SELBY RUF C

1ST SEPTEMBER 2018 - YORKSHIRE 1

PROGRAMME

FIRST MATCH OF THE SEASON

vs HULLENSIANS

THANK YOU TO ALL THE SPONSORS
WE HOPE YOU ENJOY THE DAY

CODE OF RUGBY

Everyone involved in rugby in England, whether as a player, coach, referee, administrator, parent or spectator is expected to uphold the Core Values of our sport.

Teamwork · Respect · Enjoyment
Discipline · Sportsmanship

- Play to win - but not at all cost.
- Win with dignity, lose with grace.
- Observe the Laws and regulations of the game.
- Respect opponents, referees and all participants.
- Reject cheating, racism, violence and drugs.
- Value volunteers and paid officials alike.
- Enjoy the game.

THIS IS RUGBY.

Welcome to today's game featuring SELBY versus HULLENSIANS

Good afternoon everybody and welcome to Sandhill Lane for the opening fixture of the 2018-19 season, a season which I am certain will bring all the fun and excitement that we have come to expect from Yorkshire 1 Rugby.

Our guests today are from East Yorkshire and it is my pleasure to offer a warm welcome to all players, supporters and committee members of the Hullensians Club, even though I won't be attending the game myself due to my end of season Cricketing commitments. I am sure that all Selby members will do their utmost to make the afternoon a pleasant one, even though our First XV will be looking to spoil the most important part of it.

Anybody who made the trip over to Hull towards the back end of last season, and I know that Selby had a really strong following that day, will recall a beautiful, warm afternoon and a game that will live long in the memory. It is fair to say that we were "put through the wringer" as emotions ebbed and flowed throughout a pulsating fixture: the despair as Hullensians dominated early on and seemed destined to run up a cricket score, the elation as Selby mounted a tremendous fightback and managed to take the lead, the nervous tension as they battled to stay in front and the final blows as Hullensians scored a late try to regain the lead and the chance with their final conversion of snatching everything away from us! If today's game comes up anywhere near to that, then we are in for a real treat.

The Summer has been a very busy one at Sandhill Lane and I would like to offer a personal Thank You to Richard Nicholson for his tremendous work on the ground which has again produced a pitch in magnificent condition which will be the envy of every Club who visits us over the season. At our AGM we elected a completely new Executive Board, save for our stalwart Secretary Chris Guthrie and I would like to publicly recognise the fantastic work done over the last 5 years or so by our outgoing Board members and would like also to offer my best wishes to the new Board members who have stepped up to the plate and taken on their mantle. We also have a new Leadership Team on the pitch this season and having thanked Bren Lanaghan for everything that he did when First Team Captain, I would hope that our new Skipper Charlie Cicero is given the support and encouragement that he deserves for agreeing to take on the role, assisted by our pocket dynamo Danny Wilkinson.

Some things have remained the same and I am delighted that the coaching team that did so much to turn around our fortunes in the second half of last season are largely on board again for this season with plenty of skills and ideas to pass on to our youngsters, who have responded tremendously to pre season training and should really hit the ground running!

I was also delighted to be re-elected as President, having completed my 3 year apprenticeship and would like to thank the members who were brave enough to support my nomination. I hope to be able to re-pay their faith by fulfilling this privileged role as they would see fit.

On a final note I would make a plea to all players and spectators to ensure that their behaviour in the ground and around the pitch this afternoon is in keeping with the best traditions of Rugby Union. We read and hear too often of inappropriate behaviour at sporting and other events and the new Board are absolutely unanimous in their intention to ensure that all games at Sandhill Lane can be enjoyed by everybody and ask members and visitors to not only be extremely careful about their own conduct, but to remind others if they see or hear things which have no place in our great game.

SELBY RUFC CHAIR | MARK STEWARD

Welcome to the new season and what we hope will be another exciting and enjoyable one on and off the pitch for all.

As you will be aware as part of a planned succession several the Board positions were taken up by new members at the AGM. The fantastic facilities we start the new season with, are the legacy of the tremendous work and commitment of the outgoing Board in recent seasons. We are delighted that Sam Longthorpe, Ian Wotton, John Webster, Ashley Abbott and Jamie Pocklington will continue to be involved in the club as Vice-Presidents.

The new Board includes a good mix of old and new Members and a balance of skills and experience gained in various volunteer roles within the whole club. A list of Board members is available through our Website.

We very much respect the values of rugby and are determined to uphold the high regard in which the Club is held, both within its membership and the wider community. We are trusted by our Members to manage the affairs of the club on their behalf, in line with its objectives as a rugby club.

Our objective as a board is:

‘To be a successful inclusive Rugby Club, sustaining financial independence to offer high quality playing opportunities for all, with facilities to match, by engaging with and maximising the capacity of our Members.’

It is important to be financially sustainable and in these modern times to balance the use of the skills and experience of our members and their often limited time to volunteer, with the expense of employed staff. This will always be an area of debate. We will engage with our Members on a regular basis and be open to suggestions on how the Club can be improved and equally provide opportunities to be involved in delivering those improvements.

We are proud of our rugby offer and our whole club approach to developing players from Micros to the 5th XV and particularly in recent years, the great strides made in developing rugby for women. We remain committed to being an amateur club and look forward to a competitive season in Yorkshire Division One.

We will continue to invest in our facilities and are looking to form Project Groups to evaluate options and make recommendations on two major projects: the possible installation of solar panels and improved onsite car parking.

For the Club to continue to enjoy financial sustainability we need you to maximise the use of our facilities by organising and supporting club social events and/or for private functions and to maintain and attract club sponsors.

One of our great strengths is that ‘we are a club run by its Members, for its Members,’ and therefore it will only ever be as good as its Members.

As a Board we look forward to working with you, our members and supporters.

GIRLS RUGBY | INNER WARRIOR CAMP

Are you looking for a new sport?
Do you want to get fit and have fun?
Have you ever thought about playing rugby?

Selby RUFC offers rugby to women and girls for u13, u15 and u18 teams and are looking to start a Women's team in the 2019/20 season.

The girls u13 and u15 teams train on a Friday evening and play matches/train on a Sunday afternoon. For further information contact Vicki vicparsonage25@gmail.com

The u18 Girls Team train on a Wednesday night at 7.00 pm at the grounds on Sandhill Lane, Selby and have matches on a Sunday afternoon. The u18s is aimed at years 11 to 13. Our sessions are fun and we welcome new and experienced players across all teams. All abilities and fitness levels are welcome and we have RFU qualified coaches leading our sessions.

We are holding an Inner Warrior camp for anyone over 16 (years 11-13) on Wednesday 12th September at 6.30 pm - 8.00 pm at the grounds of Selby RUFC for anyone wanting to give Rugby a try.

Don't worry about your fitness level, all you need to do is turn up in your gym gear with a bottle of water.

For more information contact the Team Manager, Karen on karenratcliffe@selbyruffc.com

STEVE CRUISE | FROM THE DUG OUT

From The Dug Out – Hullensians 1st September 2018

Well here we are again all geared up for another season.... I hope you all have had the most pleasant summer, enjoying the fantastic hot climate, for those old enough reminiscing of the summer of 76.

Well what does season 2018/19 hold for Selby RUFC and what have we been doing in the off season.

Coaching

First of all from a coaching perspective we decided to stick with the tried and trusted, the same team of people who guided the team to Yorkshire one survival with 29 points from the last 13 games. So Assisting me will be Richard Nicholson, Jacob Robinson, Simon Humberstone, Jason Cicero and other coaches at the club from time to time, people like Nick Wright. In Jacob and Simons case they will actually play their rugby at Doncaster Phoenix and Hull respectively but they have a significant input into what we do here.

We started training very early on 26th June 2018 with a view to improving fitness levels and we have continued every week except a one week lay off in late July. We even had a group of lads doing 'Barff' Hill runs on Saturday mornings under the guidance of our new captain Charlie Cicero. Balls were out early most of our training has been ball and game related and whilst pre-season is never easy its been pretty enjoyable.

Captains/Managers

I'm delighted we were able to appoint Charlie as captain, he hopefully will bring a great deal of youthfulness to the job as well as his undoubted skills on the pitch. Leaders are all about respect and its obvious already that the lads have the utmost respect for Charlie and indeed his new vice-captain Danny Wilkinson, we wish them both luck in their new roles.

We also have a strong set of captains and managers throughout the club. Duncan Phillips and Mickey Parsonage will manage the second team which will be captained by Paul Randell. Ben Spence will captain the third team ably supported by a management team of Leigh Adamson, Kevin Lamb and Aidan Pierce. I am delighted to say Chris Rawlings returns to manage the 4th team who will be captained for the first time by Chris Young. I wish all our leaders well for the season.

Last week we took a squad to Goole for a pre season game and whilst I was more concerned about our style of play than the actual score I am pleased to say we ran out comfortable winners. Indeed, if we had taken all our chances we would have scored a lot more than the 36 points we amassed.

Players

On the player front we have lost a couple and gained a few... Rob Bourke was getting back into shape nicely has decided to give it a go at Doncaster Phoenix and disappointingly only last week after a full summer of training with us and making himself available for selection Will Edwards has been recruited by Wharfedale. These things happen, I don't think anyone should stand in the way of player progression but on the other hand there is a way to handle these things properly.....

Continued

On the new player front we welcome:

Joe Raddings back to the club, he will be a good acquisition for our front row

Chris Lopez – a strong running centre has joined us, he is actually a Spanish RL International

Charlie Thompson – A quick fiery little hooker has moved to our area after a time in Scotland but started his rugby life at Pocklington

Andy Gorman – An elusive centre joins us after moving to the area from Nottinghamshire Yorkshire One League

Yorkshire one is very tough it get harder year by year and with 4 'Halifax' based teams involved, the promotion of Pontefract, the relegation of Dinnington I don't think this year will be any exception. Our level transfer club is Guisbrough in Teeside

Cruisey's League Prediction – Middlesbrough to win the league, Heath second

So onto today opponents... We had two great battles with Hullensians towards the back end of last season and on both occasions we lost by a small margin of 3 or 4 points. Both games were very close, indeed we were leading by 20 points at one stage in the home fixture only to lose in added time and in the corresponding fixture we were 18 points down after 20 minutes, took the lead with 5 minutes left but yet again just lost but those losing bonus points were good for us. I don't expect today's encounter to be any different a close encounter against two sides who like to play rugby.

Oh and the 'Little Purple Book' is back out.....its set a half way target and I will keep you posted on how we do against it.....Lets just hope that 'my little purple book' is right again this year and were challenging further up the league than we have been in the last few seasons.....

Yours in rugby

Steve Cruise

HULLENSIANS 33 - SELBY 27

Report By Ian Marlow

Selby narrowly failed to secure their place in Yorkshire One for next season despite a rousing fightback as they came back from 21-0 down to take the lead before falling at the last hurdle to a strong Hulleensians side. The two losing bonus points garnered from this match would in themselves have been a credible outcome but an unexpected win for bottom placed Wheatley Hills against promotion chasing Beverley means that, for the third year running, everything is still in the mix and Selby must now win their last league match at home to Moortown on Saturday to guarantee safety from the drop.

Showing several changes from last Saturday's win, Selby started scappily and with Hulleensians looking much more competent a side than the one that visited Sandhill Lane recently they were soon under pressure - and an early try from the Humberiders, as they strolled through some weak defending, looked ominous. Hulleensians, in contrast, were defending strongly and with defence being the best form of attack they were being rewarded with plenty of possession as Selby pushed passes and gave away penalties until, again, pressure told and they went over again for another converted try.

When Hulleensians scored again five minutes before the break, swooping on a lost possession as Selby tried to run from deep, for a 21-0 scoreline the chances for Selby to gain anything from the match looked bleak. However, showing a resilience not always apparent from earlier in the season, Selby didn't give up and after a sustained forward assault on the opposition line, scrum half Danny Wilkinson, the smallest man on the pitch, forced his way over through a number of much larger defenders to

spark hopes of a second half revival.

Now playing against the slight breeze and slope, Selby continued to press and earned another three points from the boot of full back Scott Hunt before more great forward driving was rewarded as Charlie Cicero broke blind to feed the supporting Wilkinson for his and Selby's second try. With Hulleensians now themselves struggling to retain possession, Selby's forwards marched straight back up to their tryline and after another sustained battering flanker Matthew Wood, having an outstanding match, forced his way over to reduce the lead to one point. Hunt's conversion to take the lead fell short but no matter as Selby then produced the try of the season as the their backs combined superbly to run back a deep kick with a dazzling display of interpassing before Wilkinson again was on hand to finish off the move under the posts for his hat-trick and a 21-27 lead with ten minutes to play.

With Selby having made as improbable a recovery as Sergei Skripal, all that was required to obtain a full hospital discharge was to continue in the same vein but unfortunately the seemingly ingrained propensity to give the opposition a leg up then returned - as they lost cast iron possession from the base of a scrum in midfield and then gave away the penalty to enable Hulleensians to kick to the corner. Almost inevitably they then forced their way over to retake the lead and then deep in injury time added another to seal the win.

So, yet again, Selby go down to the wire in a league denouement, needing to beat Moortown in their last match to guarantee safety. Kick off is at 3pm and a large crowd is expected - and Selby and their support will be hoping that come the final whistle, their great turn around in fortunes since the New Year will have been completed.

KAREN RATCLIFFE | RECEIVING THE BALL

I never really considered what work goes in to putting our match day programme together. I arrive on a Saturday, pay my entrance fee and receive the A5 bound, colourful programme. Sometimes it is read straight away, others it is flung into the glove compartment ready for reading later..... or not. So when I put my hand up to take on the communications and the production of the programme, I thought it would be quite straight forward..... and generally it is. However, I am on a steep learning curve and would ask for your patience to get it to the standard, quality and content that Ben Lunt produced.

Thank you to everyone who has contributed and helped me put this first programme together by sending their articles and new adverts to me in plenty of time. Over time this will be added to as I get used to the ways of producing such a document!

Of course we have all our other ways of communicating to you, our website, Facebook and Twitter and match reports in the Selby Times, but we would love to have more input from our members and if you would like to have a go at writing an article or match report please do so and send it through to me at comms@selbyruffc.com. We will be launching a junior reporting competition over the coming months for those budding journalists in our Mini and Junior sections. Team Managers, if you send a report in, we will use it.
