, Joe Ramsey and Josh Longthorpe. A yellow card for Tom Fletcher's tackle which was deemed high was the only negative for Selby in this period.

Selby started the second half strongly, with Joe Ramsey going over in the left corner after the backs showed great hands and pace. 0-19. However, as soon as Doncaster got one try back to bring it to 5-19, Selby's communication seemed to suffer, and as a result, their rugby became scrappy, and they were less patient in possession. The opportunities were there to play some phases, but the ball was too easily given away. It let Doncaster in for a final try in the closing minutes.

Overall, it was a good win for Selby, but they'd made it harder than it should have been

SELBY U15 5 V SHEFFIELD 34

Selby's U15s Boys stepped up a further gear in opposition on Sunday and welcomed Sheffield to Sandhill Lane, a fast and strong team, unbeaten in previous encounters.

Selby started well with a drive to the line but were denied the first try of the match by a strong defense. Sheffield then turned on the pressure, Selby responded with great tackles as Sheffield pounded up the field but were ultimately out run by their faster-paced opponents who racked up 4 tries and 1 conversion in the first half.

With only 16 players, substitutions were very limited for a tried Selby but rallied by their coaches, they were full of optimism to score in the second half.

Unfortunately, Scholefield sustained an injury tackling a Sheffield player early in the second half and had to retire from the match. Still determined Selby's remaining 15 players found their form and finally Bishop grabbed the ball and raced over the line to score.

The remaining match saw errors in Selby's handling and missed opportunities to tackle giving Sheffield 2 further tries and 1 conversion.

This was a much improved performance from Selby in terms of forward drive and defensive play against their stronger Abbeydale Park opponents, who usually 'runaway' with the scoring and create a much greater gap for Selby to chase.

With match readiness, following 3 matches to start their season, Selby now look forward to the first round of the U15s Yorkshire Cup on Sunday 30th September, a home match against Hull Ionians.

GLENCORE
AGRICULTURE UK LTD

GLENCORE AGRICULTURE UK LTD, WARREN HOUSE, BELL LANE, THAME OX9 3AL. TEL: 01844 261261

Socialising and looking after the waifs and strays of the Halifax district has long been part of the stated aim of many of the area's local schools and sports clubs throughout the past hundred and fifty or more years.

Crossley and Porters School was originally founded as an orphanage, public house, and marriage rehabilitation unit, unlikely allies but having many similar interests.

The original founders were Spike Crossley and Ann Griely who were both orphans, liked a drink and a fight on a Saturday night and would spend Sunday after two o'clock counselling each other.

The original building was erected upon Skircoat Moor, near Halifax in June 1858, and was adapted to receive about 450 children, 44 firkins of ale and assorted weaponry for providing gentle banter.

On opening the Institution, however, there were a limited number of inmates. These numbers soon increased due to the failure of the marriage guidance and the wrong weapons falling into the wrong hands.

The Rules which were drawn up included the following:

(1) Object: To lodge, board, clothe, educate, apprentice, or otherwise place out in life, orphan children of both sexes, between the ages of two and ten years, and, under special circumstances, up to twelve years of age. The time of remaining in the Orphanage not to exceed fifteen years of age for boys, and seventeen years for girls. A minimum of six sessions of Rugby to be undertaken per week. This shall also apply to the boys

(2) Qualifications: The children admitted upon the foundation of this Institution must be such as have been deprived by death of both parents, or of their fathers, and whose mothers, or other surviving relatives, are unable to provide means of subsistence and education. In addition they shall know the difference between Porter and Stout and Pale Ale and Lager.

(3) Disqualification: No child shall be admitted who is blind, deaf, dumb, helplessly lame, or in any other respect seriously crippled, paralysed, or suffering from any infectious, contagious or incurable disease, and no child who has not been born in wedlock, or has been a resident pauper in a workhouse. Or shows a predilection for lemonade over their beer.

(4) Preference: A preference shall be given to the following cases, but only when all other circumstances shall be equally urgent: 1. To orphans born in the County of York. 2. To children who have lost both father and mother. 3. To the orphans of parents who are in full communion with Nonconformist churches, or regular communicants with the Church of England. 4. To orphans who are addicted to Communion wine.

Despite all the rules and restrictions the school prospered and over many years has produced a string of fine rugby players, gave birth to The Old Crossleyans Association and to today's visiting club.

Welcome to all and enjoy your day.

LAST WEEK -V- DINNINGTON RUFC

Dinnington RUFC 20 v 19 Selby RUFC - Report by Ian Marlow

Selby failed to build on last week's home victory going down by a single point away at Dinnington; and while they will have some comfort at gaining a losing bonus point, they will be very disappointed that they did not register the full five points for a win. And, despite having some mitigating excuses (see later), they will really only have themselves to blame for that.

Dinnington are yet another hefty bunch, not just in the pack but in the backs too, and it took a while to realise that the two props idling about in the centres weren't props at all, but actually were their centres! So it was no surprise that they started as they meant to go on, playing a very simple game of driving it in ad infinitum and things looked ominous as they camped on Selby's line early on. However, Selby's defence this season is a much meaner creature than of late and some crunching tackles from the pack, with skipper Charlie Cicero leading the way, repulsed the heavy mob before the first of many thumping runs from No8 Liam Hogan cleared the lines completely.

Selby then showed a little more finesse in attack as both backs and forwards found gaps wide out and up the middle. However, despite Selby's superior cutting edge, their inability to deliver the coup de grace became apparent as great breaks by centre Alex Webster and prop Duncan Hardy went begging as the Swans failed to capitalise on them. Similarly, a couple of surging bursts from flanker Tom Edwards split the Dinnington defence with ease, leading to another gilt edged chance wide out - but the final pass was a shocker and the chance was gone. Finally, to the relief of the travelling Selbyites, another bruising run from Hogan set Webster away again to link up with new boy Andy Gorman and George Stoker, before winger Ash Dallimore was released to race away to score a superb team try for a 0-5 lead.

It was hoped that Selby would continue in the same vein but, unfortunately, their 'error compounded by penalty' propensity then returned allowing Dinnington an easy passage to the Selby line, where forward pressure finally paid off as they crossed for a levelling score. Things then turned farcical as a chance for Selby to retake the lead with a penalty of their own was stymied by the lack of a kicking tee, and then the half was up.

With the advantage of the slope and breeze in the second half, not to mention Dinnington's relative lack of mobility, it might have seemed a good idea for Selby to kick deep to maximise their apparently superior attack where it mattered most? In fact, Selby barely got out of their own half at all as a series of unforced errors gifted Dinnington good field positions; and they then induced that familiar Selby sinking feeling that this was not to be a Swans day when, following yet another Selby fumble, a sparkling back move of their own sent the winger in for a 10-5 lead after 50 minutes.

Back came Selby though as a Hogan turnover was deftly transferred to Webster who again showed what could have been as he sliced open the Dinnington backline to race in from half way to regain the lead 10-12. Dinnington then couldn't believe their luck as Selby again, despite numerous opportunities, failed to clear their lines from the kick off and after yet another unforced fumble in their own 22, Dinnington eventually took advantage of some uncharacteristic, very flimsy tackling to cross again for a 17-12 lead. Then back came Selby again as Hogan capped a fantastic man of the match display by simply shrugging off several would be tacklers to power over from distance to regain the lead, 17-19. But, yet again, another Selby unforced error, followed by the inevitable penalty, gifted Dinnington the lead again at 20-19.

With only two minutes remaining Selby's chance looked to have gone but they somehow seemed to have won it at the death as, following a miscued Webster penalty attempt, Dinnington produced what appeared to be their own terminal error by fumbling the ball right on their own line - allowing Selby's Edwards to simply pick it up and dot it down for what those in the vicinity considered would be the simplest of match winning tries. Alas though, Mr Referee wasn't in the same post code and was "unsighted", so awarded Selby only the knock on, which he did see! Selby still had chances to kill the game off but firstly, despite having the dominant scrum, they butchered the five yard scrum chance before unbelievably another last kick Selby penalty chance (maybe awarded to try to amend a previous decision?) slid wide to bring the comedy of errors to a close.

Selby now have a tough fixture at home on Saturday against the new league leaders Old Crossleyans, who demolished previous favourites Middlesbrough at the weekend, and they will need to take their chances better and cut down on the error count if they are to take anything from the match.
